AURORA TECHNOLOGY ACQUISITION CORP.  
UNDERWRITING AGREEMENT

February 7, 2022

MAXIM GROUP LLC  
405 Lexington Avenue  
New York, NY 10174

*As Representative of the Underwriters  
named on Schedule A hereto*

Ladies and Gentlemen:

The undersigned, Aurora Technology Acquisition Corp., a Cayman Islands exempted company ("**Company**"), hereby confirms its agreement with Maxim Group LLC (hereinafter referred to as "**you**", "**Maxim**", or as the "**Representative**") and with the other underwriters named on *Schedule A* hereto for which you are acting as representative (the Representative and the other Underwriters being collectively referred to herein as the "**Underwriters**" or, individually, an "**Underwriter**"), as follows:

1. Purchase and Sale of Securities.

1.1. Firm Securities.

1.1.1. Purchase of Firm Units. On the basis of the representations and warranties herein contained, but subject to the terms and conditions herein set forth, the Company agrees to issue and sell, severally and not jointly, to the several Underwriters, an aggregate of 20,000,000 units (the "**Firm Units**") of the Company at a purchase price (net of discounts and commissions, including the Deferred Underwriting Commission described in Section 1.3 below) of \$9.525 per Firm Unit, subject to certain adjustments set forth in Section 1.3 below. The Underwriters, severally and not jointly, agree to purchase from the Company the number of Firm Units set forth opposite their respective names on *Schedule A* attached hereto and made a part hereof at a purchase price (net of discounts and commissions, including the Deferred Underwriting Commission described in Section 1.3 below) of \$9.525 per Firm Unit. The Firm Units (and the Option Units (as hereinafter defined), if any) are to be offered initially to the public (the "**Offering**") at the offering price of \$10.00 per Firm Unit. Each Firm Unit consists of one Class A ordinary share of the Company, par value \$0.0001 per share ("**Class A Ordinary Share**"; and, together with the Company's Class B ordinary shares, par value \$0.0001 per share, the "**Ordinary Shares**"), one redeemable warrant ("**Warrant**"), and one right ("**Right**") to receive one-tenth (1/10) of a Class A ordinary share upon the consummation of an initial Business Combination (as defined below). The Class A Ordinary Shares, Warrants and Rights included in the Firm Units will not be separately transferable until the 52nd day after the date that the Registration Statement (as defined below) is declared effective (the "**Effective Date**") by the Securities and Exchange Commission ("**Commission**") or the announcement by the Company of the Representative's decision to allow earlier trading, subject, however, to the Company filing a Current Report on Form 8-K ("**Form 8-K**") with the Commission (as defined below) containing an audited balance sheet reflecting the Company's receipt of the gross proceeds of the Offering and issuing a press release announcing when such separate trading will begin. In no event will the Company allow separate trading until (i) the preparation of an audited balance sheet of the Company reflecting receipt by the Company of the proceeds of the Offering and the filing of such audited balance sheet with the Commission on a Form 8-K or similar form by the Company which includes such balance sheet and (ii) the issuance of a press release announcing when such separate trading shall begin. Each two Warrants entitle the holder thereof to purchase one Class A Ordinary Share at a price of \$11.50 per full share, subject to adjustment. The Warrants may only be exercised for whole numbers of Class A Ordinary Shares (only an even number of Warrants may be exercised at any given time) during the period commencing on the later of (a) 30 days after the completion of an initial Business Combination, and (b) 12 months from the Effective Date, and terminating on the five year anniversary of

the closing of the Business Combination. Each Right entitles the holder to receive one-tenth of one Class A Ordinary Share. The Rights will convert into whole numbers of Class A Ordinary Shares (Rights may only be converted in increments of ten) at the closing of the Business Combination. As used herein, the term “**Business Combination**” shall mean any share exchange, share reconstruction and amalgamation, purchasing all or substantially all of the assets of, entering into contractual arrangements with, or engaging in any other similar business combination with, one or more operating businesses by the Company. The Company has the right to redeem the Warrants, with the prior consent of the Representative, upon not less than thirty (30) days written notice at a price of \$0.01 per Warrant at any time after the Warrants become exercisable; so long as the last sales price of the Class A Ordinary Shares has been at least \$18.00 per share for any twenty (20) trading days within a thirty (30) trading day period ending on the third (3rd) trading day prior to the day on which notice is given.

1.1.2. Payment and Delivery. Delivery and payment for the Firm Units shall be made at 10:00 A.M., New York time, on the second (2nd) Business Day following the Effective Date of the Registration Statement (or the third Business Day following the Effective Date, if the Registration Statement is declared effective at or after 4:00 p.m.) or at such earlier time as shall be agreed upon by the Representative and the Company, at the offices of Maxim or at such other place as shall be agreed upon by the Representative and the Company. The closing of the public offering contemplated by this Agreement is referred to herein as the “**Closing**” and the hour and date of delivery and payment for the Firm Units is referred to herein as the “**Closing Date**.” Payment for the Firm Units shall be made on the Closing Date at the Representative’s election by wire transfer in Federal (same day) funds or by certified or bank cashier’s check(s) in New York Clearing House funds. The amount of \$202,000,000 (\$232,300,000 if the Over-allotment Option (as defined in Section 1.2) is exercised in full), or approximately \$10.10 per unit, of the proceeds received by the Company for the Firm Units and from the Private Placement (as defined in Section 1.6) shall be deposited in the trust account established by the Company for the benefit of the public shareholders as described in the Registration Statement (the “**Trust Account**”) pursuant to the terms of an Investment Management Trust Agreement (the “**Trust Agreement**”). Such amount includes an aggregate of \$7,000,000 (or \$8,050,000 if the Over-allotment Option is exercised in full), or \$0.35 per unit, payable to Maxim as a Deferred Underwriting Commission in accordance with Section 1.3 hereof, to be placed by the Underwriters in the Trust Account. The proceeds (less commissions, expense allowance and actual expense payments or other fees payable pursuant to this Agreement) shall be paid to the order of the Company upon delivery to the Representative of certificates (in form and substance satisfactory to the Underwriters) representing the Firm Units (or through the facilities of The Depository Trust Company (“**DTC**”)) for the account of the Underwriters. The Firm Units shall be registered in such name or names and in such authorized denominations as the Representative may request in writing at least two (2) Business Days prior to the Closing Date. The Company will permit the Representative to examine and package the Firm Units for delivery at least one (1) full Business Day prior to the Closing Date. The Company shall not be obligated to sell or deliver the Firm Units except upon tender of payment by the Representative for all the Firm Units. As used herein, the term “**Business Day**” shall mean any day other than a Saturday, Sunday or any day on which national banks in New York, New York are not open for business.

## 1.2. Over-Allotment Option.

1.2.1. Option Units. For the purpose of covering any over-allotments in connection with the distribution and sale of the Firm Units, the Underwriters are hereby granted, severally and not jointly, an option to purchase up to an additional 3,000,000 units from the Company (the “**Over-allotment Option**”). Such additional 3,000,000 units shall be identical in all respects to the Firm Units and are hereinafter referred to as “**Option Units**.” The Firm Units and the Option Units are hereinafter collectively referred to as the “**Units**,” and the Units, the Class A Ordinary Shares, the Warrants and the Rights included in the Units and the Class A Ordinary Shares issuable upon exercise of the Warrants and conversion of the Rights are hereinafter referred to collectively as the “**Public Securities**.” The purchase price to be paid for the Option Units (net of discounts and commissions), including the Deferred Underwriting Commission described in Section 1.3 below will be \$9.525 per Option Unit. The Option Units are to be offered initially to the public at the offering price of \$10.00 per Option Unit.

1.2.2. **Exercise of Option.** The Over-allotment Option granted pursuant to Section 1.2.1 hereof may be exercised by the Representative as to all (at any time) or any part (from time to time) of the Option Units within 45 days after the Effective Date. The Underwriters will not be under any obligation to purchase any Option Units prior to the exercise of the Over-allotment Option. The Over-allotment Option granted hereby may be exercised by the giving of oral notice to the Company from the Representative, which must be confirmed in writing by overnight mail or facsimile or e-mail transmission setting forth the number of Option Units to be purchased and the date and time for delivery of and payment for the Option Units, which will not be later than five Business Days after the date of the notice or such other time as shall be agreed upon by the Company and the Representative, at the offices of the Representative or at such other place or in such other manner as shall be agreed upon by the Company and the Representative. If such delivery and payment for the Option Units does not occur on the Closing Date, the date and time of the closing for such Option Units will be as set forth in the notice (hereinafter the “**Option Closing Date**”). Upon exercise of the Over-allotment Option, the Company will become obligated to convey to the Underwriters, and, subject to the terms and conditions set forth herein, the Underwriters will become obligated to purchase, the number of Option Units specified in such notice.

1.2.3. **Payment and Delivery.** Delivery and payment for the Option Units shall be made at 10:00 AM, New York time, on the Option Closing Date or at such earlier time as shall be agreed upon by the Representative and the Company at the offices of the Representative or at such other place as shall be agreed upon by the Representative and the Company. Payment for the Option Units shall be made on the Option Closing Date (or at such earlier time as shall be agreed upon by the Representative and the Company) at the Representative’s election by wire transfer in Federal (same day) funds or by certified or bank cashier’s check(s) in New York Clearing House funds, by deposit of the sum of \$9.525 per Option Unit in the Trust Account pursuant to the Trust Agreement upon delivery to the Representative of certificates (in form and substance satisfactory to the Underwriters) representing the Option Units (or through the facilities of DTC) for the account of the Underwriters. The Underwriters shall also place an aggregate of \$0.35 per Option Unit (up to \$1,050,000), payable to the Representative, as Deferred Underwriting Commission, in accordance with Section 1.3 hereof, in the Trust Account. The certificates representing the Option Units to be delivered will be in such denominations and registered in such names as the Representative requests not less than two Business Days prior to the Closing Date or the Option Closing Date, as the case may be, and will be made available to the Representative for inspection, checking and packaging at the aforesaid office of the Company’s transfer agent or correspondent not less than one full Business Day prior to such Closing Date or Option Closing Date.

1.3. **Deferred Underwriting Commission.** The Underwriters agree that 3.5% of the gross proceeds from the sale of the Firm Units (\$7,000,000) and 3.5% of the gross proceeds from the sale of the Option Units (up to \$1,050,000) (the “**Deferred Underwriting Commission**”) will be deposited in and held in the Trust Account and payable directly from the Trust Account, without accrued interest, to Maxim for its own account upon consummation of the Business Combination. In the event that the Company is unable to consummate a Business Combination and Continental Stock Transfer & Trust Company (“**CST**”), as the trustee of the Trust Account (in this context, the “**Trustee**”), commences liquidation of the Trust Account as provided in the Trust Agreement, the Underwriter agrees that: (i) the Underwriters hereby forfeit any rights or claims to the Deferred Underwriting Commission; and (ii) the Deferred Underwriting Commission, together with all other amounts on deposit in the Trust Account, shall be distributed on a pro-rata basis among the public shareholders.

1.4. **Reserved.**

1.5. **Representative’s Ordinary Shares.** The Company hereby agrees to issue to Maxim Group LLC and/or its designees 300,000 Class A Ordinary Shares (up to 345,000 Class A Ordinary Shares if the Over-allotment Option is exercised in full) (the “**Issuance Shares**”) at closing of this Offering. Maxim Group LLC has agreed not to transfer, assign or sell any such Issuance Shares until the completion of the initial Business Combination. In addition, Maxim Group LLC has agreed (i) to waive its redemption rights with respect to such shares in connection with the completion of the initial Business Combination and (ii) to waive its rights to liquidating distributions from the trust account with respect to such shares if the Company fails to complete the initial Business Combination within 12 months from the

closing of the Offering (or up to 18 months from the closing of the Offering if the Company extends the period of time to consummate a business combination by the full amount of time). Maxim Group LLC will not sell, transfer, assign, pledge or hypothecate the Issuance Shares, or cause the Issuance Shares to be the subject of any hedging, short sale, derivative, put, or call transaction that would result in the effective economic disposition of the Issuance Shares by any person, for a period of 180 days (pursuant to FINRA Rule 5110(e)(1)) following the commencement of sales of the Offering to anyone other than (i) Maxim or an underwriter or selected dealer in connection with the Offering, or (ii) a bona fide officer or partner, registered person or affiliate of Maxim or of any such underwriter or selected dealer. On and after the 181st day following the Effective Date, transfers to others may be made subject to compliance with or exemptions from applicable securities laws. The Public Securities and the Issuance Shares are hereinafter referred to collectively as the "Securities." Maxim Group LLC and/or its designees will be entitled to customary registration rights with respect to the Issuance Shares in compliance with FINRA Rule 5110(g)(8).

#### 1.6. Private Placement.

1.6.1. Private Placement; Placement Warrants. Simultaneously with the consummation of the Offering, ATAC Sponsor LLC (the "Sponsor") shall purchase from the Company pursuant to the Subscription Agreement (as defined in Section 2.25.2 hereof) an aggregate of 6,425,000 Warrants (the "Placement Warrants") at a purchase price of \$1.00 per Placement Warrant in a private placement (the "Private Placement"). The Placement Warrants and the Class A Ordinary Shares issuable upon exercise of the Placement Warrants are hereinafter referred to collectively as the "Placement Securities." Each Placement Warrant shall be identical to the Warrants except that the Placement Warrants shall be non-redeemable by the Company and may be exercised on a cashless basis. Except as disclosed in the Registration Statement, there will be no placement agent in the Private Placement and no party shall be entitled to a placement fee or expense allowance from the sale of the Placement Warrants.

1.6.2. Additional Placement Warrants. Immediately prior to the Option Closing, (i) the Sponsor shall purchase from the Company up to an additional 675,000 Placement Warrants pro rata with the amount of the Over-allotment Option exercised by the Representative (the "Additional Placement Warrants"), at a purchase price of \$1.00 per Additional Placement Warrant in private placements (the "Additional Private Placement"). The Additional Placement Warrants and the Class A Ordinary Shares issuable upon exercise of the Additional Placement Warrants are hereinafter referred to collectively as the "Additional Placement Securities." Except as disclosed in the Registration Statement, there will be no placement agent in the Additional Private Placement and no party shall be entitled to a placement fee or expense allowance from the sale of the Additional Placement Securities.

2. Representations and Warranties of the Company. The Company represents and warrants to the Underwriters as follows:

#### 2.1. Filing of Registration Statement.

2.1.1. Pursuant to the Act. The Company has filed with the Commission a registration statement and an amendment or amendments thereto, on Form S-1 (File No. 33-261753), including any related preliminary prospectus (the "Preliminary Prospectus", including any prospectus that is included in the Registration Statement immediately prior to the effectiveness of the Registration Statement), for the registration of the Public Securities under the Securities Act of 1933, as amended (the "Act"), which registration statement and amendment or amendments have been prepared by the Company in conformity in all material respects with the requirements of the Act, and the rules and regulations (the "Regulations") of the Commission under the Act. The conditions for use of Form S-1 to register the Offering under the Act, as set forth in the General Instructions to such Form, have been satisfied in all material respects. Except as the context may otherwise require, such registration statement, as amended, on file with the Commission at the time the registration statement becomes effective (including the prospectus, financial statements, schedules, exhibits and all other documents filed as a part thereof or incorporated therein and all information deemed to be a part thereof as of such time pursuant to Rule

430A of the Regulations), is hereinafter called the “**Registration Statement**,” and the form of the final prospectus dated the Effective Date included in the Registration Statement (or, if applicable, the form of final prospectus containing information permitted to be omitted at the time of effectiveness by Rule 430A of the Regulations filed with the Commission pursuant to Rule 424 of the Regulations), is hereinafter called the “**Prospectus**.” For purposes of this Agreement, “**Time of Sale**”, as used in the Act, means 5:00 p.m., New York City time, on the date of this Agreement. If the Company has filed, or is required pursuant to the terms hereof to file, a registration statement pursuant to Rule 462(b) under the Act registering additional securities (a “**Rule 462(b) Registration Statement**”), then, unless otherwise specified, any reference herein to the term “**Registration Statement**” shall be deemed to include such Rule 462(b) Registration Statement. Other than a Rule 462(b) Registration Statement, which, if filed, becomes effective upon filing, no other document with respect to the Registration Statement has heretofore been filed with the Commission. All of the Public Securities have been registered under the Act pursuant to the Registration Statement or, if any Rule 462(b) Registration Statement is filed, will be duly registered under the Act with the filing of such Rule 462(b) Registration Statement. The Registration Statement has been declared effective by the Commission on the date hereof. If, subsequent to the date of this Agreement, the Company or the Representative has determined that at the Time of Sale the Prospectus included an untrue statement of a material fact or omitted a statement of material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, and have agreed to provide an opportunity to purchasers of the Firm Units to terminate their old purchase contracts and enter into new purchase contracts, the Prospectus will be deemed to include any additional information available to purchasers at the time of entry into the first such new purchase contract.

2.1.2. Pursuant to the Exchange Act. The Company has filed with the Commission a Form 8-A (File Number 001-41250) providing for the registration under the Securities Exchange Act of 1934, as amended (the “**Exchange Act**”), of the Units, the Class A Ordinary Shares, the Warrants and Rights. The registration of the Units, Class A Ordinary Shares, Warrants and Rights under the Exchange Act will be declared effective by the Commission on or prior to the Effective Date.

2.2. No Stop Orders, Etc. Neither the Commission nor, to the best of the Company’s knowledge, any state regulatory authority has issued any order or threatened to issue any order preventing or suspending the use of any Preliminary Prospectus or has instituted or, to the best of the Company’s knowledge, threatened to institute any proceedings with respect to such an order.

### 2.3. Disclosures in Registration Statement.

2.3.1. 10b-5 Representation. At the time the Registration Statement became effective, upon the filing or first use (within the meaning of the Regulations) of the Prospectus and at the Closing Date and the Option Closing Date, if any, the Registration Statement and the Prospectus contained or will contain all material statements that are required to be stated therein in accordance with the Act and the Regulations, and did or will in all material respects conform to the requirements of the Act and the Regulations. Neither the Registration Statement nor any Preliminary Prospectus or the Prospectus, nor any amendment or supplement thereto, on their respective dates, did or will contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein (in the case of the Preliminary Prospectus and the Prospectus, in light of the circumstances under which they were made), not misleading. When any Preliminary Prospectus was first filed with the Commission (whether filed as part of the Registration Statement for the registration of the Public Securities or any amendment thereto or pursuant to Rule 424(a) of the Regulations) or first used (within the meaning of the Regulations) and when any amendment thereof or supplement thereto was first filed with the Commission or first used (within the meaning of the Regulations), such Preliminary Prospectus and any amendments thereof and supplements thereto complied or will have been corrected in the Prospectus to comply in all material respects with the applicable provisions of the Act and the Regulations and did not and will not contain an untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading. The representation and warranty made in this Section 2.3.1 does not apply to statements made or statements omitted in reliance upon and in

conformity with written information furnished to the Company with respect to the Underwriters by the Representative expressly for use in the Registration Statement or Prospectus or any amendment thereof or supplement thereto. It is understood the following identified statements set forth in the Prospectus under the heading “Underwriting” constitute, for the purposes of this Agreement, information furnished by the Representative with respect to the Underwriters: (i) the names of the Underwriters; (ii) the table of underwriters in the first paragraph of the section captioned “Underwriting”, and (iii) the subsections titled “Regulatory Restrictions on Purchase of Securities,” “Electronic Distribution” and (iv) each of the subsections titled “Underwriting—Notice to Prospective Investors in Canada, Notice to Prospective Investors in the European Economic Area, Notice to Prospective Investors in Hong Kong, Notice to Prospective Investors in Singapore, Notice to Prospective Investors in Switzerland, Notice to Prospective Investors in Italy, Notice to Prospective Investors in the United Kingdom, and Notice to Prospective Investors in the Cayman Islands” included in the section captioned “Underwriting.”

2.3.2. Disclosure of Agreements. The agreements and documents described in the Registration Statement, the Preliminary Prospectus and the Prospectus conform to the descriptions thereof contained therein and there are no agreements or other documents required to be described in the Registration Statement, the Preliminary Prospectus or the Prospectus or to be filed with the Commission as exhibits to the Registration Statement, that have not been so described or filed. Each agreement or other instrument (however characterized or described) to which the Company is a party or by which its property or business is or may be bound or affected and (i) that is referred to in the Registration Statement, Preliminary Prospectus or the Prospectus or attached as an exhibit thereto, or (ii) is material to the Company’s business, has been duly and validly executed by the Company, is in full force and effect in all material respects and is enforceable against the Company and, to the Company’s knowledge, the other parties thereto, in accordance with its terms, except (x) as such enforceability may be limited by bankruptcy, insolvency, reorganization or similar laws affecting creditors’ rights generally, (y) as enforceability of any indemnification or contribution provision may be limited under the federal and state securities laws, and (z) that the remedy of specific performance and injunctive and other forms of equitable relief may be subject to the equitable defenses and to the discretion of the court before which any proceeding therefor may be brought, and none of such agreements or instruments has been assigned by the Company, and neither the Company nor, to the Company’s knowledge, any other party is in breach or default thereunder and, to the Company’s knowledge, no event has occurred that, with the lapse of time or the giving of notice, or both, would constitute a breach or default thereunder. To the Company’s knowledge, performance by the Company of the material provisions of such agreements or instruments will not result in a material violation of any existing applicable law, rule, regulation, judgment, order or decree of any governmental agency or court, domestic or foreign, having jurisdiction over the Company or any of its assets or businesses, including, without limitation, those relating to environmental laws and regulations.

2.3.3. Prior Securities Transactions. No securities of the Company have been sold by the Company or by or on behalf of, or for the benefit of, any person or persons controlling, controlled by, or under common control with the Company since the date of the Company’s formation, except as disclosed in the Registration Statement.

2.3.4. Regulations. The disclosures in the Registration Statement, the Preliminary Prospectus and the Prospectus concerning the effects of federal, state and local regulation on the Company’s business as currently contemplated fairly summarize, to the best of the Company’s knowledge, such effects and do not omit to state a material fact necessary to make the statements therein, in light of the circumstances in which they were made, not misleading.

#### 2.4. Changes After Dates in Registration Statement.

2.4.1. No Material Adverse Change. Except as contemplated or disclosed in the Prospectus, since the respective dates as of which information is given in the Registration Statement, any Preliminary Prospectus and/or the Prospectus (i) there has been no material adverse change in the condition, financial or otherwise, or business prospects of the Company; (ii) there have been no material transactions entered into by the Company, other than as contemplated pursuant to this Agreement; (iii) no

member of the Company's board of directors or management has resigned from any position with the Company and (iv) no event or occurrence has taken place which materially impairs, or would likely materially impair, with the passage of time, the ability of the members of the Company's board of directors or management to act in their capacities with the Company as described in the Registration Statement and the Prospectus.

2.4.2. Recent Securities Transactions, Etc. Except as contemplated in the Prospectus, subsequent to the respective dates as of which information is given in the Registration Statement and the Prospectus, and except as may otherwise be indicated or contemplated herein or therein, the Company has not: (i) issued any securities or incurred any liability or obligation, direct or contingent, for borrowed money; or (ii) declared or paid any dividend or made any other distribution on or in respect to its shares.

2.5. Independent Accountants. For purposes of this Section 5, the term Underwriter or Underwriters shall refer to each Underwriter whether acting as an underwriter or as a qualified independent underwriter.

5.1.2. Procedure. If any action is brought against an Underwriter or Controlling Person in respect of which indemnity may be sought against the Company pursuant to Section 5.1.1, such Underwriter shall promptly notify the Company in writing of the institution of such action and the Company shall assume the defense of such action, including the employment and fees of counsel (subject to the reasonable approval of such Underwriter) and payment of actual expenses. Such Underwriter or Controlling Person shall have the right to employ its or their own counsel in any such case, but the fees and expenses of such counsel shall be at the expense of such Underwriter or such Controlling Person unless: (i) the employment of such counsel at the expense of the Company shall have been authorized in writing by the Company in connection with the defense of such action within reasonable time under the circumstances; (ii) the Company shall not have employed counsel to have charge of the defense of such action; or (iii) such indemnified party or parties shall have reasonably concluded that there may be defenses available to it or them which are different from or additional to those available to the Company (in which case the Company shall not have the right to direct the defense of such action on behalf of the indemnified party or parties), in any of which events the reasonable fees and expenses of not more than one additional firm of attorneys selected by the Underwriter and/or Controlling Person shall be borne by the Company. Notwithstanding anything to the contrary contained herein, if the Underwriter or Controlling Person shall assume the defense of such action as provided above, the Company shall have the right to approve the terms of any settlement of such action which approval shall not be unreasonably withheld.

5.2. Indemnification of the Company. Each Underwriter, severally and not jointly, agrees to indemnify and hold harmless the Company, its directors, officers and employees and agents who control the Company within the meaning of Section 15 of the Act or Section 20 of the Exchange Act against any and all loss, liability, claim, damage and expense described in the foregoing indemnity from the Company to the several Underwriters, as incurred, but only with respect to untrue statements or omissions, or alleged untrue statements or omissions made in any Preliminary Prospectus, the Registration Statement, or the Prospectus, or any amendment or supplement thereto, or in any Application, in reliance upon, and in strict conformity with, written information furnished to the Company with respect to such Underwriter by or on behalf of the Underwriter expressly for use in such Preliminary Prospectus, the Registration Statement, or the Prospectus, or any amendment or supplement thereto or in any such Application, which furnished written information, it is expressly agreed, consists solely of the information described in the last sentence of Section 2.3.1. In case any action shall be brought against the Company or any other person so indemnified based on any Preliminary Prospectus, the Registration Statement, or the Prospectus, or any amendment or supplement thereto or any Application, and in respect of which indemnity may be sought against any Underwriter, such Underwriter shall have the rights and duties given to the Company, and the Company and each other person so indemnified shall have the rights and duties given to the several Underwriters by the provisions of Section 5.1.2.

### 5.3. Contribution.

5.3.1. Contribution Rights. In order to provide for just and equitable contribution under the Act in any case in which: (i) any person entitled to indemnification under this Section 5 makes a claim for indemnification pursuant hereto but it is judicially determined (by the entry of a final judgment or decree by a court of competent jurisdiction and the expiration of time to appeal or the denial of the last right of appeal) that such indemnification may not be enforced in such case notwithstanding the fact that this Section 5 provides for indemnification in such case; or (ii) contribution under the Act, the Exchange Act or otherwise may be required on the part of any such person in circumstances for which indemnification is provided under this Section 5, then, and in each such case, the Company and the Underwriters shall contribute to the aggregate losses, liabilities, claims, damages and expenses of the nature contemplated by said indemnity agreement incurred by the Company and the Underwriters, as incurred, in such proportions that the Underwriters are responsible for that portion represented by the percentage that the underwriting discount appearing on the cover page of the Prospectus bears to the initial offering price appearing thereon and the Company is responsible for the balance; *provided*, that, no person guilty of a fraudulent misrepresentation (within the meaning of Section 11(f) of the Act) shall be

entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. Notwithstanding the provisions of this Section 5.3.1, no Underwriter shall be required to contribute any amount in excess of the amount by which the total price at which the Public Securities underwritten by it and distributed to the public were offered to the public exceeds the amount of any damages that such Underwriter has otherwise been required to pay in respect of such losses, liabilities, claims, damages and expenses. For purposes of this Section, each director, officer and employee of an Underwriter or the Company, as applicable, and each person, if any, who controls an Underwriter or the Company, as applicable, within the meaning of Section 15 of the Act shall have the same rights to contribution as the Underwriters or the Company, as applicable.

5.3.2. Contribution Procedure. Within fifteen (15) days after receipt by any party to this Agreement (or its representative) of notice of the commencement of any action, suit or proceeding, such party will, if a claim for contribution in respect thereof is to be made against another party (“**Contributing Party**”), notify the Contributing Party of the commencement thereof, but the omission to so notify the Contributing Party will not relieve it from any liability which it may have to any other party other than for contribution hereunder. In case any such action, suit or proceeding is brought against any party, and such party notifies a Contributing Party or its representative of the commencement thereof within the aforesaid fifteen (15) days, the Contributing Party will be entitled to participate therein with the notifying party and any other Contributing Party similarly notified. Any such Contributing Party shall not be liable to any party seeking contribution on account of any settlement of any claim, action or proceeding effected by such party seeking contribution on account of any settlement of any claim, action or proceeding effected by such party seeking contribution without the written consent of such Contributing Party. The contribution provisions contained in this Section are intended to supersede, to the extent permitted by law, any right to contribution under the Act, the Exchange Act or otherwise available. The Underwriters’ obligations to contribute pursuant to this Section 5.3 are several and not joint.

## 6. Default by an Underwriter.

6.1. Default Not Exceeding 10% of Firm Units or Option Units. If any Underwriter or Underwriters shall default in its or their obligations to purchase the Firm Units or the Option Units, if the Over-allotment Option is exercised, hereunder, and if the number of the Firm Units or Option Units with respect to which such default relates does not exceed in the aggregate 10% of the number of Firm Units or Option Units that all Underwriters have agreed to purchase hereunder, then such Firm Units or Option Units to which the default relates shall be purchased by the non-defaulting Underwriters in proportion to their respective commitments hereunder.

6.2. Default Exceeding 10% of Firm Units or Option Units. In the event that the default addressed in Section 6.1 above relates to more than 10% of the Firm Units or Option Units, the Representative may in its discretion arrange for itself or for another party or parties to purchase such Firm Units or Option Units to which such default relates on the terms contained herein. If, within one (1) Business Day after such default relating to more than 10% of the Firm Units or Option Units, the Representative does not arrange for the purchase of such Firm Units or Option Units, then the Company shall be entitled to a further period of one (1) Business Day within which to procure another party or parties satisfactory to the Company and the Representative to purchase said Firm Units or Option Units on such terms. In the event the Representative does not arrange for the purchase of the Firm Units or Option Units to which a default relates as provided in this Section 6, this Agreement may be terminated by the Company without liability on the part of the Company (except as provided in Sections 3.12 and 5 hereof) or the several Underwriters (except as provided in Section 5 hereof); *provided, however*, that if such default occurs with respect to the Option Units, this Agreement will not terminate as to the Firm Units; and *provided further* that nothing herein shall relieve a defaulting Underwriter of its liability, if any, to the other several Underwriters and to the Company for damages occasioned by its default hereunder.

6.3. Postponement of Closing Date. In the event the Firm Units or Option Units to which the default relates are to be purchased by the non-defaulting Underwriters, or are to be purchased by another party or parties as aforesaid, the Representative or the Company shall have the right to postpone the Closing Date or Option Closing Date for a reasonable period, but not in any event exceeding five (5)

Business Days, in order to effect whatever changes may thereby be made necessary in the Registration Statement, the Preliminary Prospectus and/or the Prospectus, as the case may be, or in any other documents and arrangements, and the Company agrees to file promptly any amendment to, or to supplement, the Registration Statement, the Preliminary Prospectus and/or the Prospectus, as the case may be, that in the opinion of counsel for the Underwriters may thereby be made necessary. The term "Underwriter" as used in this Agreement shall include any party substituted under this Section 6 with like effect as if it had originally been a party to this Agreement with respect to such Securities.

#### 7. Additional Covenants.

7.1. Additional Shares or Options. The Company hereby agrees that until the Company consummates a Business Combination, it shall not issue any Ordinary Shares or any options or other securities convertible into Ordinary Shares, or any class of shares which participate in any manner in the Trust Account or which vote as a class with the Ordinary Shares on a Business Combination.

7.2. Trust Account Waiver Acknowledgments. The Company hereby agrees that it will not commence its due diligence investigation of any operating business or businesses which the Company seeks to acquire (each, a "**Target Business**") unless and until such Target Business acknowledges in writing, whether through a letter of intent, memorandum of understanding or other similar document (and subsequently acknowledges the same in any definitive document replacing any of the foregoing), that: (i) it has read the Prospectus and understands that the Company has established the Trust Account, initially in an amount of \$202,000,000 for the benefit of the public shareholders, and that (ii) for and in consideration of the Company agreeing to evaluate such Target Business for purposes of consummating a Business Combination with it, such Target Business agrees that it does not have any right, title, interest or claim of any kind in or to any monies of the Trust Account ("**Claim**") and waives any Claim it may have in the future as a result of, or arising out of, any negotiations, contracts or agreements with the Company and will not seek recourse against the Trust Account for any reason whatsoever. The Company further agrees that it will use its reasonable efforts, prior to obtaining the services of any vendor, to obtain a written acknowledgment from such vendor, whether through a letter of intent, memorandum of understanding or other similar document (and subsequently acknowledges the same in any definitive document replacing any of the foregoing), that: (i) such vendor has read the Prospectus and understands that the Company has established the Trust Account, initially in an amount of \$202,000,000 for the benefit of the public shareholders, and that (ii) for and in consideration of the Company agreeing to engage the services of the vendor, such vendor agrees that it does not have any Claim and waives any Claim it may have in the future as a result of, or arising out of, any negotiations, contracts or agreements with the Company and will not seek recourse against the Trust Account for any reason whatsoever. The foregoing letters shall substantially be in the form attached hereto as Exhibit A and B, respectively. Furthermore, each officer and director of the Company shall execute a waiver letter in the form attached hereto as Exhibit C.

7.3. Insider Letters. The Company shall not take any action or omit to take any action which would cause a breach of any of the Insider Letters executed between each of the Company's officers, directors and Initial Shareholders or the Subscription Agreement and will not allow any amendments to, or waivers of, such Insider Letters or the Subscription Agreement without the prior written consent of the Representative.

7.4. Memorandum and Articles of Association. The Company shall not take any action or omit to take any action that would cause the Company to be in material breach or violation of its Memorandum and Articles of Association. Except as provided in Section 3.28, prior to the consummation of a Business Combination, the Company will not amend its Memorandum and Articles of Association, without the prior written consent of the Representative.

7.4. Tender Offer Documents, Proxy Materials and Other Information. The Company shall provide counsel to the Representative with copies of all tender offer documents or proxy information and all related material filed with the Commission in connection with a Business Combination concurrently with such filing with the Commission. In addition, the Company shall furnish any other state in which the Offering was registered, such information as may be requested by such state.

7.5. Acquisition/Liquidation Procedure. The Company agrees that it will comply with Article 25 of its Memorandum of Association in connection with the consummation of a Business Combination or the failure to consummate a Business Combination within 12 months from the Effective Date (subject to extension to up to 18 months as described in the Prospectus).

7.6. Rule 419. The Company agrees that it will use its reasonable efforts to prevent the Company from becoming subject to Rule 419 under the Act prior to the consummation of any Business Combination, including, but not limited to, using its reasonable efforts to prevent any of the Company's outstanding securities from being deemed to be a "penny stock" as defined in Rule 3a-51-1 under the Exchange Act during such period.

7.7. Presentation of Potential Target Businesses. The Company shall cause each of the Initial Shareholders to agree that, in order to minimize potential conflicts of interest which may arise from multiple affiliations, the Initial Shareholders will present to the Company for its consideration, prior to presentation to any other person or company, any suitable opportunity to acquire an operating business, until the earlier of the consummation by the Company of a Business Combination or the liquidation of the Company, subject to any pre-existing fiduciary obligations the Initial Shareholders might have.

8. Representations and Agreements to Survive Delivery. Except as the context otherwise requires, all representations, warranties and agreements contained in this Agreement shall be deemed to be representations, warranties and agreements at the Closing Date or the Option Closing Date, if any, and such representations, warranties and agreements of the Underwriters and the Company, including the indemnity agreements contained in Section 5 hereof, shall remain operative and in full force and effect regardless of any investigation made by or on behalf of any Underwriter, the Company or any Controlling Person, and shall survive termination of this Agreement or the issuance and delivery of the Securities to the several Underwriters until the earlier of the expiration of any applicable statute of limitations and the seventh anniversary of the later of the Closing Date or the Option Closing Date, if any, at which time the representations, warranties and agreements shall terminate and be of no further force and effect.

#### 9. Effective Date of This Agreement and Termination Thereof.

9.1. Effective Date. This Agreement shall become effective on the Effective Date at the time the Registration Statement is declared effective by the Commission.

9.2. Termination. The Representative shall have the right to terminate this Agreement at any time prior to any Closing Date: (i) if any domestic or international event or act or occurrence has materially disrupted, or in the Representative's opinion will in the immediate future materially disrupt, general securities markets in the United States; or (ii) if trading on the New York Stock Exchange, the NYSE American or the Nasdaq Stock Market shall have been suspended, or minimum or maximum prices for trading shall have been fixed, or maximum ranges for prices for securities shall have been fixed, or maximum ranges for prices for securities shall have been required on the over the counter markets or by order of the Commission or any other government authority having jurisdiction; or (iii) if the United States shall have become involved in a war or an initiation or increase in major hostilities, or (iv) if a banking moratorium has been declared by a New York State or federal authority, or (v) if a moratorium on foreign exchange trading has been declared which materially adversely impacts the United States securities markets; or (vi) if the Company shall have sustained a material loss by fire, flood, accident, hurricane, earthquake, theft, sabotage or other calamity or malicious act which, whether or not such loss shall have been insured, will, in the Representative's opinion, make it inadvisable to proceed with the delivery of the Units; or (vii) if any of the Company's representations, warranties or covenants hereunder are breached; or (viii) if the Representative shall have become aware after the date hereof of such a material adverse change in the conditions or prospects of the Company, or such material adverse change in general market conditions, including, without limitation, as a result of terrorist activities after the date hereof, as in the Representative's judgment would make it impracticable to proceed with the offering, sale and/or delivery of the Units or to enforce contracts made by the Underwriters for the sale of the Units.

9.3. Expenses. In the event this Agreement shall not be carried out for any reason whatsoever, except as a result of the Representative's or any Underwriters' breach or default with respect to any of its material obligations pursuant to this Agreement, within the time specified herein or any extensions thereof pursuant to the terms herein, the obligations of the Company to pay the out-of-pocket expenses actually incurred by the Representative related to the transactions contemplated herein shall be governed by Section 3.12 hereof.

9.4. Indemnification. Notwithstanding any contrary provision contained in this Agreement, any election hereunder or any termination of this Agreement, and whether or not this Agreement is otherwise carried out, the provisions of Section 5 shall not be in any way affected by such election or termination or failure to carry out the terms of this Agreement or any part hereof.

  - (i) any statutory modification, amendment or re-enactment; and
  - (ii) any subordinate legislation or regulations issued under that statute.

Without limitation to the preceding sentence, a reference to a revised law of the Cayman Islands is taken to be a reference to the revision of that law in force from time to time as amended from time to time.

- (b) Headings are inserted for convenience only and do not affect the interpretation of these Articles, unless there is ambiguity.
- (c) If a day on which any act, matter or thing is to be done under these Articles is not a Business Day, the act, matter or thing must be done on the next Business Day.
- (d) A word which denotes the singular also denotes the plural, a word which denotes the plural also denotes the singular, and a reference to any gender also denotes the other genders.

- (e) A reference to a person includes, as appropriate, a company, trust, partnership, joint venture, association, body corporate or government agency.
- (f) Where a word or phrase is given a defined meaning another part of speech or grammatical form in respect to that word or phrase has a corresponding meaning.
- (g) All references to time are to be calculated by reference to time in the place where the Company's registered office is located.

#### **Exclusion of Table A Articles**

- 1.3. The regulations contained in Table A in the First Schedule of the Act and any other regulations contained in any statute or subordinate legislation are expressly excluded and do not apply to the Company.

## **2. Shares**

### **Power to issue Shares and options, with or without special rights**

- 2.1. Subject to the provisions of the Act and these Articles and, where applicable, the rules of the Designated Stock Exchange and/or any competent regulatory authority, and without prejudice to any rights attached to any existing Shares, the directors have general and unconditional authority to allot (with or without confirming rights of renunciation), issue, grant options over or otherwise deal with any unissued Shares of the Company to such persons, at such times and on such terms and conditions as they may decide, save that the directors may not allot, issue, grant options over or otherwise deal with any unissued Shares to the extent that it may affect the ability of the Company to carry out a Class B Share Conversion described at Article 36. No Share may be issued at a discount except in accordance with the provisions of the Act.
- 2.2. Without limitation to the preceding Article, the directors may so deal with the unissued Shares of the Company:
  - (a) either at a premium or at par;
  - (b) with or without preferred, deferred or other special rights or restrictions whether in regard to dividend, voting, return of capital or otherwise.

Notwithstanding the above, following an IPO and prior to a Business Combination, the Company may not issue additional Shares that would entitle the holders thereof to (i) receive funds from the Trust Account or (ii) vote on any Business Combination.

- 2.3. The Company may issue rights, options, warrants or convertible securities or securities of similar nature conferring the right upon the holders thereof to subscribe for, purchase or receive any class of Shares or other securities in the Company at such times and on such terms and conditions as the directors may decide.

- 2.4. The Company may issue units of securities in the Company, which may be comprised of Shares, rights, options, warrants or convertible securities or securities of similar nature conferring the right upon the holders thereof to subscribe for, purchase or receive any class of Shares or other securities in the Company, on such terms and conditions as the directors may decide. The securities comprising any such units which are issued pursuant to the IPO can only be traded separately from one another on the 52nd day following the date of the prospectus relating to the IPO unless the managing Underwriter determines that an earlier date is acceptable, subject to the Company having filed a current report on Form 8-K containing an audited balance sheet reflecting the Company's receipt of the gross proceeds of the IPO with the SEC and a press release announcing when such separate trading will begin. Prior to such date, the units can be traded, but the securities comprising such units cannot be traded separately from one another.
- 2.5. Each Share in the Company confers upon the Member:
- (a) subject to Article 34, the right to one vote at a meeting of the Members of the Company or on any resolution of Members;
  - (b) the right to be redeemed on an Automatic Redemption Event in accordance with Article 37.2 or pursuant to either a Tender Redemption Offer or Redemption Offer in accordance with Article 37.5 or pursuant to an Amendment Redemption Event in accordance with Article 37.11;
  - (c) a pro rata right in any dividend paid by the Company; and
  - (d) subject to satisfaction of and compliance with Article 37, a pro rata right in the distribution of the surplus assets of the Company on its liquidation provided that in the event that the Company enters liquidation prior to or without having consummated a Business Combination then, in such circumstances, in the event any surplus assets (Residual Assets) of the Company remain following the Company having complied with its applicable obligations to redeem Public Shares and distribute the funds held in the Trust Account in respect of such redemptions pursuant to Article 37, the Public Shares shall not have any right to receive any share of those Residual Assets which are held outside the Trust Account and such Residual Assets shall be distributed (on a pro rata basis) only in respect of those Shares that are not Public Shares.

#### **Power to issue fractions of a Share**

- 2.6. Subject to the Act, the Company may, but shall not otherwise be obliged to, issue fractions of a Share of any class or round up or down fractional holdings of Shares to its nearest whole number. A fraction of a Share shall be subject to and carry the corresponding fraction of liabilities (whether with respect to calls or otherwise), limitations, preferences, privileges, qualifications, restrictions, rights and other attributes of a Share of that class of Shares.

---

**Power to pay commissions and brokerage fees**

- 2.7. The Company may, in so far as the Act permits, pay a commission to any person in consideration of that person:
- (a) subscribing or agreeing to subscribe, whether absolutely or conditionally; or
  - (b) procuring or agreeing to procure subscriptions, whether absolute or conditional

for any Shares in the Company. That commission may be satisfied by the payment of cash or the allotment of Fully Paid or partly-paid Shares or partly in one way and partly in another.

- 2.8. The Company may employ a broker in the issue of its capital and pay him any proper commission or brokerage.

**Trusts not recognised**

- 2.9. Except as required by Applicable Law:
- (a) the Company shall not be bound by or compelled to recognise in any way (even when notified) any equitable, contingent, future or partial interest in any Share, or (except only as is otherwise provided by the Articles) any other rights in respect of any Share other than an absolute right to the entirety thereof in the holder; and
  - (b) no person other than the Member shall be recognised by the Company as having any right in a Share.

**Power to vary class rights**

- 2.10. If the share capital is divided into different classes of Shares then, unless the terms on which a class of Shares was issued state otherwise, the rights attaching to a class of Shares may only be varied if one of the following applies:
- (a) the Members holding two thirds of the issued Shares of that class consent in writing to the variation; or
  - (b) the variation is made with the sanction of a Special Resolution passed at a separate general meeting of the Members holding the issued Shares of that class.
- 2.11. For the purpose of paragraph (b) of the preceding Article, all the provisions of these Articles relating to general meetings apply, mutatis mutandis, to every such separate meeting except that:
- (a) the necessary quorum shall be one or more persons holding, or representing by proxy, not less than one third of the issued Shares of the class; and
  - (b) any Member holding issued Shares of the class, present in person or by proxy or, in the case of a corporate Member, by its duly authorised representative, may demand a poll.

- 2.12. Notwithstanding Article 2.10, unless the proposed variation is for the purposes of approving, or in conjunction with, the consummation of a Business Combination, prior to a Business Combination but subject always to the limitations set out in Article 34 in respect of amendments to the Memorandum and Articles, the rights attached to the Shares as specified in Article 2.5 may only, whether or not the Company is being wound up, be varied by a Special Resolution, and any such variation that has to be approved under this Article shall also be subject to compliance with Article 37.11.

**Effect of new Share issue on existing class rights**

- 2.13. Unless the terms on which a class of Shares was issued state otherwise, the rights conferred on the Member holding Shares of any class shall not be deemed to be varied by the creation or issue of further Shares ranking *pari passu* with the existing Shares of that class.

**Capital contributions without issue of further Shares**

- 2.14. With the consent of a Member, the directors may accept a voluntary contribution to the capital of the Company from that Member without issuing Shares in consideration for that contribution. In that event, the contribution shall be dealt with in the following manner:
- (a) It shall be treated as if it were a share premium.
  - (b) Unless the Member agrees otherwise:
    - (i) if the Member holds Shares in a single class of Shares—it shall be credited to the share premium account for that class of Shares;
    - (ii) if the Member holds Shares of more than one class—it shall be credited rateably to the share premium accounts for those classes of Shares (in the proportion that the sum of the issue prices for each class of Shares that the Member holds bears to the total issue prices for all classes of Shares that the Member holds).
  - (c) It shall be subject to the provisions of the Act and these Articles applicable to share premiums.

**No bearer Shares or warrants**

- 2.15. The Company shall not issue Shares or warrants to bearers.

## **Treasury Shares**

- 2.16. Shares that the Company purchases, redeems or acquires by way of surrender in accordance with the Act shall be held as Treasury Shares and not treated as cancelled if:
- (a) the directors so determine prior to the purchase, redemption or surrender of those shares; and
  - (b) the relevant provisions of the Memorandum and Articles and the Act are otherwise complied with.

## **Rights attaching to Treasury Shares and related matters**

- 2.17. No dividend may be declared or paid, and no other distribution (whether in cash or otherwise) of the Company's assets (including any distribution of assets to members on a winding up) may be made to the Company in respect of a Treasury Share.
- 2.18. The Company shall be entered in the Register as the holder of the Treasury Shares. However:
- (a) the Company shall not be treated as a member for any purpose and shall not exercise any right in respect of the Treasury Shares, and any purported exercise of such a right shall be void;
  - (b) a Treasury Share shall not be voted, directly or indirectly, at any meeting of the Company and shall not be counted in determining the total number of issued shares at any given time, whether for the purposes of these Articles or the Act.
- 2.19. Nothing in the preceding Article prevents an allotment of Shares as fully paid bonus shares in respect of a Treasury Share and Shares allotted as fully paid bonus shares in respect of a Treasury Share shall be treated as Treasury Shares.
- 2.20. Treasury Shares may be disposed of by the Company in accordance with the Act and otherwise on such terms and conditions as the directors determine.

## **3. Register of Members**

- 3.1. The Company shall maintain or cause to be maintained the Register of Members in accordance with the Act.
- 3.2. The directors may determine that the Company shall maintain one or more branch registers of Members in accordance with the Act. The directors may also determine which Register of Members shall constitute the principal register and which shall constitute the branch register or registers, and to vary such determination from time to time.
- 3.3. The title to Public Shares may be evidenced and transferred in accordance with the laws applicable to the rules and regulations of the Designated Stock Exchange and, for these purposes, the Register of Members may be maintained in accordance with Article 40B of the Act.

#### **4. Share certificates**

##### **Issue of share certificates**

- 4.1. A Member shall only be entitled to a share certificate if the directors resolve that share certificates shall be issued. Share certificates representing Shares, if any, shall be in such form as the directors may determine. If the directors resolve that share certificates shall be issued, upon being entered in the register of Members as the holder of a Share, the directors may issue to any Member:
  - (a) without payment, to one certificate for all the Shares of each class held by that Member (and, upon transferring a part of the Member's holding of Shares of any class, to a certificate for the balance of that holding); and
  - (b) upon payment of such reasonable sum as the directors may determine for every certificate after the first, to several certificates each for one or more of that Member's Shares.
- 4.2. Every certificate shall specify the number, class and distinguishing numbers (if any) of the Shares to which it relates and whether they are Fully Paid or partly paid up. A certificate may be executed under seal or executed in such other manner as the directors determine.
- 4.3. Every certificate shall bear legends required under the Applicable Laws.
- 4.4. The Company shall not be bound to issue more than one certificate for Shares held jointly by several persons and delivery of a certificate for a Share to one joint holder shall be a sufficient delivery to all of them.

##### **Renewal of lost or damaged share certificates**

- 4.5. If a share certificate is defaced, worn-out, lost or destroyed, it may be renewed on such terms (if any) as to:
  - (a) evidence;

### **Nature and scope of lien**

- 5.1. The Company has a first and paramount lien on all Shares (whether Fully Paid or not) registered in the name of a Member (whether solely or jointly with others). The lien is for all moneys payable to the Company by the Member or the Member's estate:
- (a) either alone or jointly with any other person, whether or not that other person is a Member; and
  - (b) whether or not those moneys are presently payable.
- 5.2. At any time the directors may declare any Share to be wholly or partly exempt from the provisions of this Article.

### **Company may sell Shares to satisfy lien**

- 5.3. The Company may sell any Shares over which it has a lien if all of the following conditions are met:
- (a) the sum in respect of which the lien exists is presently payable;
  - (b) the Company gives notice to the Member holding the Share (or to the person entitled to it in consequence of the death or bankruptcy of that Member) demanding payment and stating that if the notice is not complied with the Shares may be sold; and
- (c) that sum is not paid within 14 Clear Days after that notice is deemed to be given under these Articles.
- 5.4. The Shares may be sold in such manner as the directors determine.

### **Authority to execute instrument of transfer**

That person shall also be liable to pay interest on those monies from the date of sale until payment at the rate at which interest was payable before that sale or, failing that, at the Default Rate. The directors may waive payment wholly or in part or enforce payment without any allowance for the value of the Shares at the time of sale or for any consideration received on their disposal.

#### **Application of proceeds of sale**

- 5.8. The net proceeds of the sale, after payment of the costs, shall be applied in payment of so much of the sum for which the lien exists as is presently payable. Any residue shall be paid to the person whose Shares have been sold:
- (a) if no certificate for the Shares was issued, at the date of the sale; or
  - (b) if a certificate for the Shares was issued, upon surrender to the Company of that certificate for cancellation

  - (b) the person is given at least five Clear Days' notice of the hearing.

**Validity despite accidental error in publication on website**

- 22.6. If, for the purpose of a meeting, documents are sent by being published on a website in accordance with the preceding Articles, the proceedings at that meeting are not invalidated merely because:

- 22.10. The remuneration of the Auditor shall be fixed by the Audit Committee (if one exists).
- 22.11. If the office of Auditor becomes vacant by resignation or death of the Auditor, or by his becoming incapable of acting by reason of illness or other disability at a time when his services are required, the directors shall fill the vacancy and determine the remuneration of such Auditor.
- 22.12. Every Auditor of the Company shall have a right of access at all times to the books and accounts and vouchers of the Company and shall be entitled to require from the directors and officers of the Company such information and explanation as may be necessary for the performance of the duties of the Auditor.
- 22.13. Auditors shall, if so required by the directors, make a report on the accounts of the Company during their tenure of office at the next annual general meeting following their appointment in the case of a company which is registered with the Registrar of Companies as an ordinary company, and at the next extraordinary general meeting following their appointment in the case of a company which is registered with the Registrar of Companies as an exempted company, and at any other time during their term of office, upon request of the directors or any general meeting of the Members.

### **23. Financial year**

Unless the directors otherwise specify, the financial year of the Company:

- (a) shall end on 31 December in the year of its incorporation and each following year; and
- (b) shall begin when it was incorporated and on 1 January each following year.

### **24. Record dates**

Except to the extent of any conflicting rights attached to Shares, the directors may fix any time and date as the record date for:

- (a) calling a general meeting;
- (b) declaring or paying a dividend;
- (c) making or issuing an allotment of Shares; or
- (d) conducting any other business required pursuant to these Articles.

The record date may be before or after the date on which a dividend, allotment or issue is declared, paid or made.

### **25. Dividends**

#### **Declaration of dividends by Members**

- 25.1. Subject to the provisions of the Act, the Company may by Ordinary Resolution declare dividends in accordance with the respective rights of the Members but no dividend shall exceed the amount recommended by the directors.

#### **Payment of interim dividends and declaration of final dividends by directors**

- 25.2. The directors may pay interim dividends or declare final dividends in accordance with the respective rights of the Members if it appears to them that they are justified by the financial position of the Company and that such dividends may lawfully be paid.
- 25.3. Subject to the provisions of the Act, in relation to the distinction between interim dividends and final dividends, the following applies:
  - (a) Upon determination to pay a dividend or dividends described as interim by the directors in the dividend resolution, no debt shall be created by the declaration until such time as payment is made.
  - (b) Upon declaration of a dividend or dividends described as final by the directors in the dividend resolution, a debt shall be created immediately following the declaration, the due date to be the date the dividend is stated to be payable in the resolution.

If the resolution fails to specify whether a dividend is final or interim, it shall be assumed to be interim.

- 25.4. In relation to Shares carrying differing rights to dividends or rights to dividends at a fixed rate, the following applies:
- (a) If the share capital is divided into different classes, the directors may pay dividends on Shares which confer deferred or non-preferred rights with regard to dividends as well as on Shares which confer preferential rights with regard to dividends but no dividend shall be paid on Shares carrying deferred or non-preferred rights if, at the time of payment, any preferential dividend is in arrears.
  - (b) The directors may also pay, at intervals settled by them, any dividend payable at a fixed rate if it appears to them that there are sufficient funds of the Company lawfully available for distribution to justify the payment.
  - (c) If the directors act in good faith, they shall not incur any liability to the Members holding Shares conferring preferred rights for any loss those Members may suffer by the lawful payment of the dividend on any Shares having deferred or non-preferred rights.

#### **Apportionment of dividends**

- 25.5. Except as otherwise provided by the rights attached to Shares, all dividends shall be declared and paid according to the amounts paid up on the Shares on which the dividend is paid. All dividends shall be apportioned and paid proportionately to the amount paid up on the Shares during the time or part of the time in respect of which the dividend is paid. If a Share is issued on terms providing that it shall rank for dividend as from a particular date, that Share shall rank for dividend accordingly.

#### **Right of set off**

- 25.6. The directors may deduct from a dividend or any other amount payable to a person in respect of a Share any amount due by that person to the Company on a call or otherwise in relation to a Share.

#### **Power to pay other than in cash**

- 25.7. If the directors so determine, any resolution declaring a dividend may direct that it shall be satisfied wholly or partly by the distribution of assets. If a difficulty arises in relation to the distribution, the directors may settle that difficulty in any way they consider appropriate. For example, they may do any one or more of the following:
- (a) issue fractional Shares;
  - (b) fix the value of assets for distribution and make cash payments to some Members on the footing of the value so fixed in order to adjust the rights of Members; and
  - (c) vest some assets in trustees.

### **How payments may be made**

- 25.8. A dividend or other monies payable on or in respect of a Share may be paid in any of the following ways:
- (a) if the Member holding that Share or other person entitled to that Share nominates a bank account for that purpose—by wire transfer to that bank account; or
  - (b) by cheque or warrant sent by post to the registered address of the Member holding that Share or other person entitled to that Share.
- 25.9. For the purpose of paragraph (a) of the preceding Article, the nomination may be in writing or in an Electronic Record and the bank account nominated may be the bank account of another person. For the purpose of paragraph (b) of the preceding Article, subject to any applicable law or regulation, the cheque or warrant shall be made to the order of the Member holding that Share or other person entitled to the Share or to his nominee, whether nominated in writing or in an Electronic Record, and payment of the cheque or warrant shall be a good discharge to the Company.
- 25.10. If two or more persons are registered as the holders of the Share or are jointly entitled to it by reason of the death or bankruptcy of the registered holder (Joint Holders), a dividend (or other amount) payable on or in respect of that Share may be paid as follows:
- (a) to the registered address of the Joint Holder of the Share who is named first on the Register of Members or to the registered address of the deceased or bankrupt holder, as the case may be; or
  - (b) to the address or bank account of another person nominated by the Joint Holders, whether that nomination is in writing or in an Electronic Record.
- 25.11. Any Joint Holder of a Share may give a valid receipt for a dividend (or other amount) payable in respect of that Share.

### **Dividends or other moneys not to bear interest in absence of special rights**

- 25.12. Unless provided for by the rights attached to a Share, no dividend or other monies payable by the Company in respect of a Share shall bear interest.

### **Dividends unable to be paid or unclaimed**

- 25.13. If a dividend cannot be paid to a Member or remains unclaimed within six weeks after it was declared or both, the directors may pay it into a separate account in the Company's name. If a dividend is paid into a separate account, the Company shall not be constituted trustee in respect of that account and the dividend shall remain a debt due to the Member.

- 25.14. A dividend that remains unclaimed for a period of six years after it became due for payment shall be forfeited to, and shall cease to remain owing by, the Company.

## **26. Capitalisation of profits**

### **Capitalisation of profits or of any share premium account or capital redemption reserve**

- 26.1. The directors may resolve to capitalise:
- (a) any part of the Company's profits not required for paying any preferential dividend (whether or not those profits are available for distribution); or
  - (b) any sum standing to the credit of the Company's share premium account or capital redemption reserve, if any.
- 26.2. The amount resolved to be capitalised must be appropriated to the Members who would have been entitled to it had it been distributed by way of dividend and in the same proportions. The benefit to each Member so entitled must be given in either or both of the following ways:
- (a) by paying up the amounts unpaid on that Member's Shares;
  - (b) by issuing Fully Paid Shares, debentures or other securities of the Company to that Member or as that Member directs. The directors may resolve that any Shares issued to the Member in respect of partly paid Shares (Original Shares) rank for dividend only to the extent that the Original Shares rank for dividend while those Original Shares remain partly paid.

### **Applying an amount for the benefit of members**

- 26.3. The amount capitalised must be applied to the benefit of Members in the proportions to which the Members would have been entitled to dividends if the amount capitalised had been distributed as a dividend.
- 26.4. Subject to the Act, if a fraction of a Share, a debenture, or other security is allocated to a Member, the directors may issue a fractional certificate to that Member or pay him the cash equivalent of the fraction.

## **27. Share premium account**

### **Directors to maintain share premium account**

- 27.1. The directors shall establish a share premium account in accordance with the Act. They shall carry to the credit of that account from time to time an amount equal to the amount or value of the premium paid on the issue of any Share or capital contributed or such other amounts required by the Act.

---

**Debits to share premium account**

- 27.2. The following amounts shall be debited to any share premium account:
- (a) on the redemption or purchase of a Share, the difference between the nominal value of that Share and the redemption or purchase price; and
  - (b) any other amount paid out of a share premium account as permitted by the Act.
- 27.3. Notwithstanding the preceding Article, on the redemption or purchase of a Share, the directors may pay the difference between the nominal value of that Share and the redemption purchase price out of the profits of the Company or, as permitted by the Act, out of capital.

## **Validity of execution**

- 28.6. If a document is duly executed and delivered by or on behalf of the Company, it shall not be regarded as invalid merely because, at the date of the delivery, the Secretary, or the director, or other Officer or person who signed the document or affixed the seal for and on behalf of the Company ceased to be the Secretary or hold that office and authority on behalf of the Company.

## **29. Indemnity**

### **Indemnity**

Save and except for the conversion rights referred to in this Article 36 and as otherwise set out in these Articles, subject to Article 2.10, the rights attaching to all Shares shall rank *pari passu* in all respects, and the Class A Shares and Class B Shares shall vote together as a single class on all matters.
- 36.2. Class B Shares shall automatically convert into Class A Shares in such a ratio so as to give effect to the Class B Share Entitlement (the Conversion Ratio): (a) at any time and from time to time at the option of the holders thereof; and (b) automatically concurrently with or immediately following the closing of a Business Combination.
- 36.3. In order to give effect to the Conversion Ratio, in the case that additional Class A Shares or any other Equity-linked Securities, are issued, or deemed issued, by the Company in excess of the amounts offered in the IPO and related to the closing of a Business Combination, all Class B Shares in issue shall automatically convert into Class A Shares at the time of the closing of a Business Combination at the Conversion Ratio (unless the holders of a majority of the Class B Shares in issue agree to waive such anti-dilution adjustment with respect to any such issuance or deemed issuance) so that the number of Class A Shares issuable upon conversion of all Class B Shares will equal, on an as-converted basis, in the aggregate, 20 per cent of the sum of all Class A Shares and Class B Shares in issue upon completion of the IPO plus all Class A Shares and Equity-linked Securities issued or deemed issued in connection with a Business Combination, excluding any Shares or Equity-linked Securities issued, or to be issued, to any seller in a Business Combination and any private placement units issued to the Sponsor or its Affiliates upon conversion of working capital loans made to the Company.

- 36.4. Notwithstanding anything to the contrary contained herein, the Conversion Ratio may be waived as to any particular issuance or deemed issuance of additional Class A Shares or Equity-linked Securities by the written consent or agreement of holders of a majority of the Class B Shares then in issue consenting or agreeing separately as a separate class in the manner provided in Article 2.10 hereof.
- 36.5. The Conversion Ratio shall also take into account any subdivision (by share split, subdivision, exchange, capitalisation, rights issue, reclassification, recapitalisation or otherwise) or combination (by reverse share split, share consolidation, exchange, reclassification, recapitalisation or otherwise) or similar reclassification or recapitalisation of the Class A Shares in issue into a greater or lesser number of shares occurring after the original filing of the Articles without a proportionate and corresponding subdivision, combination or similar reclassification or recapitalisation of the Class B Shares in issue.
- 36.6. Each Class B Share shall convert into its pro rata number of Class A Shares pursuant to this Article. The pro rata share for each holder of Class B Shares will be determined as follows: each Class B Share shall convert into such number of Class A Shares as is equal to the product of 1 multiplied by a fraction, the numerator of which shall be the total number of Class A Shares into which all of the Class B Shares in issue shall be converted pursuant to this Article and the denominator of which shall be the total number of Class B Shares in issue at the time of conversion.
- 36.7. References in this Article to “converted”, “conversion” or “exchange” shall mean the compulsory redemption without notice of Class B Shares of any Member and, on behalf of such Members, automatic application of such redemption proceeds in paying for such new Class A Shares into which the Class B Shares have been converted or exchanged at a price per Class B Share necessary to give effect to a conversion or exchange calculated on the basis that the Class A Shares to be issued as part of the conversion or exchange will be issued at par. The Class A Shares to be issued on an exchange or conversion shall be registered in the name of such Member or in such name as the Member may direct.
- 36.8. Notwithstanding anything to the contrary in this Article, in no event may any Class B Share convert into Class A Shares at a ratio that is less than the Conversion Ratio.

- 37.1. Articles 37.1 to 37.11 shall terminate upon consummation of any Business Combination.

- 37.2. The Company has until 12 months from the closing of the IPO to consummate a Business Combination, provided however that if the board of directors anticipates that the Company may not be able to consummate a Business Combination within 12 months of the closing of the IPO, the Company may, by resolution of directors if requested by the Sponsor, extend the period of time to consummate a Business Combination up to two times, each by an additional three months (for a total of up to 18 months to complete a Business Combination), subject to the Sponsor depositing additional funds into the Trust Account in accordance with terms as set out in the trust agreement governing the Trust Account and referred to in the Registration Statement. In the event that the Company does not consummate a Business Combination within 12 months from the closing of the IPO or within up to 18 months from the closing of the IPO (subject in the latter case to valid 3 month extensions having been made in each case (such date falling 12 months or up to 18 months, as applicable, after the closing of the IPO being referred to as the Termination Date)), such failure shall trigger an automatic redemption of the Public Shares (an Automatic Redemption Event) and the directors of the Company shall take all such action necessary to (i) cease all operations except for the purpose of winding up (ii) as promptly as reasonably possible but no more than ten (10) Business Days thereafter to redeem the Public Shares to the holders of Public Shares, on a pro rata basis, in cash at a per-share amount equal to the applicable Per-Share Redemption Price; and (iii) as promptly as reasonably possible following such Automatic Redemption Event, subject to the approval of our remaining Members and our directors, liquidate and dissolve the Company, subject to the Company's obligations under the Act to provide for claims of creditors and the requirements of other applicable law. In the event of an Automatic Redemption Event, only the holders of Public Shares shall be entitled to receive pro rata redeeming distributions from the Trust Account with respect to their Public Shares.
- 37.3. Unless a shareholder vote is required by law or the rules of the Designated Stock Exchange, or, at the sole discretion of the directors, the directors determine to hold a shareholder vote for business or other reasons, the Company may enter into a Business Combination without submitting such Business Combination to its Members for approval.
- 37.4. Although not required, in the event that a shareholder vote is held, and a majority of the votes of the Shares entitled to vote thereon which were present at the meeting to approve the Business Combination are voted for the approval of such Business Combination, the Company shall be authorised to consummate the Business Combination.

- (a) In the event that a Business Combination is consummated by the Company other than in connection with a shareholder vote under Article 37.4, the Company will, subject to as provided below, offer to redeem the Public Shares for cash in accordance with Rule 13e-4 and Regulation 14E of the Exchange Act and subject to any limitations (including but not limited to cash requirements) set forth in the definitive transaction agreements related to the initial Business Combination (the Tender Redemption Offer), provided however that the Company shall not redeem those Shares held by the Initial Shareholders or their affiliates or the directors or officers of the Company pursuant to such Tender Redemption Offer, whether or not such holders accept such Tender Redemption Offer. The Company will file tender offer documents with the SEC prior to consummating the Business Combination which contain substantially the same financial and other information about the Business Combination and the redemption rights as would be required in a proxy solicitation pursuant to Regulation 14A of the Exchange Act. In accordance with the Exchange Act, the Tender Redemption Offer will remain open for a minimum of 20 Business Days and the Company will not be permitted to consummate its Business Combination until the expiry of such period. If in the event a Member holding Public Shares accepts the Tender Redemption Offer and the Company has not otherwise withdrawn the tender offer, the Company shall, promptly after the consummation of the Business Combination, pay such redeeming Member, on a pro rata basis, cash equal to the applicable Per-Share Redemption Price.
- (b) In the event that a Business Combination is consummated by the Company in connection with a shareholder vote held pursuant to Article 37.4 in accordance with a proxy solicitation pursuant to Regulation 14A of the Exchange Act (the Redemption Offer), the Company will, subject as provided below, offer to redeem the Public Shares, other than those Shares held by the Initial Shareholders or their affiliates or the directors or officers of the Company, regardless of whether such shares are voted for or against the Business Combination, for cash, on a pro rata basis, at a per-share amount equal to the applicable Per-Share Redemption Price, provided however that: (i) the Company shall not redeem those Shares held by the Initial Shareholders or their affiliates or the directors or officers of the Company pursuant to such Redemption Offer, whether or not such holders accept such Redemption Offer; and (ii) any other redeeming Member who either individually or together with any affiliate of his or any other person with whom he is acting in concert or as a “group” (as such term is defined under Section 13 of the Exchange Act) shall not be permitted to redeem, without the consent of the directors, more than fifteen percent (15%) of the total Public Shares sold in the IPO.
- (c) In no event will the Company consummate the Tender Redemption Offer or the Redemption Offer under Article 37.5(a) or 37.5(b) or an Amendment Redemption Event under Article 37.11 if such redemptions would cause the Company to have net tangible assets of less than US\$5,000,001 or any greater net tangible asset or cash requirement which may be contained in the agreement relating to the Business Combination.

37.6. A holder of Public Shares shall be entitled to receive distributions from the Trust Account only in the event of an Automatic Redemption Event, an Amendment Redemption Event or in the event he accepts a Tender Redemption Offer or a Redemption Offer where the Business Combination is consummated. In no other circumstances shall a holder of Public Shares have any right or interest of any kind in or to the Trust Account.

37.7. Prior to a Business Combination, the Company will not issue any securities (other than Public Shares) that would entitle the holder thereof to (i) receive funds from the Trust Account; or (ii) vote on any Business Combination.

- 37.8. In the event the Company enters into a Business Combination with a company that is affiliated with the Sponsor or any of the directors or officers of the Company, the Company will obtain an opinion from an independent investment banking firm or independent accounting firm that such a Business Combination is fair to the holders of the Public Shares from a financial point of view.
- 37.9. The Company will not effectuate a Business Combination with another “blank cheque” company or a similar company with nominal operations.
- 37.10. Immediately after the Company’s IPO, that amount of the proceeds received by the Company in or in connection with the IPO (including proceeds of any exercise of the underwriter’s over-allotment option and any proceeds from the simultaneous private placement of like units comprising like securities to those included in the IPO by the Company) as is described in the Company’s registration statement on Form S-1 filed with the SEC (the Registration Statement) at the time it goes effective as shall be deposited in the Trust Account shall be so deposited and thereafter held in the Trust Account until released in the event of a Business Combination or otherwise in accordance with this Article 37. Neither the Company nor any officer, director or employee of the Company will disburse any of the proceeds held in the Trust Account until the earlier of (i) a Business Combination, or (ii) an Automatic Redemption Event or in payment of the acquisition price for any shares which the Company elects to purchase, redeem or otherwise acquire in accordance with this Article 37, in each case in accordance with the trust agreement governing the Trust Account; provided that interest earned on the Trust Account (as described in the Registration Statement) may be released from time to time to the Company to pay the Company’s tax obligations.
- 37.11. In the event the directors of the Company propose any amendment to Article 37 or to any of the other rights of the Shares as set out at Article 2.5 prior to, but not for the purposes of approving or in conjunction with the consummation of, a Business Combination that would affect the substance or timing of the Company’s obligations as described in this Article 37 to pay or to offer to pay the Per-Share Redemption Price to any holder of the Public Shares (an Amendment) and such Amendment is duly approved by a Special Resolution of the Members (an Approved Amendment), the Company will offer to redeem the Public Shares of any Member for cash, on a pro rata basis, at a per-share amount equal to the applicable Per-Share Redemption Price (an Amendment Redemption Event), provided however that the Company shall not redeem those Shares held by the Initial Shareholders or their affiliates or the directors or officers of the Company pursuant to such offer, whether or not such holders accept such offer.
- 37.12. Notwithstanding any of the other provisions of this Article 37, the Company shall not[, unless otherwise authorized by a Special Resolution,] undertake its initial Business Combination with any entity that conducts a majority of its business or is headquartered in The People’s Republic of China (including Hong Kong and Macau).

### **38. Certain Tax Filings**

38.1. Each Tax Filing Authorised Person and any such other person, acting alone, as any director shall designate from time to time, are authorised to file tax forms SS-4, W-8 BEN, W-8 IMY, W-9, 8832 and 2553 and such other similar tax forms as are customary to file with any US state or federal governmental authorities or foreign governmental authorities in connection with the formation, activities and/or elections of the Company and such other tax forms as may be approved from time to time by any director or officer of the Company. The Company further ratifies and approves any such filing made by any Tax Filing Authorised Person or such other person prior to the date of the Articles.

### **39. Business Opportunities**

39.1. In recognition and anticipation of the facts that: (a) directors and Officers of the Company may serve as directors and/or officers of other entities which engage in the same or similar activities or related lines of business as those in which the Company engages; (b) directors, managers, officers, members, partners, managing members, employees and/or agents of one or more members of the Sponsor Group (each of the foregoing, a Sponsor Group Related Person) may serve as directors and/or officers of the Company; and (c) the Sponsor Group engages, and may continue to engage in the same or similar activities or related lines of business as those in which the Company, directly or indirectly, may engage and/or other business activities that overlap with or compete with those in which the Company, directly or indirectly, may engage, the provisions under this heading "Business Opportunities" are set forth to regulate and define the conduct of certain affairs of the Company as they may involve the Sponsor Group and the Sponsor Group Related Persons, and the powers, rights, duties and liabilities of the Company and its directors, Officers and Members in connection therewith.

39.2. To the fullest extent permitted by Applicable Law, the directors and Officers of the Company, the Sponsor Group and the Sponsor Group Related Persons (each of the foregoing, a Relevant Person) shall have no duty, except and to the extent expressly assumed by contract, to refrain from engaging directly or indirectly in the same or similar business activities or lines of business as the Company. To the fullest extent permitted by Applicable Law, the Company renounces any interest or expectancy of the Company in, or in being offered an opportunity to participate in, any potential transaction or matter which may be a corporate opportunity for either a Relevant Person, on the one hand, and the Company, on the other unless such opportunity is expressly offered to such Relevant Person solely in their capacity as a director or Officer of the Company, the opportunity is one the Company is legally and contractually permitted to undertake and would otherwise be reasonable for the Company to pursue and to the extent such Relevant Person is permitted to refer that opportunity to us without violating another legal obligation. Except to the extent expressly assumed by contract, to the fullest extent permitted by Applicable Law, a Relevant Person shall have no duty to communicate or offer any such corporate opportunity to the Company and shall not be liable to the Company or its Members for breach of any fiduciary duty as a Member, director and/or Officer of the Company solely by reason of the fact that such Relevant Person pursues or acquires such corporate opportunity for itself, himself or herself, directs such corporate opportunity to another person, or does not communicate information regarding such corporate opportunity to the Company, unless such opportunity is expressly offered to such Relevant Person solely in their capacity as a director or Officer of the Company and the opportunity is one the Company is permitted to complete on a reasonable basis.

- 39.3. Except as provided elsewhere in the Articles, the Company hereby renounces any interest or expectancy of the Company in, or in being offered an opportunity to participate in, any potential transaction or matter which may be a corporate opportunity for both the Company and a Relevant Person, about which a director and/or officer of the Company who is also a Relevant Person acquires knowledge.
- 39.4. To the extent a court might hold that the conduct of any activity related to a corporate opportunity that is renounced in this Article to be a breach of duty to the Company or its Members, the Company hereby waives, to the fullest extent permitted by Applicable Law, any and all claims and causes of action that the Company may have for such activities. To the fullest extent permitted by Applicable Law, the provisions of this Article apply equally to activities conducted in the future and that have been conducted in the past.

#### **40. Exclusive Jurisdiction and Forum**

- 40.1. Unless the Company consents in writing to the selection of an alternative forum, the courts of the Cayman Islands shall have exclusive jurisdiction over any claim or dispute arising out of or in connection with the Memorandum, the Articles or otherwise related in any way to each Member's shareholding in the Company, including but not limited to:
- (a) any derivative action or proceeding brought on behalf of the Company;
  - (b) any action asserting a claim of breach of any fiduciary or other duty owed by any current or former director, Officer or other employee of the Company to the Company or the Members;
  - (c) any action asserting a claim arising pursuant to any provision of the Act, the Memorandum or the Articles; or
  - (d) any action asserting a claim against the Company governed by the "Internal Affairs Doctrine" (as such concept is recognised under the laws of the United States of America).
  - (e) Each Member irrevocably submits to the exclusive jurisdiction of the courts of the Cayman Islands over all such claims or disputes.

- 
- 40.2. Without prejudice to any other rights or remedies that the Company may have, each Member acknowledges that damages alone would not be an adequate remedy for any breach of the selection of the courts of the Cayman Islands as exclusive forum and that accordingly the Company shall be entitled, without proof of special damages, to the remedies of injunction, specific performance or other equitable relief for any threatened or actual breach of the selection of the courts of the Cayman Islands as exclusive forum.
- 40.3. This Article 40 shall not apply to any action or suits brought to enforce any liability or duty created by the U.S. Securities Act of 1933, as amended, the Securities Exchange Act of 1934, as amended, or any claim for which the federal district courts of the United States of America are, as a matter of the laws of the United States, the sole and exclusive forum for determination of such a claim.

## WARRANT AGREEMENT

between

AURORA TECHNOLOGY ACQUISITION CORP.

and

CONTINENTAL STOCK TRANSFER &amp; TRUST COMPANY

THIS WARRANT AGREEMENT (this “Agreement”), dated as of February 7, 2022 is by and between Aurora Technology Acquisition Corp., a Cayman Islands exempted company (the “Company”), and Continental Stock Transfer & Trust Company, a New York corporation, as warrant agent (the “Warrant Agent”, also referred to herein as the “Transfer Agent”).

WHEREAS, the Company is engaged in an initial public offering (the “**Offering**”) of units of the Company’s equity securities, each such unit (the “**Units**”) comprised of one Class A ordinary share, one right to receive one-tenth (1/10) of a Class A ordinary share upon the consummation of an initial business combination and one public warrant, where each whole warrant entitles the holder to purchase one-half (1/2) of one (1) Class A ordinary share at a price of \$11.50 per full Class A ordinary share and, in connection therewith, has determined to issue and deliver up to 23,000,000 warrants (including up to 3,000,000 warrants subject to the Over-allotment Option) to public investors in the Offering (the “**Public Warrants**”); and

WHEREAS, the Company has filed with the Securities and Exchange Commission (the “**Commission**”) a registration statement on Form S-1, No. 333-261753 (the “**Registration Statement**”) and prospectus (the “**Prospectus**”), for the registration, under the Securities Act of 1933, as amended (the “**Securities Act**”), of the Units, the Public Warrants and the Class A ordinary shares included in the Units; and

WHEREAS, on February 7, 2022 the Company entered into that certain Private Placement Warrants Purchase Agreement with ATAC Sponsor LLC, a Delaware limited liability company (the “**Sponsor**”), pursuant to which the Sponsor will purchase an aggregate of 6,425,000 redeemable warrants (or up to 7,100,000 warrants if the Over-allotment Option (as defined below) in connection with the Company’s Offering (as defined below) is exercised in full) simultaneously with the closing of the Offering bearing the legend set forth in Exhibit B hereto (the “**Private Placement Warrants**”) and, together with the Public Warrants, the “**Warrants**”) at a purchase price of \$1.00 per Private Placement Warrant; and

WHEREAS, the Company desires the Warrant Agent to act on behalf of the Company, and the Warrant Agent is willing to so act, in connection with the issuance, registration, transfer, exchange, redemption and exercise of the Warrants; and

WHEREAS, the Company desires to provide for the form and provisions of the Warrants, the terms upon which they shall be issued and exercised, and the respective rights, limitation of rights, and immunities of the Company, the Warrant Agent, and the holders of the Warrants; and

WHEREAS, all acts and things have been done and performed which are necessary to make the Warrants, when executed on behalf of the Company and countersigned by or on behalf of the Warrant Agent (if a physical certificate is issued), as provided herein, the valid, binding and legal obligations of the Company, and to authorize the execution and delivery of this Agreement.

NOW, THEREFORE, in consideration of the mutual agreements herein contained, the parties hereto agree as follows:

1. Appointment of Warrant Agent. The Company hereby appoints the Warrant Agent to act as agent for the Company for the Warrants, and the Warrant Agent hereby accepts such appointment and agrees to perform the same in accordance with the terms and conditions set forth in this Agreement.

2. Warrants.

2.1 Form of Warrant. Each Warrant shall initially be issued in registered form only.

2.2 Effect of Countersignature. If a physical certificate is issued, unless and until countersigned by the Warrant Agent pursuant to this Agreement, a Warrant shall be invalid and of no effect and may not be exercised by the holder thereof.

2.3 Registration.

2.3.1. Warrant Register.

(a) The Warrant Agent shall maintain books (the "Warrant Register") for the registration of original issuance and the registration of transfer of the Warrants. Upon the initial issuance of the Warrants, the Warrant Agent shall issue and register the Warrants in the names of the respective holders thereof in such denominations and otherwise in accordance with instructions delivered to the Warrant Agent by the Company. Ownership of beneficial interests in the Public Warrants shall be shown on, and the transfer of such ownership shall be effected through, records maintained by institutions that have accounts with (i) The Depository Trust Company (the "Depository") (such institution, with respect to a Warrant in its account, a "Participant") or (ii) the Depository or its nominee for each Book-Entry Warrant Certificate.

(b) If the Depository subsequently ceases to make its book-entry settlement system available for the Public Warrants, the Company may instruct the Warrant Agent regarding making other arrangements for book-entry settlement. In the event that the Public Warrants are not eligible for, or it is no longer necessary to have the Public Warrants available in, book-entry form, the Warrant Agent shall provide written instructions to the Depository to deliver to the Warrant Agent for cancellation each book-entry Public Warrant, and the Company shall instruct the Warrant Agent to deliver to the Depository definitive certificates in physical form evidencing such Warrants which shall be in the form annexed hereto as Exhibit A.

(c) Physical certificates, if issued, shall be signed by, or bear the facsimile signature of, the Chairman of the Company's board of Directors (the "Board"), Chief Executive Officer, Chief Financial Officer, Secretary or other principal officer of the Company. In the event the person whose facsimile signature has been placed upon any Warrant shall have ceased to serve in the capacity in which such person signed the Warrant before such Warrant is issued, it may be issued with the same effect as if he or she had not ceased to be such at the date of issuance.

2.3.2. Registered Holder. Prior to due presentment for registration of transfer of any Warrant, the Company and the Warrant Agent may deem and treat the person in whose name such Warrant is registered in the Warrant Register (the "**Registered Holder**") as the absolute owner of such Warrant and of each Warrant represented thereby (notwithstanding any notation of ownership or other writing on any physical certificate made by anyone other than the Company or the Warrant Agent), for the purpose of any exercise thereof, and for all other purposes, and neither the Company nor the Warrant Agent shall be affected by any notice to the contrary.

2.4 Detachability of Warrants. The Class A ordinary shares and Public Warrants comprising the Units shall begin separate trading on the 52nd day following the date of the Prospectus or, if such 52nd day is not on a day, other than a Saturday, Sunday or federal holiday, on which banks in New York City are generally open for normal business (a "**Business Day**"), then on the immediately succeeding Business Day following such date, or earlier (the "**Detachment Date**") with the consent of the Maxim

Group LLC, as representative of the underwriters, but in no event shall the Class A ordinary shares and the Public Warrants comprising the Units be separately traded until (A) the Company has filed a Current Report on Form 8-K with the Commission containing an audited balance sheet reflecting the receipt by the Company of the gross proceeds of the Offering, including the proceeds received by the Company from the exercise by the underwriters of their right to purchase additional Units in the Offering (the “Over-allotment Option”), if the Over-allotment Option is exercised prior to the filing of the Form 8-K, and (B) the Company issues a press release and files with the Commission a current report on Form 8-K announcing when such separate trading shall begin.

2.5 No Fractional Warrants Other Than as Part of Units. The Company shall not issue fractional Warrants other than as part of Units, each of which is comprised of one Class A ordinary share and one-half of one Public Warrant. If, upon the detachment of Public Warrants from Units or otherwise, a holder of Warrants would be entitled to receive a fractional Warrant, the Company shall round down to the nearest whole number the number of Warrants to be issued to such holder.

2.6 Private Placement Warrants. The Private Placement Warrants shall be identical to the Public Warrants, except that (i) the Private Placement Warrants may be exercised for cash or on a “cashless basis,” pursuant to Section 3.3.1(c) hereof, (ii) the Private Placement Warrants (and Class A ordinary shares issuable upon exercise of the Private Placement Warrants) may be subject to certain transfer restrictions contained in the letter agreement by and among the Company, the Sponsor and any other parties thereto, as amended from time to time, including that any permitted transferees must enter into a written agreement with the Company agreeing to be bound by the transfer restrictions contained in such letter agreement, and (iii) the Private Placement Warrants shall not be redeemable by the Company pursuant to Section 6.1 hereof. The Private Placement Warrants shall not become Public Warrants as a result of any transfer of the Private Placement Warrants, regardless of the transferee.

### 3. Terms and Exercise of Warrants.

3.1 Warrant Price. Each Two (2) Warrants shall, when countersigned by the Warrant Agent (if a physical certificate is issued), entitle the Registered Holder thereof, subject to the provisions of such Warrant and of this Agreement, to purchase from the Company one (1) Class A ordinary share, at the price of \$11.50 per share, subject to the adjustments provided in Section 4 hereof and in the last sentence of this Section 3.1. The term “**Warrant Price**” as used in this Agreement shall mean the price per share at which Class A ordinary shares may be purchased at the time a Warrant is exercised. The Company in its sole discretion may lower the Warrant Price at any time prior to the Expiration Date (as defined below) for a period of not less than twenty (20) Business Days, provided, that the Company shall provide at least twenty (20) days prior written notice of such reduction to Registered Holders of the Warrants and, provided further that any such reduction shall be identical among all of the Warrants.

3.2 Duration of Warrants. Warrants may be exercised only during the period (the “**Exercise Period**”) commencing on the later of: (i) the date that is thirty (30) days after the first date on which the Company completes a merger, capital stock exchange, asset acquisition, stock purchase, reorganization or similar business combination, involving the Company and one or more businesses (a “**Business Combination**”), and (ii) the date that is twelve (12) months from the date of the closing of the Offering, and terminating at 5:00 p.m., New York City time on the earlier to occur of: (x) the date that is five (5) years after the date on which the Company completes its initial Business Combination and (y) the liquidation of the Company in accordance with the Company’s amended and restated certificate of incorporation, as amended from time to time, if the Company fails to consummate a Business Combination (the “**Expiration Date**”); provided, however, that the exercise of any Warrant shall be subject to the satisfaction of any applicable conditions, as set forth in Section 3.3.2 below with respect to an effective registration statement. Each Warrant (other than a Private Placement Warrant) not exercised on or before the Expiration Date shall become void, and all rights thereunder and all rights in respect thereof under this Agreement shall cease at 5:00 p.m. New York City time on the Expiration Date. The Company in its sole discretion may extend the duration of the Warrants by delaying the Expiration Date; provided, that the Company shall provide at least twenty (20) days prior written notice of any such extension to Registered Holders of the Warrants and, provided further that any such extension shall be identical in duration among all the Warrants.

### 3.3 Exercise of Warrants.

3.3.1. Payment. Subject to the provisions of the Warrant and this Agreement, a Warrant, when countersigned by the Warrant Agent (if in the form of a physical certificate), may be exercised by the Registered Holder thereof by delivering to the Warrant Agent at its corporate trust department (i) the definitive warrant certificate evidencing the Warrants to be exercised, or, in the case of a Warrant represented by a book-entry, the Warrants to be exercised (the “Book-Entry Warrants”) on the records of the Depository to an account of the Warrant Agent at the Depository designated for such purposes in writing by the Warrant Agent to the Depository from time to time, (ii) an election to purchase any Class A ordinary shares pursuant to the exercise of a Warrant, properly completed and executed by the Registered Holder on the reverse of the definitive warrant certificate or, in the case of a Book-Entry Warrant, properly delivered by the Participant in accordance with the Depository’s procedures, and (iii) the payment in full of the Warrant Price for each full Class A ordinary share as to which the Warrant is exercised and any and all applicable taxes due in connection with the exercise of the Warrant, the exchange of the Warrant for the Class A ordinary shares and the issuance of such Class A ordinary shares, as follows:

(a) in lawful money of the United States, in good certified check or good bank draft payable to the Warrant Agent;

(b) in the event of a redemption pursuant to Section 6.1 hereof in which the Board has elected to require all holders of the Public Warrants to exercise such Public Warrants on a “cashless basis,” by surrendering the Public Warrants for that number of Class A ordinary shares equal to the quotient obtained by dividing (x) the product of the number of Class A ordinary shares underlying the Public Warrants, multiplied by the difference between the Warrant Price and the “Fair Market Value”, as defined in this Section 3.3.1(b), by (y) the Fair Market Value. Solely for purposes of this Section 3.3.1(b) and Section 6.1, the “Fair Market Value” shall mean the volume-weighted average price of the Class A ordinary shares as reported during the ten trading day period ending on the trading day prior to the date on which the notice of redemption is sent to the holders of the Warrants pursuant to Section 6.2 hereof;

(c) with respect to any Private Placement Warrant, by surrendering the Warrants for that number of Class A ordinary shares equal to the quotient obtained by dividing (x) the product of the number of Class A ordinary shares underlying the Warrants, multiplied by the excess of the “Sponsor Exercise Fair Market Value” (as defined in this Section 3.3.1(c)) less the Warrant Price by (y) the Sponsor Exercise Fair Market Value. Solely for purposes of this Section 3.3.1(c), the “Sponsor Exercise Fair Market Value” shall mean the average last reported sale price of the Class A ordinary shares for the ten trading days ending on the third trading day prior to the date on which notice of exercise of the Private Placement Warrant is sent to the Warrant Agent; or

(d) as provided in Section 7.4 hereof.

3.3.2. Issuance of Class A ordinary shares on Exercise. As soon as practicable after the exercise of any Warrant and the clearance of the funds in payment of the Warrant Price (if payment is pursuant to Section 3.3.1(a)), the Company shall issue to the Registered Holder of such Warrant a book-entry position or certificate, as applicable, for the number of full Class A ordinary shares to which he, she or it is entitled, registered in such name or names as may be directed by him, her or it, and if such Warrant shall not have been exercised in full, a new book-entry position or countersigned Warrant, as applicable, for the number of Class A ordinary shares as to which such Warrant shall not have been exercised. Notwithstanding the foregoing, the Company shall not be obligated to deliver any Class A ordinary shares pursuant to the exercise of a Warrant and shall have no obligation to settle such Warrant exercise unless a registration statement under the Securities Act covering the issuance of the Class A ordinary shares issuable upon the exercise of the Public Warrants is then effective and a current prospectus relating thereto is available, subject to the Company’s satisfying its obligations under Section

7.4, or a valid exemption from registration is available. No Warrant shall be exercisable and the Company shall not be obligated to issue Class A ordinary shares upon exercise of a Warrant unless the Class A ordinary shares issuable upon such Warrant exercise has been registered, qualified or deemed to be exempt under the securities laws of the state of residence of the Registered Holder of the Warrants. The Company may require holders of Public Warrants to settle the Warrant on a “cashless basis” pursuant to Section 7.4. If, by reason of any exercise of Warrants on a “cashless basis,” the holder of any Warrant would be entitled, upon the exercise of such Warrant, to receive a fractional interest in a Class A ordinary share, the Company shall round down to the nearest whole number, the number of Class A ordinary shares to be issued to such holder.

3.3.3. Valid Issuance. All Class A ordinary shares issued upon the proper exercise of a Warrant in conformity with this Agreement shall be validly issued, fully paid and non-assessable.

3.3.4. Date of Issuance. Each person in whose name any book-entry position or certificate, as applicable, for Class A ordinary shares is issued shall for all purposes be deemed to have become the holder of record of such Class A ordinary shares on the date on which the Warrant, or book-entry position representing such Warrant, was surrendered and payment of the Warrant Price was made, irrespective of the date of delivery of such certificate in the case of a certificated Warrant, except that, if the date of such surrender and payment is a date when the share transfer books of the Company or book-entry system of the Warrant Agent are closed, such person shall be deemed to have become the holder of such Class A ordinary shares at the close of business on the next succeeding date on which the share transfer books or book-entry system are open.

3.3.5. Maximum Percentage. A holder of a Warrant may notify the Company in writing in the event it elects to be subject to the provisions contained in this Section 3.3.5; however, no holder of a Warrant shall be subject to this Section 3.3.5 unless he, she or it makes such election. If the election is made by a holder, the Warrant Agent shall not effect the exercise of the holder’s Warrant, and such holder shall not have the right to exercise such Warrant, to the extent that after giving effect to such exercise, such person (together with such person’s affiliates), to the Warrant Agent’s actual knowledge, would beneficially own in excess of 9.8% (or such other amount as such holder may specify) (the “**Maximum Percentage**”) of the Class A ordinary shares outstanding immediately after giving effect to such exercise. For purposes of the foregoing sentence, the aggregate number of Class A ordinary shares beneficially owned by such person and its affiliates shall include the number of Class A ordinary shares issuable upon exercise of the Warrant with respect to which the determination of such sentence is being made, but shall exclude Class A ordinary shares that would be issuable upon (x) exercise of the remaining, unexercised portion of the Warrant beneficially owned by such person and its affiliates and (y) exercise or conversion of the unexercised or unconverted portion of any other securities of the Company beneficially owned by such person and its affiliates (including, without limitation, any convertible notes or convertible preferred stock or warrants) subject to a limitation on conversion or exercise analogous to the limitation contained herein. Except as set forth in the preceding sentence, for purposes of this paragraph, beneficial ownership shall be calculated in accordance with Section 13(d) of the Securities Exchange Act of 1934, as amended (the “**Exchange Act**”). For purposes of the Warrant, in determining the number of outstanding Class A ordinary shares, the holder may rely on the number of outstanding Class A ordinary shares as reflected in (1) the Company’s most recent Annual Report on Form 10-K, Quarterly Report on Form 10-Q, Current Report on Form 8-K or other public filing with the Commission as the case may be, (2) a more recent public announcement by the Company or (3) any other notice by the Company or the Transfer Agent setting forth the number of Class A ordinary shares outstanding. For any reason at any time, upon the written request of the holder of the Warrant, the Company shall, within two (2) Business Days, confirm orally and in writing to such holder the number of Class A ordinary shares then outstanding. In any case, the number of outstanding Class A ordinary shares shall be determined after giving effect to the conversion or exercise of equity securities of the Company by the holder and its affiliates since the date as of which such number of outstanding Class A ordinary shares was reported. By written notice to the Company, the holder of a Warrant may from time to time increase or decrease the Maximum Percentage applicable to such holder to any other percentage specified in such notice; provided, however, that any such increase shall not be effective until the sixty-first (61st) day after such notice is delivered to the Company.

#### 4. Adjustments.

##### 4.1 Stock Dividends.

4.1.1. Split-Ups. If after the date hereof, and subject to the provisions of Section 4.6 below, the number of outstanding Class A ordinary shares is increased by a stock dividend payable in Class A ordinary shares to all or substantially all holders of Class A ordinary shares, or by a split-up of Class A ordinary shares or other similar event, then, on the effective date of such stock dividend, split-up or similar event, the number of Class A ordinary shares issuable on exercise of each Warrant shall be increased in proportion to such increase in the outstanding Class A ordinary shares. A rights offering to holders of the Class A ordinary shares entitling holders to purchase Class A ordinary shares at a price less than the “Fair Market Value” (as defined below) shall be deemed a stock dividend of a number of Class A ordinary shares equal to the product of (i) the number of Class A ordinary shares actually sold in such rights offering (or issuable under any other equity securities sold in such rights offering that are convertible into or exercisable for the Class A ordinary shares) multiplied by (ii) one (1) minus the quotient of (x) the price per Class A ordinary share paid in such rights offering divided by (y) the Fair Market Value. For purposes of this Section 4.1.1, (i) if the rights offering is for securities convertible into or exercisable for Class A ordinary shares, in determining the price payable for Class A ordinary shares, there shall be taken into account any consideration received for such rights, as well as any additional amount payable upon exercise or conversion and (ii) “Fair Market Value” means the volume weighted average price of the Class A ordinary shares as reported during the ten (10) trading day period ending on the trading day prior to the first date on which the Class A ordinary shares trade on the applicable exchange or in the applicable market, regular way, without the right to receive such rights.

4.1.2. Extraordinary Dividends. If the Company, at any time while the Warrants are outstanding and unexpired, shall pay a dividend or make a distribution in cash, securities or other assets to all or substantially all holders of the Class A ordinary shares on account of such Class A ordinary shares (or other shares of the Company’s capital stock into which the Warrants are convertible), other than (a) as described in Section 4.1.1 above, (b) Ordinary Cash Dividends (as defined below), (c) to satisfy the redemption rights of the holders of the Class A ordinary shares in connection with a proposed initial Business Combination, (d) to satisfy the redemption rights of the holders of Class A ordinary shares in connection with a stockholder vote to amend the Company’s amended and restated certificate of incorporation to modify the substance or timing of the Company’s obligation to allow redemption in connection with the Company’s initial Business Combination or to redeem 100% of the Class A ordinary shares included in the Units sold in the Offering (the “**Public Shares**”) if the Company does not complete the initial Business Combination within the time period set forth in the Company’s amended and restated certificate of incorporation or with respect to any other provision relating to stockholders’ rights or pre-initial Business Combination activity or (e) in connection with the redemption of the Public Shares upon the failure of the Company to complete its initial Business Combination and any subsequent distribution of its assets upon its liquidation (any such non-excluded event being referred to herein as an “**Extraordinary Dividend**”), then the Warrant Price shall be decreased, effective immediately after the effective date of such Extraordinary Dividend, by the amount of cash and/or the fair market value (as determined by the Board, in good faith) of any securities or other assets paid on each Class A ordinary share in respect of such Extraordinary Dividend. For purposes of this Section 4.1.2, “**Ordinary Cash Dividends**” means any cash dividend or cash distribution which, when combined on a per share basis, with the per share amounts of all other cash dividends and cash distributions paid on the Class A ordinary shares during the 365-day period ending on the date of declaration of such dividend or distribution (as adjusted to appropriately reflect any of the events referred to in other Sections of this Section 4 and excluding cash dividends or cash distributions that resulted in an adjustment to the Warrant Price or to the number of Class A ordinary shares issuable on exercise of each Warrant) to the extent it does not exceed \$0.50 (being 5% of the offering price of the Units in the Offering).

4.2 Aggregation of Shares. If after the date hereof, and subject to the provisions of Section 4.6 hereof, the number of outstanding Class A ordinary shares is decreased by a consolidation, combination, reverse stock split or reclassification of Class A ordinary shares or other similar event, then, on the effective date of such consolidation, combination, reverse stock split, reclassification or similar event, the number of Class A ordinary shares issuable on exercise of each Warrant shall be decreased in proportion to such decrease in outstanding Class A ordinary shares.

#### 4.3 Adjustments in Exercise Price.

4.3.1. Whenever the number of Class A ordinary shares purchasable upon the exercise of the Warrants is adjusted, as provided in Section 4.1.1 or Section 4.2 above, the Warrant Price shall be adjusted (to the nearest cent) by multiplying such Warrant Price immediately prior to such adjustment by a fraction (x) the numerator of which shall be the number of Class A ordinary shares purchasable upon the exercise of the Warrants immediately prior to such adjustment, and (y) the denominator of which shall be the number of Class A ordinary shares so purchasable immediately thereafter.

4.3.2. If (x) the Company issues additional Class A ordinary shares or equity-linked securities for capital raising purposes in connection with the closing of its initial Business Combination at an issue price or effective issue price of less than \$9.20 per Class A ordinary share (with such issue price or effective issue price to be determined in good faith by the Board and, in the case of any such issuance to the Sponsor or its affiliates, without taking into account any Class B ordinary shares of the Company held by the Sponsor or its affiliates, as applicable, prior to such issuance) (the "Newly Issued Price"), (y) the aggregate gross proceeds from such issuances represent more than 60% of the total equity proceeds, and interest thereon, available for the funding of the Company's initial Business Combination on the date of the completion of the Company's initial Business Combination (net of redemptions), and (z) the volume-weighted average trading price of Class A ordinary shares during the 20 trading day period starting on the trading day prior to the day on which the Company consummates its initial Business Combination (such price, the "Market Value") is below \$9.20 per share, the Warrant Price shall be adjusted (to the nearest cent) to be equal to 115% of the higher of the Market Value and the Newly Issued Price, and the \$18.00 per share redemption trigger price described in Section 6.1 shall be adjusted (to the nearest cent) to be equal to 180% of the higher of the Market Value and the Newly Issued Price. If the adjustment in the immediately preceding sentence would otherwise result in an increase in the Warrant Price (as adjusted for share splits, share dividends, recapitalizations, extraordinary dividends and similar events) hereunder, no adjustment shall be made.

4.4 Replacement of Securities upon Reorganization, etc. In case of any reclassification or reorganization of the issued and outstanding Class A ordinary shares (other than a change under Section 4.1 or Section 4.2 hereof or that solely affects the par value of such Class A ordinary shares), or in the case of any merger or consolidation of the Company with or into another corporation (other than a merger or consolidation in which the Company is the continuing corporation and that does not result in any reclassification or reorganization of the issued and outstanding Class A ordinary shares), or in the case of any sale or conveyance to another corporation or entity of the assets or other property of the Company as an entirety or substantially as an entirety in connection with which the Company is dissolved, the holders of the Warrants shall thereafter have the right to purchase and receive, upon the basis and upon the terms and conditions specified in the Warrants and in lieu of the Class A ordinary shares of the Company immediately theretofore purchasable and receivable upon the exercise of the rights represented thereby, the kind and amount of shares, other equity securities or property (including cash) receivable upon such reclassification, reorganization, merger or consolidation, or upon a dissolution following any such sale or transfer, that the holder of the Warrants would have received if such holder had exercised his, her or its Warrant(s) immediately prior to such event (the "**Alternative Issuance**"); provided, however, that (i) if the holders of the Class A ordinary shares were entitled to exercise a right of election as to the kind or amount of securities, cash or other assets receivable upon such merger or consolidation, then the kind and amount of securities, cash or other assets constituting the Alternative Issuance for which each Warrant shall become exercisable shall be deemed to be the weighted average of the kind and amount received per share by the holders of the Class A ordinary shares in such merger or consolidation that affirmatively make such election, and (ii) if a tender, exchange or redemption offer shall have been made to and accepted by the holders of the Class A ordinary shares (other than a tender, exchange or redemption offer made by the Company in connection with redemption rights held by shareholders of the Company as provided for in the Company's amended and restated memorandum and articles of association or as a result of the redemption of Class A ordinary shares by the Company if a proposed

initial Business Combination is presented to the shareholders of the Company for approval) under circumstances in which, upon completion of such tender or exchange offer, the maker thereof, together with members of any group (within the meaning of Rule 13d-5(b)(1) under the Exchange Act) of which such maker is a part, and together with any affiliate or associate of such maker (within the meaning of Rule 12b-2 under the Exchange Act) and any members of any such group of which any such affiliate or associate is a part, own beneficially (within the meaning of Rule 13d-3 under the Exchange Act) securities representing more than 50% of the aggregate voting power, including the power to vote on the election of directors of the Company, of the issued and outstanding equity securities of the Company, the holder of a Warrant shall be entitled to receive as the Alternative Issuance, the highest amount of cash, securities or other property to which such holder would actually have been entitled as a shareholder if such Warrant holder had exercised the Warrant prior to the expiration of such tender or exchange offer, accepted such offer and all of the Class A ordinary shares held by such holder had been purchased pursuant to such tender or exchange offer, subject to adjustments (from and after the consummation of such tender or exchange offer) as nearly equivalent as possible to the adjustments provided for in this Section 4; provided further that if less than 70% of the consideration receivable by the holders of the Class A ordinary shares in the applicable event is payable in the form of shares in the successor entity that is listed for trading on a national securities exchange or is quoted in an established over-the-counter market, or is to be so listed for trading or quoted immediately following such event, and if the Registered Holder properly exercises the Warrant within 30 days following the public disclosure of the consummation of such applicable event by the Company pursuant to a Current Report on Form 8-K filed with the Commission, the Warrant Price shall be reduced by an amount (in dollars) equal to the difference of (i) the Warrant Price in effect prior to such reduction minus (ii) (A) the Per Share Consideration (as defined below) (but in no event less than zero) minus (B) the Black-Scholes Warrant Value (as defined below). The “Black-Scholes Warrant Value” means (i) for Public Warrants, the value of a Public Warrant immediately prior to the consummation of the applicable event based on the Black-Scholes Warrant Model for a Capped American Call on Bloomberg Financial Markets (assuming zero dividends) (“**Bloomberg**”) and (ii) for Private Placement Warrants, the value of a Private Placement Warrant immediately prior to the consummation of the applicable event based on the Black-Scholes Warrant Model for an uncapped American Call on Bloomberg, in each case, as calculated by an accounting, appraisal, investment banking firm or consultant of nationally recognized standing that is, in the good faith judgment of the Board, qualified to make such calculation. For purposes of calculating such amount, (i) Section 6 of this Agreement shall be taken into account, (ii) the price of each Class A ordinary share shall be the volume weighted average price of the Class A ordinary shares during the ten trading day period ending on the trading day prior to the effective date of the applicable event, (iii) the assumed volatility shall be the 90 day volatility obtained from the HVT function on Bloomberg determined as of the trading day immediately prior to the day of the announcement of the applicable event and (iv) the assumed risk-free interest rate shall correspond to the U.S. Treasury rate for a period equal to the remaining term of the Warrant. “Per Share Consideration” means (i) if the consideration paid to holders of the Class A ordinary shares consists exclusively of cash, the amount of such cash per Class A ordinary share, and (ii) in all other cases, the volume weighted average price of the Class A ordinary shares during the ten trading day period ending on the trading day prior to the effective date of the applicable event. If any reclassification or reorganization also results in a change in Class A ordinary shares covered by Section 4.1.1, then such adjustment shall be made pursuant to Section 4.1.1 or Section 4.2, Section 4.3 and this Section 4.4. The provisions of this Section 4.4 shall similarly apply to successive reclassifications, reorganizations, mergers or consolidations, sales or other transfers. In no event shall the Warrant Price be reduced to less than the par value per share issuable upon exercise of such Warrant.

4.5 Notices of Changes in Warrant. Upon every adjustment of the Warrant Price or the number of Class A ordinary shares issuable upon exercise of a Warrant, the Company shall give written notice thereof to the Warrant Agent, which notice shall state the Warrant Price resulting from such adjustment and the increase or decrease, if any, in the number of Class A ordinary shares purchasable at such price upon the exercise of a Warrant, setting forth in reasonable detail the method of calculation and the facts upon which such calculation is based. Upon the occurrence of any event specified in Sections 4.1, 4.2, 4.3 or 4.4, the Company shall give written notice of the occurrence of such event to each holder of a Warrant, at the last address set forth for such holder in the Warrant Register, of the record date or the effective date of the event. Failure to give such notice, or any defect therein, shall not affect the legality or validity of such event.

4.6 No Fractional Shares. Notwithstanding any provision contained in this Agreement to the contrary, the Company shall not issue fractional Class A ordinary shares upon the exercise of Warrants. If, by reason of any adjustment made pursuant to this Section 4, the holder of any Warrant would be entitled, upon the exercise of such Warrant, to receive a fractional interest in a share, the Company shall, upon such exercise, round down to the nearest whole number the number of Class A ordinary shares to be issued to such holder.

4.7 Form of Warrant. The form of Warrant need not be changed because of any adjustment pursuant to this Section 4, and Warrants issued after such adjustment may state the same Warrant Price and the same number of Class A ordinary shares as is stated in the Warrants initially issued pursuant to this Agreement; provided, however, that the Company may at any time in its sole discretion make any change in the form of Warrant that the Company may deem appropriate and that does not affect the substance thereof, and any Warrant thereafter issued or countersigned, whether in exchange or substitution for an outstanding Warrant or otherwise, may be in the form as so changed.

4.8 Other Events. In case any event shall occur affecting the Company as to which none of the provisions of preceding Sections of this Section 4 are strictly applicable, but which would require an adjustment to the terms of the Warrants in order to (i) avoid an adverse impact on the Warrants and (ii) effectuate the intent and purpose of this Section 4, then, in each such case, the Company shall appoint a firm of independent public accountants, investment banking or other appraisal firm of recognized national standing, which shall give its opinion as to whether or not any adjustment to the rights represented by the Warrants is necessary to effectuate the intent and purpose of this Section 4 and, if they determine that an adjustment is necessary, the terms of such adjustment. The Company shall adjust the terms of the Warrants in a manner that is consistent with any adjustment recommended in such opinion.

## 5. Transfer and Exchange of Warrants.

5.1 Registration of Transfer. The Warrant Agent shall register the transfer, from time to time, of any outstanding Warrant upon the Warrant Register, upon surrender of such Warrant for transfer, and, if in the form of a physical certificate, properly endorsed with signatures properly guaranteed and accompanied by appropriate instructions for transfer. Upon any such transfer, a new Warrant representing an equal aggregate number of Warrants shall be issued and the old Warrant shall be cancelled by the Warrant Agent. The Warrants so cancelled shall be delivered by the Warrant Agent to the Company from time to time upon request.

5.2 Procedure for Surrender of Warrants. Warrants may be surrendered to the Warrant Agent, together with a written request for exchange or transfer, and thereupon the Warrant Agent shall issue in exchange therefor one or more new Warrants as requested by the Registered Holder of the Warrants so surrendered, representing an equal aggregate number of Warrants; provided, however, that in the event that a Warrant surrendered for transfer bears a restrictive legend (as in the case of the Private Placement Warrants), the Warrant Agent shall not cancel such Warrant and issue new Warrants in exchange thereof until the Warrant Agent has received an opinion of counsel for the Company stating that such transfer may be made and indicating whether the new Warrants must also bear a restrictive legend.

5.3 Fractional Warrants. The Warrant Agent shall not be required to effect any registration of transfer or exchange which shall result in the issuance of a warrant certificate or book-entry position for a fraction of a warrant, except as part of the Units.

5.4 Service Charges. No service charge shall be made for any exchange or registration of transfer of Warrants.

5.5 Warrant Execution and Countersignature. The Warrant Agent is hereby authorized to countersign and to deliver, in accordance with the terms of this Agreement, the Warrants required to be issued pursuant to the provisions of this Section 5, and the Company, whenever required by the Warrant Agent, shall supply the Warrant Agent with Warrants duly executed on behalf of the Company for such purpose.

5.6 Transfer of Warrants. Prior to the Detachment Date, the Public Warrants may be transferred or exchanged only together with the Unit in which such Warrant is included, and only for the purpose of effecting, or in conjunction with, a transfer or exchange of such Unit. Furthermore, each transfer of a Unit on the register relating to such Units shall operate also to transfer the Warrants included in such Unit. Notwithstanding the foregoing, the provisions of this Section 5.6 shall have no effect on any transfer of Warrants on and after the Detachment Date.

## 6. Redemption.

6.1 Redemption. Not less than all of the outstanding Public Warrants may be redeemed for cash, at the option of the Company, at any time during the Exercise Period, at the office of the Warrant Agent, upon notice to the Registered Holders of the Public Warrants, as described in Section 6.2 below, at a Redemption Price of \$0.01 per Public Warrant, provided that (a) the Reference Value (as defined below) equals or exceeds \$18.00 per share (subject to adjustment in compliance with Section 4 hereof) and (b) either (i) there is an effective registration statement covering the issuance of the Class A ordinary shares issuable upon exercise of the Public Warrants, and a current prospectus relating thereto, available throughout the 30-day Redemption Period (as defined in Section 6.2 below), or (ii) the Company has elected to require the exercise of the Public Warrants on a “cashless basis” pursuant to Section 3.3.1(b).

6.2 Date Fixed for, and Notice of, Redemption; Redemption Price; Reference Value. In the event that the Company elects to redeem the Public Warrants pursuant to Section 6.1, the Company shall fix a date for the redemption (the “**Redemption Date**”). Notice of redemption shall be mailed by first class mail, postage prepaid, by the Company not less than 30 days prior to the Redemption Date (the period lasting from such time until the Redemption Date, the “**30-day Redemption Period**”) to the Registered Holders of the Public Warrants to be redeemed at their last addresses as they shall appear on the registration books. Any notice mailed in the manner herein provided shall be conclusively presumed to have been duly given whether or not the Registered Holder received such notice. As used in this Agreement, (a) “**Redemption Price**” shall mean the price per Warrant at which any Warrants are redeemed pursuant to Section 6.1 and (b) “**Reference Value**” shall mean the last reported sale price of the Class A ordinary shares for any 20 trading days within the 30 trading day period ending on the third trading day prior to the date on which notice of the redemption is given.

6.3 Exercise After Notice of Redemption. In the event the Company determines to require all holders of Warrants to exercise their Warrants on a “cashless basis” pursuant to Section 3.3.1(b), the notice of redemption will contain the information necessary to calculate the number of Class A ordinary shares to be received upon exercise of the Warrants, including the “Fair Market Value” in such case. On and after the Redemption Date, the record holder of the Warrants shall have no further rights except to receive, upon surrender of the Warrants, the Redemption Price.

## 7. Other Provisions Relating to Rights of Holders of Warrants.

7.1 No Rights as Stockholder. A Warrant does not entitle the Registered Holder thereof to any of the rights of a stockholder of the Company, including, without limitation, the right to receive dividends, or other distributions, exercise any preemptive rights to vote or to consent or to receive notice as stockholders in respect of the meetings of stockholders or the election of directors of the Company or any other matter.

7.2 Lost, Stolen, Mutilated, or Destroyed Warrants. If any Warrant is lost, stolen, mutilated, or destroyed, the Company and the Warrant Agent may on such terms as to indemnity or otherwise as they may in their discretion impose (which shall, in the case of a mutilated Warrant, include the surrender thereof), issue a new Warrant of like denomination, tenor, and date as the Warrant so lost, stolen, mutilated, or destroyed. Any such new Warrant shall constitute a substitute contractual obligation of the Company, whether or not the allegedly lost, stolen, mutilated, or destroyed Warrant shall be at any time enforceable by anyone.

7.3 Reservation of Class A Shares. The Company shall at all times reserve and keep available a number of its authorized but unissued Class A ordinary shares that shall be sufficient to permit the exercise in full of all outstanding Warrants issued pursuant to this Agreement.

7.4 Registration of Class A Shares; Cashless Exercise at Company's Option.

7.4.1. Registration of the Class A ordinary shares. The Company agrees that as soon as practicable, but in no event later than twenty (20) days after the closing of its initial Business Combination, it shall use its commercially reasonable best efforts to file with the Commission a post-effective amendment to the Registration Statement or a new registration statement for the registration, under the Securities Act, of the Class A ordinary shares issuable upon exercise of the Warrants. The Company shall use its commercially reasonable efforts to cause the same to become effective and to maintain the effectiveness of such post-effective amendment or a new registration statement, and a current prospectus relating thereto, until the expiration of the Warrants in accordance with the provisions of this Agreement. If any such post-effective amendment or new registration statement has not been declared effective by the 60th day following the closing of the Business Combination, holders of the Warrants shall have the right, during the period beginning on the 61st day after the closing of the Business Combination and ending upon such post-effective amendment or new registration statement being declared effective by the Commission, and during any other period when the Company shall fail to have maintained an effective post-effective amendment or an effective new registration statement covering the Class A ordinary shares issuable upon exercise of the Warrants, to exercise such Warrants on a "cashless basis," by exchanging the Warrants (in accordance with Section 3(a)(9) of the Securities Act (or any successor rule) or another exemption) for that number of Class A ordinary shares equal to the quotient obtained by dividing (x) the product of the number of Class A ordinary shares underlying the Warrants, multiplied by the difference between the Warrant Price and the "Fair Market Value" (as defined below) by (y) the Fair Market Value. Solely for purposes of this Section 7.4.1, "Fair Market Value" shall mean the volume weighted average price of the Class A ordinary shares as reported during the ten (10) trading day period ending on the trading day prior to the date that notice of exercise is received by the Warrant Agent from the holder of such Warrants or its securities broker or intermediary. The date that notice of cashless exercise is received by the Warrant Agent shall be conclusively determined by the Warrant Agent. In connection with the "cashless exercise" of a Warrant, the Company shall, upon request, provide the Warrant Agent with an opinion of counsel for the Company (which shall be an outside law firm with securities law experience) stating that (i) the exercise of the Warrants on a cashless basis in accordance with this Section 7.4.1 is not required to be registered under the Securities Act and (ii) the Class A ordinary shares issued upon such exercise shall be freely tradable under United States federal securities laws by anyone who is not an affiliate (as such term is defined in Rule 144 under the Securities Act (or any successor rule)) of the Company and, accordingly, shall not be required to bear a restrictive legend. Except as provided in Section 7.4.2, for the avoidance of any doubt, unless and until all of the Warrants have been exercised, the Company shall continue to be obligated to comply with its registration obligations under the first three sentences of this Section 7.4.1.

7.4.2. Cashless Exercise at Company's Option. If the Class A ordinary shares at the time of any exercise of a Warrant are not listed on a national securities exchange such that they satisfy the definition of a "covered security" under Section 18(b)(1) of the Securities Act (or any successor rule), the Company may, at its option, (i) require holders of Warrants who exercise Warrants to exercise such Warrants on a "cashless basis" in accordance with Section 3(a)(9) of the Securities Act (or any successor rule) as described in Section 7.4.1 and (ii) in the event the Company so elects, the Company shall not be required to file or maintain in effect a post-effective amendment to the Registration Statement or a new registration statement for the registration, under the Securities Act, of the Class A ordinary shares issuable upon exercise of the Warrants, notwithstanding anything in this Agreement to the contrary. If the Company does not elect at the time of exercise to require a holder of Warrants who exercises Warrants to

exercise such Warrants on a “cashless basis,” it agrees to use its best efforts to register or qualify for sale the Class A ordinary shares issuable upon exercise of the Warrant under the blue sky laws of the state of residence in those states in which the Warrants were initially offered by the Company of the exercising Warrant holder to the extent an exemption is not available.

#### 8. Concerning the Warrant Agent and Other Matters.

8.1 Payment of Taxes. The Company shall from time to time promptly pay all taxes and charges that may be imposed upon the Company or the Warrant Agent in respect of the issuance or delivery of Class A ordinary shares upon the exercise of the Warrants, but the Company shall not be obligated to pay any transfer taxes in respect of the Warrants or such Class A ordinary shares.

#### 8.2 Resignation, Consolidation, or Merger of Warrant Agent.

8.2.1. Appointment of Successor Warrant Agent. The Warrant Agent, or any successor to it hereafter appointed, may resign its duties and be discharged from all further duties and liabilities hereunder after giving sixty (60) days’ notice in writing to the Company. If the office of the Warrant Agent becomes vacant by resignation or incapacity to act or otherwise, the Company shall appoint in writing a successor Warrant Agent in place of the Warrant Agent. If the Company shall fail to make such appointment within a period of thirty (30) days after it has been notified in writing of such resignation or incapacity by the Warrant Agent or by the holder of a Warrant (who shall, with such notice, submit his Warrant for inspection by the Company), then the holder of any Warrant may apply to the Supreme Court of the State of New York for the County of New York for the appointment of a successor Warrant Agent at the Company’s cost. Any successor Warrant Agent, whether appointed by the Company or by such court, shall be a corporation organized and existing under the laws of the State of New York, in good standing and having its principal office in the Borough of Manhattan, City and State of New York, and authorized under such laws to exercise corporate trust powers and subject to supervision or examination by federal or state authority. After appointment, any successor Warrant Agent shall be vested with all the authority, powers, rights, immunities, duties, and obligations of its predecessor Warrant Agent with like effect as if originally named as Warrant Agent hereunder, without any further act or deed; but if for any reason it becomes necessary or appropriate, the predecessor Warrant Agent shall execute and deliver, at the expense of the Company, an instrument transferring to such successor Warrant Agent all the authority, powers, and rights of such predecessor Warrant Agent hereunder; and upon request of any successor Warrant Agent the Company shall make, execute, acknowledge, and deliver any and all instruments in writing for more fully and effectually vesting in and confirming to such successor Warrant Agent all such authority, powers, rights, immunities, duties, and obligations.

8.2.2. Notice of Successor Warrant Agent. In the event a successor Warrant Agent shall be appointed, the Company shall give notice thereof to the predecessor Warrant Agent and the Transfer Agent for the Class A ordinary shares not later than the effective date of any such appointment.

8.2.3. Merger or Consolidation of Warrant Agent. Any corporation into which the Warrant Agent may be merged or with which it may be consolidated or any corporation resulting from any merger or consolidation to which the Warrant Agent shall be a party shall be the successor Warrant Agent under this Agreement without any further act.

#### 8.3 Fees and Expenses of Warrant Agent.

8.3.1. Remuneration. The Company agrees to pay the Warrant Agent reasonable remuneration for its services as such Warrant Agent hereunder and shall, pursuant to its obligations under this Agreement, reimburse the Warrant Agent upon demand for all expenditures that the Warrant Agent may reasonably incur in the execution of its duties hereunder.

8.3.2. Further Assurances. The Company agrees to perform, execute, acknowledge, and deliver or cause to be performed, executed, acknowledged, and delivered all such further and other acts, instruments, and assurances as may reasonably be required by the Warrant Agent for the carrying out or performing of the provisions of this Agreement.

#### 8.4 Liability of Warrant Agent.

8.4.1. Reliance on Company Statement. Whenever in the performance of its duties under this Agreement, the Warrant Agent shall deem it necessary or desirable that any fact or matter be proved or established by the Company prior to taking or suffering any action hereunder, such fact or matter (unless other evidence in respect thereof be herein specifically prescribed) may be deemed to be conclusively proved and established by a statement signed by the Chief Executive Officer, Chief Financial Officer, Secretary or Chairman of the Board and delivered to the Warrant Agent. The Warrant Agent may rely upon such statement for any action taken or suffered in good faith by it pursuant to the provisions of this Agreement.

8.4.2. Indemnity. The Warrant Agent shall be liable hereunder only for its own gross negligence, willful misconduct or bad faith. The Company agrees to indemnify the Warrant Agent and save it harmless against any and all liabilities, including judgments, costs and reasonable counsel fees, for anything done or omitted by the Warrant Agent in the execution of this Agreement, except as a result of the Warrant Agent's gross negligence, willful misconduct or bad faith.

8.4.3. Exclusions. The Warrant Agent shall have no responsibility with respect to the validity of this Agreement or with respect to the validity or execution of any Warrant (except its countersignature thereof). The Warrant Agent shall not be responsible for any breach by the Company of any covenant or condition contained in this Agreement or in any Warrant. The Warrant Agent shall not be responsible to make any adjustments required under the provisions of Section 4 hereof or responsible for the manner, method, or amount of any such adjustment or the ascertaining of the existence of facts that would require any such adjustment; nor shall it by any act hereunder be deemed to make any representation or warranty as to the authorization or reservation of any Class A ordinary shares to be issued pursuant to this Agreement or any Warrant or as to whether any Class A ordinary shares shall, when issued, be valid and fully paid and non-assessable.

8.5 Acceptance of Agency. The Warrant Agent hereby accepts the agency established by this Agreement and agrees to perform the same upon the terms and conditions herein set forth and among other things, shall account promptly to the Company with respect to Warrants exercised and concurrently account for, and pay to the Company, all monies received by the Warrant Agent for the purchase of Class A ordinary shares through the exercise of the Warrants.

8.6 Waiver. The Warrant Agent has no right of set-off or any other right, title, interest or claim of any kind ("**Claim**") in, or to any distribution of, the Trust Account (as defined in that certain Investment Management Trust Agreement, dated as of the date hereof, by and between the Company and the Warrant Agent as trustee thereunder) and hereby agrees not to seek recourse, reimbursement, payment or satisfaction for any Claim against the Trust Account for any reason whatsoever. The Warrant Agent hereby waives any and all Claims against the Trust Account and any and all rights to seek access to the Trust Account.

#### 9. Miscellaneous Provisions.

9.1 Successors. All the covenants and provisions of this Agreement by or for the benefit of the Company or the Warrant Agent shall bind and inure to the benefit of their respective successors and assigns.

9.3 Applicable Law; Exclusive Forum. The validity, interpretation, and performance of this Agreement and of the Warrants shall be governed in all respects by the laws of the State of New York, without giving effect to conflicts of law principles that would result in the application of the substantive laws of another jurisdiction. The Company hereby agrees that any action, proceeding or claim against it arising out of or relating in any way to this Agreement shall be brought and enforced in the courts of the State of New York or the United States District Court for the Southern District of New York, and irrevocably submits to such jurisdiction forum for any such action, proceeding or claim. The Company hereby waives any objection to such jurisdiction and that such courts represent an inconvenient forum. Notwithstanding the foregoing, (i) the provisions of this paragraph will not apply to suits brought to enforce any liability or duty created by the Exchange Act or any other claim for which the federal district courts of the United States of America are the sole and exclusive forum, and (ii) unless the Company consents in writing to the selection of an alternative forum, the federal district courts of the United States of America shall, to the full extent permitted by law, be the exclusive form for the resolution of any complaint asserting a cause of action arising under the Securities Act or the rules and regulations promulgated thereunder. 9.4 Persons Having Rights under this Agreement. Nothing in this Agreement shall be construed to confer upon, or give to, any person or corporation other than the parties hereto and the Registered Holders of the Warrants any right, remedy, or claim under or by reason of this Agreement or of any covenant, condition, stipulation, promise, or agreement hereof. 9.7 Effect of Headings. The section headings herein are for convenience only and are not part of this Agreement and shall not affect the interpretation thereof.

9.8 Amendments. This Agreement may be amended by the parties hereto without the consent of any Registered Holder for the purpose of curing any ambiguity, or curing, correcting or supplementing any defective provision contained herein or adding or changing any other provisions with respect to matters or questions arising under this Agreement as the parties may deem necessary or desirable and that the parties deem shall not adversely affect the interest of the Registered Holders. Each Warrant entitles the holder, upon exercise during the period set forth in the Warrant Agreement referred to below, to receive from the Company that number of fully paid and non-assessable Class A ordinary shares as set forth below, at the exercise price (the “**Exercise Price**”) as determined pursuant to the Warrant Agreement, payable in lawful money (or through “**cashless exercise**” as provided for in the Warrant Agreement) of the United States of America upon surrender of this Warrant Certificate and payment of the Exercise Price at the office or agency of the Warrant Agent referred to below, subject to the conditions set forth herein and in the Warrant Agreement. Defined terms used in this Warrant Certificate but not defined herein shall have the meanings given to them in the Warrant Agreement.

Each whole Warrant is initially exercisable for one fully paid and non-assessable Class A ordinary share. The number of Class A ordinary shares issuable upon exercise of the Warrants is subject to adjustment upon the occurrence of certain events set forth in the Warrant Agreement.

The initial Exercise Price per Class A ordinary share for any Warrant is equal to \$11.50 per share. If, upon the exercise of Warrants, a holder would be entitled to receive a fractional interest in a Class A ordinary share, the Company will round down to the nearest whole number the number of Class A ordinary shares to be issued to the Warrant holder. The Exercise Price is subject to adjustment upon the occurrence of certain events set forth in the Warrant Agreement.

Subject to the conditions set forth in the Warrant Agreement, the Warrants may be exercised only during the Exercise Period and to the extent not exercised by the end of such Exercise Period, such Warrants shall become void. The Warrants may be redeemed, subject to certain conditions, as set forth in the Warrant Agreement.

## Form of Warrant Certificate

[Reverse]

The Warrants evidenced by this Warrant Certificate are part of a duly authorized issue of Warrants entitling the holder on exercise to receive Class A ordinary shares and are issued or to be issued pursuant to a Warrant Agreement dated as of February 7, 2022 (the “**Warrant Agreement**”), duly executed and delivered by the Company to Continental Stock Transfer & Trust Company, a New York corporation, as warrant agent (the “**Warrant Agent**”), which Warrant Agreement is hereby incorporated by reference in and made a part of this instrument and is hereby referred to for a description of the rights, limitation of rights, obligations, duties and immunities thereunder of the Warrant Agent, the Company and the holders (the words “**holders**” or “**holder**” meaning the Registered Holders or Registered Holder) of the Warrants. A copy of the Warrant Agreement may be obtained by the holder hereof upon written request to the Company. Defined terms used in this Warrant Certificate but not defined herein shall have the meanings given to them in the Warrant Agreement.

Warrants may be exercised at any time during the Exercise Period set forth in the Warrant Agreement. The holder of Warrants evidenced by this Warrant Certificate may exercise them by surrendering this Warrant Certificate, with the form of election to purchase set forth hereon properly completed and executed, together with payment of the Exercise Price as specified in the Warrant Agreement (or through “cashless exercise” as provided for in the Warrant Agreement) at the principal corporate trust office of the Warrant Agent. In the event that upon any exercise of Warrants evidenced hereby the number of Warrants exercised shall be less than the total number of Warrants evidenced hereby, there shall be issued to the holder hereof or his, her or its assignee, a new Warrant Certificate evidencing the number of Warrants not exercised.

Notwithstanding anything else in this Warrant Certificate or the Warrant Agreement, no Warrant may be exercised unless at the time of exercise (i) a registration statement covering the Class A ordinary shares to be issued upon exercise is effective under the Securities Act and (ii) a prospectus thereunder relating to the Class A ordinary shares is current, except through “cashless exercise” as provided for in the Warrant Agreement.

The Warrant Agreement provides that upon the occurrence of certain events the number of Class A ordinary shares issuable upon exercise of the Warrants set forth on the face hereof may, subject to certain conditions, be adjusted. If, upon exercise of a Warrant, the holder thereof would be entitled to receive a fractional interest in a Class A ordinary share, the Company shall, upon exercise, round down to the nearest whole number of Class A ordinary shares to be issued to the holder of the Warrant.

Warrant Certificates, when surrendered at the principal corporate trust office of the Warrant Agent by the Registered Holder thereof in person or by legal representative or attorney duly authorized in writing, may be exchanged, in the manner and subject to the limitations provided in the Warrant Agreement, but without payment of any service charge, for another Warrant Certificate or Warrant Certificates of like tenor evidencing in the aggregate a like number of Warrants.

Upon due presentation for registration of transfer of this Warrant Certificate at the office of the Warrant Agent a new Warrant Certificate or Warrant Certificates of like tenor and evidencing in the aggregate a like number of Warrants shall be issued to the transferee(s) in exchange for this Warrant Certificate, subject to the limitations provided in the Warrant Agreement, without charge except for any tax or other governmental charge imposed in connection therewith.

The Company and the Warrant Agent may deem and treat the Registered Holder(s) hereof as the absolute owner(s) of this Warrant Certificate (notwithstanding any notation of ownership or other writing hereon made by anyone), for the purpose of any exercise hereof, of any distribution to the holder(s) hereof, and for all other purposes, and neither the Company nor the Warrant Agent shall be affected by any notice to the contrary. Neither the Warrants nor this Warrant Certificate entitles any holder hereof to any rights of a stockholder of the Company.

**RIGHTS AGREEMENT**

WHEREAS, the Company is engaged in a public offering (“Public Offering”) of Units and, in connection therewith, will issue and deliver up to 20,000,000 Rights (or up to 23,000,000 Rights if the underwriters’ over-allotment option is exercised in full) to the public investors; and

WHEREAS, the Company has filed with the Securities and Exchange Commission (the “SEC”) a registration statement on Form S-1, File No. 333-261753 (“Registration Statement”), and related prospectus (“Prospectus”) for the registration, under the Securities Act of 1933, as amended (“Act”), of, among other securities, the Rights and the Class A Ordinary Shares issuable to the holders of the Rights; and

WHEREAS, the Company desires the Rights Agent to act on behalf of the Company, and the Rights Agent is willing to so act, in connection with the issuance, registration, transfer and exchange of the Rights; and

WHEREAS, the Company desires to provide for the form and provisions of the Rights, the terms upon which they shall be issued, and the respective rights, limitation of rights, and immunities of the Company, the Rights Agent, and the holders of the Rights; and

WHEREAS, all acts and things have been done and performed which are necessary to make the Rights, when executed on behalf of the Company and countersigned by or on behalf of the Rights Agent, as provided herein, the valid, binding and legal obligations of the Company, and to authorize the execution and delivery of this Agreement.

NOW, THEREFORE, in consideration of the mutual agreements herein contained, the parties hereto agree as follows:

1. Appointment of Rights Agent. The Company hereby appoints the Rights Agent to act as agent for the Company for the Rights, and the Rights Agent hereby accepts such appointment and agrees to perform the same in accordance with the terms and conditions set forth in this Agreement.

2. Rights.

2.1. Form of Right. Each Right shall be issued in registered form only, shall be in substantially the form of Exhibit A hereto, the provisions of which are incorporated herein and shall be signed by, or bear the facsimile signature of, the Chairman of the Board or Chief Executive Officer and the Secretary of the Company and shall bear a facsimile of the Company’s seal. In the event the person whose facsimile signature has been placed upon any Right shall have ceased to serve in the capacity in which such person signed the Right before such Right is issued, it may be issued with the same effect as if he or she had not ceased to be such at the date of issuance.

2.2. Effect of Countersignature. Unless and until countersigned by the Rights Agent pursuant to this Agreement, a Right shall be invalid and of no effect and may not be exchanged for Class A Ordinary Shares.

2.3. Registration.

2.3.1 Right Register. The Rights Agent shall maintain books (“Right Register”) for the registration of original issuance and the registration of transfer of the Rights. Upon the initial issuance of the Rights, the Rights Agent shall issue and register the Rights in the names of the respective holders thereof in such denominations and otherwise in accordance with instructions delivered to the Rights Agent by the Company.

2.3.2 Registered Holder. Prior to due presentment for registration of transfer of any Right, the Company and the Rights Agent may deem and treat the person in whose name such Right shall be registered upon the Right Register (“registered holder”) as the absolute owner of such Right and of each Right represented thereby (notwithstanding any notation of ownership or other writing on the Right Certificate made by anyone other than the Company or the Rights Agent), for the purpose of the exchange thereof, and for all other purposes, and neither the Company nor the Rights Agent shall be affected by any notice to the contrary.

2.4. Detachability of Rights. The securities comprising the Units, including the Rights, will not be separately transferable until the earlier to occur of: (i) the 52nd day following the date of the Prospectus or (ii) the announcement by Maxim Group LLC, as representative of the underwriters in the Public Offering, of its intention to allow separate earlier trading, except that in no event will the securities comprising the Units be separately tradeable until the Company files a Current Report on Form 8-K with the SEC which includes an audited balance sheet reflecting the receipt by the Company of the gross proceeds of the Public Offering including the proceeds received by the Company from the exercise of the over-allotment option, if the over-allotment option is exercised by the date thereof and the Company issues a press release and files a Current Report on Form 8-K with the SEC announcing when such separate trading shall begin.

### 3. Terms and Exchange of Rights

3.1. Rights. Each Right shall entitle the holder thereof to receive one-tenth of one Class A Ordinary Share upon the happening of an Exchange Event (defined below). No additional consideration shall be paid by a holder of Rights in order to receive his, her or its Class A Ordinary Shares upon an Exchange Event as the purchase price for such Class A Ordinary Shares has been included in the purchase price for the Units. In no event will the Company be required to net cash settle the Rights or issue fractional Ordinary Shares.

3.2. Exchange Event. An “Exchange Event” shall occur upon the Company’s consummation of an initial Business Combination (as defined in the Company’s Amended and Restated Memorandum and Articles of Association).

#### 3.3. Exchange of Rights.

3.3.1 Issuance of Ordinary Shares. As soon as practicable upon the occurrence of an Exchange Event, the Company shall direct holders of the Rights to return their Rights Certificates to the Rights Agent. Upon receipt of a valid Rights Certificate, the Company shall issue to the registered holder of such Right(s) the number of full Ordinary Shares to which he, she or it is entitled, registered in such name or names as may be directed by him, her or it and issue to such registered holder(s) a certificate or book-entry position for the such shares. Notwithstanding the foregoing, or any provision contained in this Agreement to the contrary, in no event will the Company be required to net cash settle the Rights. The Company shall not issue fractional shares upon exchange of Rights. In the event that any holder would otherwise be entitled to any fractional share upon exchange of Rights, at the time of an Exchange Event, the Company will instruct the Right Agent how any such entitlement will be addressed. To the fullest extent permitted by the Company’s Amended and Restated Memorandum and Articles of Association the Company reserves the right to deal with any such fractional entitlement at the relevant time in any manner permitted by the Act and the Amended and Restated Memorandum and Articles, which would include the rounding down of any entitlement to receive Ordinary Shares to the nearest whole share (and in effect extinguishing any fractional entitlement), or the holder being entitled to hold any remaining fractional entitlement (without any share being issued) and to aggregate the same with any future fractional entitlement to receive shares in the Company until the holder is entitled to receive a whole number. Any rounding down and extinguishment may be done with or without any in lieu cash payment or other compensation being made to the holder of the relevant Rights, such that value received on exchange of the Rights may be considered less than the value that the holder would otherwise expect to receive.

3.3.2 Valid Issuance. All Ordinary Shares issued upon an Exchange Event in conformity with this Agreement and the Amended and Restated Memorandum and Articles of Association of the Company, and upon registration in the register of members of the Company, shall be validly issued, fully paid and nonassessable.

3.3.3 Date of Issuance. Each person in whose name any such certificate or book-entry position for Ordinary Shares is issued shall for all purposes be deemed to have become the holder of record of such shares on the date of the Exchange Event, irrespective of the date of delivery of such certificate or entry of position.

3.3.4 Company Not Surviving Following Exchange Event. Upon an Exchange Event in which the Company does not continue as the publicly held reporting entity, the definitive agreement will provide for the holders of Rights to receive the same per share consideration the holders of the Ordinary Shares will receive in such transaction, for the number of shares such holder is entitled to pursuant to Section 3.3.1 above. If the Company does not continue as the publicly held reporting entity upon an Exchange Event, each holder of a Right will be required to affirmatively convert his/her or its rights in order to receive the 1/10 share underlying each right (without paying any additional consideration) upon consummation of the Exchange Event. In such a case, each holder of a Right will be required to indicate his, her or its election to convert the Rights into underlying shares as well as to return the original certificates evidencing the Rights to the Company.

3.4. Duration of Rights. If an Exchange Event does not occur within the time period set forth in the Company's Amended and Restated Memorandum and Articles of Association, as the same may be amended from time to time, the Rights shall expire and shall be worthless.

#### 4. Transfer and Exchange of Rights.

4.1. Registration of Transfer. The Rights Agent shall register the transfer, from time to time, of any outstanding Right upon the Right Register, upon surrender of such Right for transfer, properly endorsed with signatures properly guaranteed and accompanied by appropriate instructions for transfer. Upon any such transfer, a new Right representing an equal aggregate number of Rights shall be issued and the old Right shall be cancelled by the Rights Agent. The Rights so cancelled shall be delivered by the Rights Agent to the Company from time to time upon request.

4.2. Procedure for Surrender of Rights. Rights may be surrendered to the Rights Agent, together with a written request for exchange or transfer, and thereupon the Rights Agent shall issue in exchange therefor one or more new Rights as requested by the registered holder of the Rights so surrendered, representing an equal aggregate number of Rights; provided, however, that in the event that a Right surrendered for transfer bears a restrictive legend and the new Rights to be issued will not bear a restrictive legend, the Rights Agent shall not cancel such Right and issue new Rights in exchange therefor until the Rights Agent has received an opinion of counsel for the Company stating that such transfer may be made and indicating no restrictive legend is required.

4.3. Fractional Rights. The Rights Agent shall not be required to effect any registration of transfer or exchange which will result in the issuance of a Right Certificate for a fraction of a Right.

4.4. Service Charges. No service charge shall be made for any exchange or registration of transfer of Rights.

4.5. Right Execution and Countersignature. The Rights Agent is hereby authorized to countersign and to deliver, in accordance with the terms of this Agreement, the Rights required to be issued pursuant to the provisions of this Section 4, and the Company, whenever required by the Rights Agent, will supply the Rights Agent with Rights duly executed on behalf of the Company for such purpose.

5. Other Provisions Relating to Rights of Holders of Rights.

5.1. No Rights as Shareholder. Until exchange of a Right for Ordinary Shares as provided for herein, a Right does not entitle the registered holder thereof to any of the rights of a shareholder of the Company, including, without limitation, the right to receive dividends, or other distributions, exercise any preemptive rights to vote or to consent or to receive notice as shareholders in respect of the meetings of shareholders or the election of directors of the Company or any other matter.

5.2. Lost, Stolen, Mutilated, or Destroyed Rights. If any Right is lost, stolen, mutilated, or destroyed, the Company and the Rights Agent may on such terms as to indemnity or otherwise as they may in their discretion impose (which shall, in the case of a mutilated Right, include the surrender thereof), issue a new Right of like denomination, tenor, and date as the Right so lost, stolen, mutilated, or destroyed. Any such new Right shall constitute a substitute contractual obligation of the Company, whether or not the allegedly lost, stolen, mutilated, or destroyed Right shall be at any time enforceable by anyone.

5.3. Reservation of Ordinary Shares. The Company shall at all times reserve and keep available a number of its authorized but unissued Ordinary Shares that will be sufficient to permit the exchange of all outstanding Rights issued pursuant to this Agreement.

6. Concerning the Rights Agent and Other Matters.

6.1. Payment of Taxes. The Company will from time to time promptly pay all taxes and charges that may be imposed upon the Company or the Rights Agent in respect of the issuance or delivery of Ordinary Shares upon the exchange of Rights, but the Company shall not be obligated to pay any transfer taxes in respect of the Rights or such Ordinary Shares.

6.2. Resignation, Consolidation, or Merger of Rights Agent.

6.2.1 Appointment of Successor Rights Agent. The Rights Agent, or any successor to it hereafter appointed, may resign its duties and be discharged from all further duties and liabilities hereunder after giving sixty (60) days' notice in writing to the Company. If the office of the Rights Agent becomes vacant by resignation or incapacity to act or otherwise, the Company shall appoint in writing a successor Rights Agent in place of the Rights Agent. If the Company shall fail to make such appointment within a period of 30 days after it has been notified in writing of such resignation or incapacity by the Rights Agent or by the holder of the Right (who shall, with such notice, submit his, her or its Right for inspection by the Company), then the holder of any Right may apply to the Supreme Court of the State of New York for the County of New York for the appointment of a successor Rights Agent at the Company's cost. Any successor Rights Agent, whether appointed by the Company or by such court, shall be a corporation organized and existing under the laws of the State of New York, in good standing and having its principal office in the Borough of Manhattan, City and State of New York, and authorized under such laws to exercise corporate trust powers and subject to supervision or examination by federal or state authority. After appointment, any successor Rights Agent shall be vested with all the authority, powers, rights, immunities, duties, and obligations of its predecessor Rights Agent with like effect as if originally named as Rights Agent hereunder, without any further act or deed; but if for any reason it becomes necessary or appropriate, the predecessor Rights Agent shall execute and deliver, at the expense of the Company, an instrument transferring to such successor Rights Agent all the authority, powers, and rights of such predecessor Rights Agent hereunder; and upon request of any successor Rights Agent the Company shall make, execute, acknowledge, and deliver any and all instruments in writing for more fully and effectually vesting in and confirming to such successor Rights Agent all such authority, powers, rights, immunities, duties, and obligations.

6.2.2 Notice of Successor Rights Agent. In the event a successor Rights Agent shall be appointed, the Company shall give notice thereof to the predecessor Rights Agent and the transfer agent for the Ordinary Shares not later than the effective date of any such appointment.

6.2.3 Merger or Consolidation of Rights Agent. Any corporation into which the Rights Agent may be merged or with which it may be consolidated or any corporation resulting from any merger or consolidation to which the Rights Agent shall be a party shall be the successor Rights Agent under this Agreement without any further act.

### 6.3. Fees and Expenses of Rights Agent.

6.3.1 Remuneration. The Company agrees to pay the Rights Agent reasonable remuneration for its services as such Rights Agent hereunder and will reimburse the Rights Agent upon demand for all expenditures that the Rights Agent may reasonably incur in the execution of its duties hereunder.

6.3.2 Further Assurances. The Company agrees to perform, execute, acknowledge, and deliver or cause to be performed, executed, acknowledged, and delivered all such further and other acts, instruments, and assurances as may reasonably be required by the Rights Agent for the carrying out or performing of the provisions of this Agreement.

### 6.4. Liability of Rights Agent.

6.4.1 Reliance on Company Statement. Whenever in the performance of its duties under this Agreement, the Rights Agent shall deem it necessary or desirable that any fact or matter be proved or established by the Company prior to taking or suffering any action hereunder, such fact or matter (unless other evidence in respect thereof be herein specifically prescribed) may be deemed to be conclusively proved and established by a statement signed by the Chief Executive Officer or Chief Financial Officer and delivered to the Rights Agent. The Rights Agent may rely upon such statement for any action taken or suffered in good faith by it pursuant to the provisions of this Agreement.

6.4.2 Indemnity. The Rights Agent shall be liable hereunder only for its own gross negligence, willful misconduct or bad faith. Subject to Section 6.6 below, the Company agrees to indemnify the Rights Agent and save it harmless against any and all liabilities, including judgments, costs and reasonable counsel fees, for anything done or omitted by the Rights Agent in the execution of this Agreement except as a result of the Rights Agent's gross negligence, willful misconduct, or bad faith.

6.4.3 Exclusions. The Rights Agent shall have no responsibility with respect to the validity of this Agreement or with respect to the validity or execution of any Right (except its countersignature thereof); nor shall it be responsible for any breach by the Company of any covenant or condition contained in this Agreement or in any Right; nor shall it by any act hereunder be deemed to make any representation or warranty as to the authorization or reservation of any Ordinary Shares to be issued pursuant to this Agreement or any Right or as to whether any Ordinary Shares will when issued be valid and fully paid and nonassessable.

6.5. Acceptance of Agency. The Rights Agent hereby accepts the agency established by this Agreement and agrees to perform the same upon the terms and conditions herein set forth.

6.6. Waiver. The Rights Agent hereby waives any right of set-off or any other right, title, interest or claim of any kind ("Claim") in, or to any distribution of, the Trust Account (as defined in that certain Investment Management Trust Agreement, dated as of the date hereof, by and between the Company and the Rights Agent as trustee thereunder) and hereby agrees not to seek recourse, reimbursement, payment or satisfaction for any Claim against the Trust Account for any reason whatsoever.

7. Miscellaneous Provisions.

7.1. Successors. All the covenants and provisions of this Agreement by or for the benefit of the Company or the Rights Agent shall bind and inure to the benefit of their respective successors and assigns.

7.2. Notices. Any notice, statement or demand authorized by this Agreement to be given or made by the Rights Agent or by the holder of any Right to or on the Company shall be sufficiently given when so delivered if by hand or overnight delivery or if sent by certified mail or private courier service within five days after deposit of such notice, postage prepaid, addressed (until another address is filed in writing by the Company with the Rights Agent), as follows:

7.3. Applicable Law. The validity, interpretation, and performance of this Agreement and of the Rights shall be governed in all respects by the laws of the State of New York, without giving effect to conflicts of law principles that would result in the application of the substantive laws of another jurisdiction. The Company hereby agrees that any action, proceeding or claim against it arising out of or relating in any way to this Agreement shall be brought and enforced in the courts of the State of New York or the United States District Court for the Southern District of New York, and irrevocably submits to such jurisdiction, which jurisdiction shall be exclusive. The Company hereby waives any objection to such exclusive jurisdiction and that such courts represent an inconvenient forum. Notwithstanding the foregoing, the provisions of this paragraph will not apply to suits brought to enforce any liability or duty created by the Exchange Act or any other claim for which the federal district courts of the United States of America are the sole and exclusive forum.

Any person or entity purchasing or otherwise acquiring any interest in the Rights shall be deemed to have notice of and to have consented to the forum provisions in this Section 7.3. If any action, the subject matter of which is within the scope the forum provisions above, is filed in a court other than a court located within the State of New York or the United States District Court for the Southern District of New York (a “**foreign action**”) in the name of any right holder, such right holder shall be deemed to have consented to: (x) the personal jurisdiction of the state and federal courts located within the State of New York or the United States District Court for the Southern District of New York in connection with any action brought in any such court to enforce the forum provisions (an “**enforcement action**”), and (y) having service of process made upon such right holder in any such enforcement action by service upon such right holder’s counsel in the foreign action as agent for such right holder.

Any such process or summons to be served upon the Company may be served by transmitting a copy thereof by registered or certified mail, return receipt requested, postage prepaid, addressed to it at the address set forth in Section 7.2 hereof. Such mailing shall be deemed personal service and shall be legal and binding upon the Company in any action, proceeding or claim.

7.4. Persons Having Rights under this Agreement. Nothing in this Agreement expressed and nothing that may be implied from any of the provisions hereof is intended, or shall be construed, to confer upon, or give to, any person or corporation other than the parties hereto and the registered holders of the Rights and, for the purposes of Sections 7.4 and 7.8 hereof, Maxim Group LLC, any right, remedy, or claim under or by reason of this Agreement or of any covenant, condition, stipulation, promise, or agreement hereof. Maxim Group LLC shall be deemed to be a third-party beneficiary of this Agreement with respect to Sections 7.4 and 7.8 hereof. All covenants, conditions, stipulations, promises, and agreements contained in this Agreement shall be for the sole and exclusive benefit of the parties hereto (and Maxim Group LLC with respect to the Sections 7.4 and 7.8 hereof) and their successors and assigns and of the registered holders of the Rights. The provisions of this Section 7.4 may not be modified, amended or deleted without the prior written consent of Maxim Group LLC.

7.5. Examination of the Right Agreement. A copy of this Agreement shall be available at all reasonable times at the office of the Rights Agent in the Borough of Manhattan, City and State of New York, for inspection by the registered holder of any Right. The Rights Agent may require any such holder to submit his, her or its Right for inspection by it.

7.6. Counterparts. This Agreement may be executed in any number of original or facsimile counterparts and each of such counterparts shall for all purposes be deemed to be an original, and all such counterparts shall together constitute but one and the same instrument.

7.7. Effect of Headings. The Section headings herein are for convenience only and are not part of this Agreement and shall not affect the interpretation thereof.

7.8. Amendments. This Agreement may be amended by the parties hereto without the consent of any registered holder for the purpose of curing any ambiguity, or of curing, correcting or supplementing any defective provision contained herein or adding or changing any other provisions with respect to matters or questions arising under this Agreement as the parties may deem necessary or desirable and that the parties deem shall not adversely affect the interest of the registered holders. All other modifications or amendments shall require the written consent or vote of the registered holders of a majority of the then outstanding Rights. The provisions of this Section 7.8 may not be modified, amended or deleted without the prior written consent of Maxim Group LLC.

7.9. Severability. This Agreement shall be deemed severable, and the invalidity or unenforceability of any term or provision hereof shall not affect the validity or enforceability of this Agreement or of any other term or provision hereof. Furthermore, in lieu of any such invalid or unenforceable term or provision, the parties hereto intend that there shall be added as a part of this Agreement a provision as similar in terms to such invalid or unenforceable provision as may be possible and be valid and enforceable.

Re: Initial Public Offering

Ladies and Gentlemen:

This letter (this "**Letter Agreement**") is being delivered to you in accordance with the Underwriting Agreement (the "**Underwriting Agreement**") to be entered into by and between Aurora Technology Acquisition Corp., a Cayman Islands exempted company (the "**Company**"), and Maxim Group LLC (the "**Representative**"), as the representative of the several underwriters (the "**Underwriters**"), relating to an underwritten initial public offering (the "**Public Offering**") of up to 23,000,000 of the Company's units (including up to 3,000,000 units that may be purchased to cover over-allotments, if any) (the "**Units**"), each comprised of one Class A ordinary share of the Company, par value \$0.0001 per share (the "**Class A ordinary shares**"), and one right (the "**Right**"). Each Right entitles the holder thereof to receive one-tenth (1/10) of one Class A ordinary share upon the consummation of the Company's initial business combination, subject to adjustment. The Units shall be sold in the Public Offering pursuant to a registration statement on Form S-1 and prospectus (the "**Prospectus**") filed by the Company with the Securities and Exchange Commission (the "**Commission**") and the Company shall apply to have the Units listed on the Nasdaq Global Market. Certain capitalized terms used herein are defined in paragraph 10 hereof.

In order to induce the Company and the Underwriters to enter into the Underwriting Agreement and to proceed with the Public Offering and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, ATAC Sponsor LLC, a Delaware limited liability company (the "**Sponsor**"), and the other undersigned persons (each, an "**Insider**" and collectively, the "**Insiders**"), hereby agrees with the Company as follows:

1. The Sponsor and each Insider agrees that if the Company seeks shareholder approval of a proposed Business Combination (as defined below), then in connection with such proposed Business Combination, it, he or she shall (i) vote any Shares owned by it, him or her in favor of any proposed Business Combination and (ii) not redeem any Shares owned by it, him or her in connection with such shareholder approval.
2. (a) The Sponsor hereby agrees that in the event that the Company fails to consummate a Business Combination within 12 months, the time period by which the Company must consummate a Business Combination may be extended by up to six months (or, if the Cayman Islands Registrar shall not be open for business (including filing of corporate documents) on such date the next date upon which the Cayman Islands Registrar shall be open). If the Sponsor determines to seek such extension, the Sponsor will deposit into the Trust Account, for each additional three month period, \$2,000,000, or up to \$2,300,000 if the Underwriters' over-allotment option is exercised in full (\$0.10 per share). Such extension payments would be made in the form of non-interest bearing loans to the Company (the "**Extension Loans**"), which are due and payable on the consummation of a Business Combination out of the proceeds of the Trust Account released to the Company. Sponsor hereby waives its right to be repaid for any Extension Loans in the event that the Company does not consummate a Business Combination.

(b) The Sponsor and each Insider hereby agrees that in the event that the Company fails to consummate a Business Combination within 12 months from the closing of the Public Offering (or up to 18 months from the closing of the Public Offering if the Company extends the period of time to consummate a Business Combination, as described in more detail in the Prospectus), or such later period approved by the Company's shareholders in accordance with the Company's amended and restated memorandum and articles of association, the Sponsor and each Insider shall take all reasonable steps to

cause the Company to (i) cease all operations except for the purpose of winding up, (ii) as promptly as reasonably possible but not more than ten (10) business days thereafter, subject to lawfully available funds therefor, redeem 100% of the Class A ordinary shares sold as part of the Units in the Public Offering (the “**Offering Shares**”), at a per share price, payable in cash, equal to the aggregate amount then on deposit in the Trust Account, including interest (which interest shall be net of taxes payable and less up to \$50,000 of interest to pay dissolution expenses), divided by the number of then outstanding Offering Shares, which redemption will completely extinguish all Public Shareholders’ rights as shareholders (including the right to receive further liquidation distributions, if any), subject to applicable law, and (iii) as promptly as reasonably possible following such redemption, subject to the approval of the Company’s remaining shareholders and the Company’s board of directors, dissolve and liquidate, subject in each case to the Company’s obligations under Cayman Islands law to provide for claims of creditors and other requirements of applicable law. The Sponsor and each Insider agrees to not propose any amendment to the Company’s amended and restated memorandum and articles of association (a) that would affect the ability of Public Shareholders to exercise redemption rights with respect to the Offering Shares or modify the substance or timing of the Company’s obligation to redeem 100% of the Offering Shares if the Company does not complete a Business Combination within 12 months (or up to 18 months) from the closing of the Public Offering, or (b) with respect to any other provision relating to shareholders’ rights or pre-initial Business Combination activity, unless the Company provides its Public Shareholders with the opportunity to redeem their Offering Shares upon approval of any such amendment at a per share price, payable in cash, equal to the aggregate amount then on deposit in the Trust Account, including interest (which interest shall be net of taxes payable), divided by the number of then outstanding Offering Shares.

The Sponsor and each Insider acknowledges that it, he or she has no right, title, interest or claim of any kind in or to any monies held in the Trust Account or any other asset of the Company as a result of any liquidation of the Company with respect to the Founder Shares (as defined below) held by it. The Sponsor and each Insider hereby further waives, with respect to any Shares held by it, him or her, if any, any redemption rights it, he or she may have in connection with the consummation of a Business Combination, including, without limitation, any such rights available in the context of a shareholder vote to approve such Business Combination or in the context of a tender offer made by the Company to purchase Class A ordinary shares (although the Sponsor and the Insiders shall be entitled to redemption and liquidation rights with respect to any Offering Shares it or they hold if the Company fails to consummate a Business Combination within 12 months (or up to 18 months) from the closing of the Public Offering, or such later period approved by the Company’s shareholders in accordance with the Company’s amended and restated memorandum and articles of association).

3. In the event of the liquidation of the Trust Account, the Sponsor (which for purposes of clarification shall not extend to any other equity holders, members or managers of the Sponsor) agrees to indemnify and hold harmless the Company against any and all loss, liability, claim, damage and expense whatsoever (including, but not limited to, any and all legal or other expenses reasonably incurred in investigating, preparing or defending against any litigation, whether pending or threatened, or any claim whatsoever) to which the Company may become subject as a result of any claim by (i) any third party (other than the Company’s independent public accountants) for services rendered or products sold to the Company or (ii) a prospective target business with which the Company has discussed entering into a transaction agreement (a “**Target**”); provided, however, that such indemnification of the Company by the Sponsor shall apply only to the extent necessary to ensure that such claims by a third party for services rendered (other than the Company’s independent public accountants) or products sold to the Company or a Target do not reduce the amount of funds in the Trust Account to below (i) \$10.00 per share of the Offering Shares or (ii) such lesser amount per share of the Offering Shares held in the Trust Account due to reductions in the value of the trust assets as of the date of the liquidation of the Trust Account, in each case, net of the amount of interest earned on the property in the Trust Account which may be withdrawn to pay taxes, except as to any claims by a third party (including a Target) who executed a waiver of any and all rights to seek access to the Trust Account and except as to any claims under the Company’s indemnity of the Underwriters against certain liabilities, including liabilities under the Securities Act of 1933, as amended. In the event that any such executed waiver is deemed to be unenforceable against such third party, the Sponsor shall not be responsible to the extent of any liability for such third party claims. The Sponsor shall have the right to defend against any such claim with counsel of its choice reasonably satisfactory to the Company if, within 15 days following written receipt of notice of the claim to the Sponsor, the Sponsor notifies the Company in writing that it shall undertake such defense.

4. To the extent that the Underwriters do not exercise their over-allotment option to purchase up to an additional 3,000,000 Units within 45 days from the date of the Prospectus (and as further described in the Prospectus), the Sponsor agrees that it shall forfeit, at no cost, a number of Founder Shares in the aggregate equal to 750,000 multiplied by a fraction, (i) the numerator of which is 3,000,000 minus the number of Units purchased by the Underwriters upon the exercise of their over-allotment option, and (ii) the denominator of which is 3,000,000.

All references in this Letter Agreement to Founder Shares of the Company being forfeited shall take effect as surrenders for no consideration of such Founder Shares as a matter of Cayman Islands law. The forfeiture will be adjusted to the extent that the over-allotment option is not exercised in full by the Underwriters so that the Founder Shares will represent 20.0% of the Company's issued and outstanding Shares after the Public Offering (assuming the Initial Shareholders do not purchase any units in the Public Offering and excluding the Representative Shares and Private Shares). The Initial Shareholders further agree that to the extent that the size of the Public Offering is increased or decreased, the Company will effect a capitalization or share repurchase or redemption or other appropriate mechanism, as applicable, immediately prior to the consummation of the Public Offering in such amount as to maintain the ownership of the Initial Shareholders prior to the Public Offering at 20.0% of the Company's issued and outstanding Shares upon the consummation of the Public Offering (assuming the Initial Shareholders do not purchase any units in the Public Offering and excluding the Representative Shares and Private Shares). In connection with such increase or decrease in the size of the Public Offering, then (A) the references to 3,000,000 in the numerator and denominator of the formula in the first sentence of this paragraph shall be changed to a number equal to 15% of the number of Class A ordinary shares included in the Units issued in the Public Offering and (B) the reference to 750,000 in the formula set forth in the immediately preceding sentence shall be adjusted to such number of Founder Shares that the Founder Shares would represent an aggregate of 20.0% of the Company's issued and outstanding Shares after the Public Offering (assuming the Initial Shareholders do not purchase any units in the Public Offering and excluding the Representative Shares).

5. The Sponsor and each Insider hereby agrees and acknowledges that: (i) the Underwriters and the Company would be irreparably injured in the event of a breach by such Sponsor or Insider of its, his or her obligations under paragraphs 1, 2, 3, 4, 6(a), 6(b) and 8 of this Letter Agreement (ii) monetary damages may not be an adequate remedy for such breach and (iii) the non-breaching party shall be entitled to seek injunctive relief, in addition to any other remedy that such party may have in law or in equity, in the event of such breach.

6. (a) The Sponsor and each Insider agrees that it, he or she shall not Transfer (as defined below) any Founder Shares (or Class A ordinary shares issuable upon conversion thereof) until the earlier of (A) six months after the date of the completion of the Company's initial Business Combination, (B) the date on which the closing price of the Company's Class A ordinary shares equals or exceeds \$12.00 per share (as adjusted for stock splits, stock dividends, reorganizations, recapitalizations and the like) for any 20 trading days within any 30-trading day period commencing after the Company's initial Business Combination, or (C) the date on which the Company completes a liquidation, merger, share exchange or other similar transaction which results in all of the Company's shareholders having the right to exchange their Class A ordinary shares for cash, securities or other property (the "**Founder Shares Lock-up Period**").

(b) The Sponsor and each Insider agrees that it, he or she shall not Transfer any Private Warrants until 30 days after the completion of a Business Combination (the "**Private Placement Warrants Lock-up Period**", together with the Founder Shares Lock-up Period, the "**Lock-up Periods**").

(c) Notwithstanding the provisions set forth in paragraphs 6(a) and 6(b), Transfers of the Founder Shares and Private Warrants, are permitted (a) to the Company's officers or directors, any affiliates or family members of any of the Company's officers or directors, any members of the Sponsor or any affiliates of the Sponsor; (b) in the case of an individual, by gift to a member of the individual's immediate family, or to a trust, the beneficiary of which is a member of the individual's immediate family or an affiliate of such person, or to a charitable organization; (c) in the case of an individual, by virtue of laws of descent and distribution upon death of the individual; (d) in the case of an individual, pursuant to a qualified domestic relations order; (e) by private sales or transfers made in connection with the consummation of the Company's Business Combination at prices no greater than the price at which the securities were originally purchased; (f) in the event of the Company's liquidation prior to the Company's completion of an initial Business Combination; (g) by virtue of the laws of the Cayman Islands or the Sponsor's limited liability company agreement, as amended from time to time, upon termination or dissolution of the Sponsor; or (h) in the event of the Company's completion of a liquidation, merger, amalgamation, share exchange, reorganization or other similar transaction which results in all of the Company's shareholders having the right to exchange their Class A ordinary shares for cash, securities or other property subsequent to the completion of the Company's initial Business Combination; provided, however, that, except in the case of clause (f) or with the Company's prior consent, these permitted transferees (the "**Permitted Transferees**") must enter into a written agreement with the Company agreeing to be bound by the transfer restrictions in this Agreement.

7. The Sponsor and each Insider represents and warrants that it, he or she has never been suspended or expelled from membership in any securities or commodities exchange or association or had a securities or commodities license or registration denied, suspended or revoked. Each Insider's biographical information furnished to the Company, if any (including any such information included in the Prospectus), is true and accurate in all respects and does not omit any material information with respect to such Insider's background. The Sponsor and each Insider's questionnaire furnished to the Company, if any, is true and accurate in all respects. The Sponsor and each Insider represents and warrants that: it, he or she is not subject to or a respondent in any legal action for, any injunction, cease-and-desist order or order or stipulation to desist or refrain from any act or practice relating to the offering of securities in any jurisdiction; it, he or she has never been convicted of, or pleaded guilty to, any crime (i) involving fraud, (ii) relating to any financial transaction or handling of funds of another person, or (iii) pertaining to any dealings in any securities and it, he or she is not currently a defendant in any such criminal proceeding.

8. Except as disclosed in the Prospectus, neither the Sponsor nor any Insider nor any affiliate of the Sponsor or any Insider, nor any director or officer of the Company, shall receive from the Company any finder's fee, reimbursement, consulting fee, monies in respect of any repayment of a loan or other compensation prior to, or in connection with any services rendered in order to effectuate the consummation of the Company's initial Business Combination (regardless of the type of transaction that it is).

9. The Sponsor and each Insider has full right and power, without violating any agreement to which it is bound (including, without limitation, any non-competition or non-solicitation agreement with any employer or former employer), to enter into this Letter Agreement and, as applicable, to serve as an officer and/or director on the board of directors of the Company and hereby consents to being named in the Prospectus as an officer/and or director of the Company.

10. As used herein, (i) "**Business Combination**" shall mean a merger, amalgamation, share exchange, asset acquisition, share purchase, reorganization or similar business combination, involving the Company and one or more businesses; (ii) "**Shares**" shall mean, collectively, the Class A ordinary shares and the Class B ordinary shares; (iii) "**Founder Shares**" shall mean the 5,750,000 Class B ordinary shares, par value \$0.0001 per share, issued and outstanding immediately prior to the consummation of the Public Offering; (iv) "**Initial Shareholders**" shall mean the Sponsor and any Insider that holds Founder Shares; (v) "**Private Warrants**" shall mean the 6,425,000 warrants (or up to 7,100,000 warrants if the over-allotment option is exercised in full), that the Sponsor has agreed to purchase, in the aggregate, for an aggregate purchase price of \$6,425,000 in the aggregate (or up to \$7,100,000 if the over-allotment option is exercised in full), or a purchase price of \$1.00 per Private Warrant, in a private placement that shall occur simultaneously with the consummation of the Public Offering; (vi) "**Public**

**Shareholders**” shall mean the holders of securities issued in the Public Offering; (vii) **“Trust Account”** shall mean the trust fund into which a portion of the net proceeds of the Public Offering shall be deposited; (viii) **“Representative Shares”** shall mean 300,000 Class A ordinary shares (or 345,000 Class A ordinary shares if the underwriters’ over-allotment option is exercised in full), par value \$0.0001 per share, issued to the Representative and outstanding immediately prior to the consummation of the Public Offering; and (ix) **“Transfer”** shall mean the (a) sale or assignment of, offer to sell, contract or agreement to sell, hypothecate, pledge, grant of any option to purchase or otherwise dispose of or agreement to dispose of, directly or indirectly, or establishment or increase of a put equivalent position or liquidation with respect to or decrease of a call equivalent position within the meaning of Section 16 of the Securities Exchange Act of 1934, as amended, (the **“Exchange Act”**), and the rules and regulations of the Commission promulgated thereunder with respect to, any security, (b) entry into any swap or other arrangement that transfers to another, in whole or in part, any of the economic consequences of ownership of any security, whether any such transaction is to be settled by delivery of such securities, in cash or otherwise, or (c) public announcement of any intention to effect any transaction specified in clause (a) or (b).

11. 12. No party hereto may assign either this Letter Agreement or any of its rights, interests, or obligations hereunder without the prior written consent of the other parties. Any purported assignment in violation of this paragraph shall be void and ineffectual and shall not operate to transfer or assign any interest or title to the purported assignee. This Letter Agreement shall be binding on the Sponsor and each Insider and their respective successors, heirs and assigns and Permitted Transferees.

13. This Letter Agreement may be executed in any number of original or facsimile counterparts and each of such counterparts shall for all purposes be deemed to be an original, and all such counterparts shall together constitute but one and the same instrument.

14. This Letter Agreement shall be deemed severable, and the invalidity or unenforceability of any term or provision hereof shall not affect the validity or enforceability of this Letter Agreement or of any other term or provision hereof. Furthermore, in lieu of any such invalid or unenforceable term or provision, the parties hereto intend that there shall be added as a part of this Letter Agreement a provision as similar in terms to such invalid or unenforceable provision as may be possible and be valid and enforceable.

15. This Letter Agreement shall be governed by and construed and enforced in accordance with the laws of the State of New York, without giving effect to conflicts of law principles that would result in the application of the substantive laws of another jurisdiction. The parties hereto (i) all agree that any action, proceeding, claim or dispute arising out of, or relating in any way to, this Letter Agreement shall be brought and enforced in the courts of New York City, in the State of New York, and irrevocably submit to such jurisdiction and venue, which jurisdiction and venue shall be exclusive and (ii) waive any objection to such exclusive jurisdiction and venue or that such courts represent an inconvenient forum.

16. Any notice, consent or request to be given in connection with any of the terms or provisions of this Letter Agreement shall be in writing and shall be sent by express mail or similar private courier service, by certified mail (return receipt requested), by hand delivery or facsimile transmission.

17. Each party hereto shall not be liable for any breaches or misrepresentations contained in this Letter Agreement by any other party to this Letter Agreement (including, for the avoidance of doubt, any Insider with respect to any other Insider), and no party shall be liable or responsible for the obligations of another party, including, without limitation, indemnification obligations and notice obligations.

18. This Letter Agreement shall terminate on the earlier of (i) the expiration of the Lock-up Periods or (ii) the liquidation of the Company; provided, however, that this Letter Agreement shall earlier terminate in the event that the Public Offering is not consummated and closed by December 30, 2022; provided further that paragraph 3 of this Letter Agreement shall survive such liquidation.

WHEREAS, the Company and the Trustee desire to enter into this Agreement to set forth the terms and conditions pursuant to which the Trustee shall hold the Property.

NOW THEREFORE, IT IS AGREED:

1. Agreements and Covenants of Trustee. The Trustee hereby agrees and covenants to:

(a) Hold the Property in trust for the Beneficiaries in accordance with the terms of this Agreement in the Trust Account established by the Trustee in the United States at J.P. (h) Render to the Company monthly written statements of the activities of, and amounts in, the Trust Account reflecting all receipts and disbursements of the Trust Account;

(i) Commence liquidation of the Trust Account only after and promptly after (x) receipt of, and only in accordance with, the terms of a letter from the Company ("**Termination Letter**") in a form substantially similar to that attached hereto as either Exhibit A or Exhibit B, as applicable, signed on behalf of the Company by its Chief Executive Officer, Chief Financial Officer, President, Executive Vice President, Vice President, Secretary or Chairman of the board of directors of the Company (the "**Board**") or other authorized officer of the Company, and, in the case of Exhibit A, acknowledged and agreed to by the Representatives, and complete the liquidation of the Trust Account and distribute the Property in the Trust Account, including interest earned on the funds held in the Trust Account and not previously released to the Company to pay its taxes (less up to \$50,000 of interest to pay dissolution expenses), only as directed in the Termination Letter and the other documents referred to therein, or (y) upon the date which is, the later of (1) 12 months (or up to 18 months) after the closing of the Offering and (2) such later date as may be approved by the Company's shareholders in accordance with the Company's amended and restated certificate of incorporation if a Termination Letter has not been received by the Trustee prior to such date, in which case the Trust Account shall be liquidated in accordance with the procedures set forth in the Termination Letter attached as Exhibit B and the Property in the Trust Account, including interest earned on the funds held in the Trust Account and not previously released to the Company to pay its taxes (less up to \$50,000 of interest to pay dissolution expenses), shall be distributed to the Public Shareholders of record as of such date;

The written request of the Company referenced above shall constitute presumptive evidence that the Company is entitled to said funds, and the Trustee shall have no responsibility to look beyond said request;

(k) Upon written request from the Company, which may be given from time to time in a form substantially similar to that attached hereto as Exhibit D (a “**Shareholder Redemption Withdrawal Instruction**”), the Trustee shall distribute on behalf of the Company the amount requested by the Company to be used to redeem Ordinary Share from Public Shareholders properly submitted in connection with a shareholder vote to approve an amendment to the Company’s amended and restated certificate of incorporation to modify the substance or timing of the Company’s obligation to redeem 100% of shares of included in the Units sold in the Offering (the “**public shares**”) if the Company has not consummated an initial Business Combination within such time as is described in the Company’s amended and restated certificate of incorporation or with respect to any other material provisions relating to shareholders’ rights or pre-initial Business Combination activity. The Trustee shall have the right to conduct and manage the defense against such Indemnified Claim; provided that the Trustee shall obtain the consent of the Company with respect to the selection of counsel, which consent shall not be unreasonably withheld. The Company shall pay the Trustee the initial acceptance fee and the first annual administration fee at the consummation of the Offering. The Company shall not be responsible for any other fees or charges of the Trustee except as set forth in this Section 2(c), Schedule A and as may be provided in Section 2(b) hereof;

(c) Institute any proceeding for the collection of any principal and income arising from, or institute, appear in or defend any proceeding of any kind with respect to, any of the Property unless and until it shall have received instructions from the Company given as provided herein to do so and the Company shall have advanced or guaranteed to it funds sufficient to pay any expenses incident thereto;

The Trustee may rely conclusively and shall be protected in acting upon any order, notice, demand, certificate, opinion or advice of counsel (including counsel chosen by the Trustee, which counsel may be the Company's counsel), statement, instrument, report or other paper or document (not only as to its due execution and the validity and effectiveness of its provisions, but also as to the truth and acceptability of any information therein contained) which the Trustee believes, in good faith and with reasonable care, to be genuine and to be signed or presented by the proper person or persons. The Trustee shall not be bound by any notice or demand, or any waiver, modification, termination or rescission of this Agreement or any of the terms hereof, unless evidenced by a written instrument delivered to the Trustee, signed by the proper party or parties and, if the duties or rights of the Trustee are affected, unless it shall give its prior written consent thereto;

In the event the Trustee has any Claim against the Company under this Agreement, including, without limitation, under Section 2(b) or Section 2(c) hereof, the Trustee shall pursue such Claim solely against the Company and its assets outside the Trust Account and not against the Property or any monies in the Trust Account.

5. Termination. This Agreement shall terminate as follows:

(a) If the Trustee gives written notice to the Company that it desires to resign under this Agreement, the Company shall use its reasonable efforts to locate a successor trustee, pending which the Trustee shall continue to act in accordance with this Agreement. At such time that the Company notifies the Trustee that a successor trustee has been appointed and has agreed to become subject to the terms of this Agreement, the Trustee shall transfer the management of the Trust Account to the successor trustee, including but not limited to the transfer of copies of the reports and statements relating to the Trust Account, whereupon this Agreement shall terminate; provided, however, that in the event that the Company does not locate a successor trustee within ninety (90) days of receipt of the resignation notice from the Trustee, the Trustee may submit an application to have the Property deposited with any court in the State of New York or with the United States District Court for the Southern District of New York and upon such deposit, the Trustee shall be immune from any liability whatsoever; or

(b) At such time that the Trustee has completed the liquidation of the Trust Account and its obligations in accordance with the provisions of Section 1(i) hereof and distributed the Property in accordance with the provisions of the Termination Letter, this Agreement shall terminate except with respect to Section 2(b).

6. Miscellaneous.

(a) The Company and the Trustee each acknowledge that the Trustee will follow the security procedures set forth below with respect to funds transferred from the Trust Account. The Company and the Trustee will each restrict access to confidential information relating to such security procedures to authorized persons. Each party must notify the other party immediately if it has reason to believe unauthorized persons may have obtained access to such confidential information, or of any change in its authorized personnel. In executing funds transfers, the Trustee shall rely upon all information supplied to it by the Company, including, account names, account numbers, and all other identifying information relating to a Beneficiary, Beneficiary's bank or intermediary bank. For purposes of this Section 6(d), the "Consent of the Shareholders" means receipt by the Trustee of a certificate from the inspector of elections of the shareholder meeting certifying that the Company's shareholders of record as of a record date established in accordance with the law of the Cayman Islands, who hold fifty percent (50%) or more of all then outstanding Ordinary Shares and Class B Ordinary Shares, par value \$0.0001 per share, of the Company voting together as a single class, have voted in favor of such change, amendment or modification. No such amendment will affect any Public Shareholder who has otherwise indicated his election to redeem his Ordinary Shares in connection with a shareholder vote sought to amend this Agreement to modify the substance or timing of the Company's obligation to redeem 100% of the Ordinary Shares if the Company does not complete its initial Business Combination within the time frame specified in the Company's amended and restated certificate of incorporation. Except for any liability arising out of the Trustee's gross negligence, fraud or willful misconduct, the Trustee may rely conclusively on the certification from the inspector or elections referenced above and shall be relieved of all liability to any party for executing the proposed amendment in reliance thereon.

(e) The parties hereto consent to the jurisdiction and venue of any state or federal court located in the City of New York, State of New York, for purposes of resolving any disputes hereunder. AS TO ANY CLAIM, CROSS-CLAIM OR COUNTERCLAIM IN ANY WAY RELATING TO THIS AGREEMENT, EACH PARTY WAIVES THE RIGHT TO TRIAL BY JURY.

In accordance with the terms of the Trust Agreement, we hereby authorize you to commence to liquidate all of the assets of the Trust Account and to transfer the proceeds to a segregated account held by you on behalf of the Beneficiaries to the effect that, on the Consummation Date, all of the funds held in the Trust Operating Account at JPMorgan Chase Bank, N.A. will be immediately available for transfer to the account or accounts that the Company shall direct on the Consummation Date (including as directed to it by the Representatives on behalf of the Underwriters (with respect to the Deferred Discount)).

You are hereby directed and authorized to transfer the funds held in the Trust Account immediately upon your receipt of the Notification and the Instruction Letter, in accordance with the terms of the Instruction Letter. Upon the distribution of all the funds, net of any payments necessary for reasonable unreimbursed expenses related to liquidating the Trust Account, your obligations under the Trust Agreement shall be terminated.

In the event that the Business Combination is not consummated on the Consummation Date described in the notice thereof and we have not notified you on or before the original Consummation Date of a new Consummation Date, then upon receipt by the Trustee of written instructions from the Company, the funds held in the Trust Account shall be reinvested as provided in Section 1(c) of the Trust Agreement on the business day immediately following the Consummation Date as set forth in such notice as soon thereafter as possible.

Subject to the provisions of subsection 2.1.4 and Section 2.4 hereof, at any time and from time to time on or after the date the Company consummates the initial Business Combination, the Holders may make a written demand for Registration of all or part of their Registrable Securities, which written demand shall describe the amount and type of securities to be included in such Registration and the intended method(s) of distribution thereof (such written demand a “**Demand Registration**”). The Company shall, within ten (10) days of the Company’s receipt of the Demand Registration, notify, in writing, all other Holders of Registrable Securities of such demand, and each Holder of Registrable Securities who thereafter wishes to include all or a portion of such Holder’s Registrable Securities in a Registration pursuant to a Demand Registration (each such Holder that includes all or a portion of such Holder’s Registrable Securities in such Registration, a “**Requesting Holder**”) shall so notify the Company, in writing, within five (5) days after the receipt by the Holder of the notice from the Company. Upon receipt by the Company of any such written notification from a Requesting Holder(s) to the Company, such Requesting Holder(s) shall be entitled to have their Registrable Securities included in a Registration pursuant to a Demand Registration and the Company shall (i) file a Registration Statement in respect of all Registrable Securities requested by the Sponsor and Requesting Holder(s) pursuant such Demand Registration, not more than forty five (45) days immediately

after the Company's receipt of the Demand Registration, and (ii) shall effect the registration thereof as soon as practicable thereafter. Under no circumstances shall the Company be obligated to effect more than an aggregate of three (3) Registrations pursuant to a Demand Registration under this subsection 2.1.1 with respect to any or all Registrable Securities; provided, however, that a Registration shall not be counted for such purposes unless a Form S-1 or any similar long-form registration statement that may be available at such time ("Form S-1") has become effective and all of the Registrable Securities requested by the Requesting Holders to be registered on behalf of the Requesting Holders in such Form S-1 Registration have been sold, in accordance with Section 3.1 of this Agreement.

2.1.2 Effective Registration. Notwithstanding the provisions of subsection 2.1.1 above or any other part of this Agreement, a Registration pursuant to a Demand Registration shall not count as a Registration unless and until (i) the Registration Statement filed with the Commission with respect to a Registration pursuant to a Demand Registration has been declared effective by the Commission and (ii) the Company has complied with all of its obligations under this Agreement with respect thereto; provided, further, that if, after such Registration Statement has been declared effective, an offering of Registrable Securities in a Registration pursuant to a Demand Registration is subsequently interfered with by any stop order or injunction of the Commission, federal or state court or any other governmental agency the Registration Statement with respect to such Registration shall be deemed not to have been declared effective, unless and until, (i) such stop order or injunction is removed, rescinded or otherwise terminated, and (ii) the Sponsor thereafter affirmatively elects to continue with such Registration and accordingly notify the Company in writing, but in no event later than five (5) days, of such election; provided, further, that the Company shall not be obligated or required to file another Registration Statement until the Registration Statement that has been previously filed with respect to a Registration pursuant to a Demand Registration becomes effective or is subsequently terminated.

Subject to the provisions of subsection 2.1.4 and Section 2.4 hereof, if the Sponsor so advises the Company as part of its Demand Registration that the offering of the Registrable Securities pursuant to such Demand Registration shall be in the form of an Underwritten Offering, then the right of the Sponsor or Requesting Holder (if any) to include its Registrable Securities in such Registration shall be conditioned upon such Holder's participation in such Underwritten Offering and the inclusion of such Holder's Registrable Securities in such Underwritten Offering to the extent provided herein. All such Holders proposing to distribute their Registrable Securities through an Underwritten Offering under this subsection 2.1.3 shall enter into an underwriting agreement in customary form with the Underwriter(s) selected for such Underwritten Offering by the Sponsor.

2.1.4 Reduction of Underwritten Offering. If the managing Underwriter or Underwriters in an Underwritten Registration pursuant to a Demand Registration, in good faith, advises the Company, the Sponsor and the Requesting Holders (if any) in writing that the dollar amount or number of Registrable Securities that the Sponsor and the Requesting Holders (if any) desire to sell, taken together with all other Ordinary Shares or other equity securities that the Company desires to sell and the Ordinary Shares, if any, as to which a Registration has been requested pursuant to separate written contractual piggy-back registration rights held by any other shareholders who desire to sell, exceeds the maximum dollar amount or maximum number of equity securities that can be sold in the Underwritten Offering without adversely affecting the proposed offering price, the timing, the distribution method, or the probability of success of such offering (such maximum dollar amount or maximum number of such securities, as applicable, the "**Maximum Number of Securities**"), then the Company shall include in such Underwritten Offering, as follows: (i) first, the Registrable Securities of the Sponsor and the Requesting Holders (if any) (pro rata based on the respective number of Registrable Securities that each Sponsor and Requesting Holder (if any) has requested be included in such Underwritten Registration and the aggregate number of Registrable Securities that the Sponsor and Requesting Holders have requested be included in such Underwritten Registration) that can be sold without exceeding the Maximum Number of Securities; (ii) second, to the extent that the Maximum Number of Securities has not been reached under the foregoing clause (i), the Ordinary Shares or other equity securities that the Company desires to sell, which can be sold without exceeding the Maximum Number of Securities; and (iii) third, to the extent that the Maximum Number of Securities has not been reached under the foregoing clauses (i) and (ii), the Ordinary Shares or other equity securities of other persons or entities that the Company is obligated to register in a Registration pursuant to separate written contractual arrangements with such persons and that can be sold without exceeding the Maximum Number of Securities.

2.1.5 Demand Registration Withdrawal. The Sponsor or a majority-in-interest of the Requesting Holders (if any), pursuant to a Registration under subsection 2.1.1 shall have the right to withdraw from a Registration pursuant to such Demand Registration for any or no reason whatsoever upon written notification to the Company and the Underwriter or Underwriters (if any) of their intention to withdraw from such Registration prior to the effectiveness of the Registration Statement filed with the Commission with respect to the Registration of their Registrable Securities pursuant to such Demand Registration. Notwithstanding anything to the contrary in this Agreement, the Company shall be responsible for the Registration Expenses incurred in connection with a Registration pursuant to a Demand Registration prior to its withdrawal under this subsection 2.1.5.

## 2.2 Piggyback Registration.

2.2.1 Piggyback Rights. If, at any time on or after the date the Company consummates a Business Combination, the Company proposes to file a Registration Statement under the Securities Act with respect to an offering of equity securities, or securities or other obligations exercisable or exchangeable for, or convertible into equity securities, for its own account or for the account of shareholders of the Company (or by the Company and by the shareholders of the Company including, without limitation, pursuant to Section 2.1 hereof), other than a Registration Statement (i) filed in connection with any employee share option or other benefit plan, (ii) for an exchange offer or offering of securities solely to the Company's existing shareholders, (iii) for an offering of debt that is convertible into equity securities of the Company or (iv) for a dividend reinvestment plan, then the Company shall give written notice of such proposed filing to all of the Holders of Registrable Securities as soon as practicable but not less than ten (10) days before the anticipated filing date of such Registration Statement, which notice shall (A) describe the amount and type of securities to be included in such offering, the intended method(s) of distribution, and the name of the proposed managing Underwriter or Underwriters, if any, in such offering, and (B) offer to all of the Holders of Registrable Securities the opportunity to register the sale of such number of Registrable Securities as such Holders may request in writing within five (5) days after receipt of such written notice (such Registration a "Piggyback Registration"). The Company shall, in good faith, cause such Registrable Securities to be included in such Piggyback Registration and shall use its best efforts to cause the managing Underwriter or Underwriters of a proposed Underwritten Offering to permit the Registrable Securities requested by the Holders pursuant to this subsection 2.2.1 to be included in a Piggyback Registration on the same terms and conditions as any similar securities of the Company included in such Registration and to permit the sale or other disposition of such Registrable Securities in accordance with the intended method(s) of distribution thereof. All such Holders proposing to distribute their Registrable Securities through an Underwritten Offering under this subsection 2.2.1 shall enter into an underwriting agreement in customary form with the Underwriter(s) selected for such Underwritten Offering by the Company.

2.2.2 Reduction of Piggyback Registration. If the managing Underwriter or Underwriters in an Underwritten Registration that is to be a Piggyback Registration, in good faith, advises the Company and the Holders of Registrable Securities participating in the Piggyback Registration in writing that the dollar amount or number of the Ordinary Shares that the Company desires to sell, taken together with (i) the Ordinary Shares, if any, as to which Registration has been demanded pursuant to separate written contractual arrangements with persons or entities other than the Holders of Registrable Securities hereunder (ii) the Registrable Securities as to which registration has been requested pursuant to Section 2.2 hereof, and (iii) the Ordinary Shares, if any, as to which Registration has been requested pursuant to separate written contractual piggy-back registration rights of other shareholders of the Company, exceeds the Maximum Number of Securities, then:

(a) If the Registration is undertaken for the Company's account, the Company shall include in any such Registration (A) first, the Ordinary Shares or other equity securities that the Company desires to sell, which can be sold without exceeding the Maximum Number of Securities; (B) second, to the extent that the Maximum Number of Securities has not been reached under the foregoing clause (A),

the Registrable Securities of Holders exercising their rights to register their Registrable Securities pursuant to subsection 2.2.1 hereof, pro rata, based on the respective number of Registrable Securities that each Holder has so requested, which can be sold without exceeding the Maximum Number of Securities; and (C) third, to the extent that the Maximum Number of Securities has not been reached under the foregoing clauses (A) and (B), the Ordinary Shares, if any, as to which Registration has been requested pursuant to written contractual piggy-back registration rights of other shareholders of the Company, which can be sold without exceeding the Maximum Number of Securities; and

(b) If the Registration is pursuant to a request by persons or entities other than the Holders of Registrable Securities, then the Company shall include in any such Registration (A) first, the Ordinary Shares or other equity securities, if any, of such requesting persons or entities, other than the Holders of Registrable Securities, which can be sold without exceeding the Maximum Number of Securities; (B) second, to the extent that the Maximum Number of Securities has not been reached under the foregoing clause (A), the Registrable Securities of Holders exercising their rights to register their Registrable Securities pursuant to subsection 2.2.1, pro rata, based on the respective number of Registrable Securities that each Holder has requested be included in such Underwritten Registration and the aggregate number of Registrable Securities that the Holders have requested to be included in such Underwritten Registration, which can be sold without exceeding the Maximum Number of Securities; (C) third, to the extent that the Maximum Number of Securities has not been reached under the foregoing clauses (A) and (B), the Ordinary Shares or other equity securities that the Company desires to sell, which can be sold without exceeding the Maximum Number of Securities; and (D) fourth, to the extent that the Maximum Number of Securities has not been reached under the foregoing clauses (A), (B) and (C), the Ordinary Shares or other equity securities for the account of other persons or entities that the Company is obligated to register pursuant to separate written contractual arrangements with such persons or entities, which can be sold without exceeding the Maximum Number of Securities.

**2.2.3 Piggyback Registration Withdrawal.** Any Holder of Registrable Securities shall have the right to withdraw from a Piggyback Registration for any or no reason whatsoever upon written notification to the Company and the Underwriter or Underwriters (if any) of his, her or its intention to withdraw from such Piggyback Registration prior to the effectiveness of the Registration Statement filed with the Commission with respect to such Piggyback Registration. The Company (whether on its own good faith determination or as the result of a request for withdrawal by persons pursuant to separate written contractual obligations) may withdraw a Registration Statement filed with the Commission in connection with a Piggyback Registration at any time prior to the effectiveness of such Registration Statement. Notwithstanding anything to the contrary in this Agreement, the Company shall be responsible for the Registration Expenses incurred in connection with the Piggyback Registration prior to its withdrawal under this subsection 2.2.3.

**2.2.4 Unlimited Piggyback Registration Rights.** For purposes of clarity, any Registration effected pursuant to Section 2.2 hereof shall not be counted as a Registration pursuant to a Demand Registration effected under Section 2.1 hereof.

**2.3 Registrations on Form S-3.** The Holders of Registrable Securities may at any time, and from time to time, request in writing that the Company, pursuant to Rule 415 under the Securities Act (or any successor rule promulgated thereafter by the Commission), register the resale of any or all of their Registrable Securities on Form S-3 or any similar short-form registration statement that may be available at such time ("**Form S-3**"); provided, however, that the Company shall not be obligated to effect such request through an Underwritten Offering. Within five (5) days of the Company's receipt of a written request from a Holder or Holders of Registrable Securities for a Registration on Form S-3, the Company shall promptly give written notice of the proposed Registration on Form S-3 to all other Holders of Registrable Securities, and each Holder of Registrable Securities who thereafter wishes to include all or a portion of such Holder's Registrable Securities in such Registration on Form S-3 shall so notify the Company, in writing, within ten (10) days after the receipt by the Holder of the notice from the Company. As soon as practicable thereafter, but not more than twelve (12) days after the Company's initial receipt of such written request for a Registration on Form S-3, the Company shall register all or such portion of such Holder's Registrable Securities as are specified in such written request, together with all or such portion

of Registrable Securities of any other Holder or Holders joining in such request as are specified in the written notification given by such Holder or Holders; provided, however, that the Company shall not be obligated to effect any such Registration pursuant to Section 2.3 hereof if (i) a Form S-3 is not available for such offering; or (ii) the Holders of Registrable Securities, together with the Holders of any other equity securities of the Company entitled to inclusion in such Registration, propose to sell the Registrable Securities and such other equity securities (if any) at any aggregate price to the public of less than \$1,000,000.

**2.4 Restrictions on Registration Rights.** If (A) during the period starting with the date sixty (60) days prior to the Company's good faith estimate of the date of the filing of, and ending on a date one hundred and twenty (120) days after the effective date of, a Company initiated Registration and provided that the Company has delivered written notice to the Holders prior to receipt of a Demand Registration pursuant to subsection 2.1.1 and it continues to actively employ, in good faith, all reasonable efforts to cause the applicable Registration Statement to become effective; (B) the Holders have requested an Underwritten Registration and the Company and the Holders are unable to obtain the commitment of underwriters to firmly underwrite the offer; or (C) in the good faith judgment of the Board such Registration would be seriously detrimental to the Company and the Board concludes as a result that it is essential to defer the filing of such Registration Statement at such time, then in each case the Company shall furnish to such Holders a certificate signed by the Chairman of the Board stating that in the good faith judgment of the Board it would be seriously detrimental to the Company for such Registration Statement to be filed in the near future and that it is therefore essential to defer the filing of such Registration Statement. In such event, the Company shall have the right to defer such filing for a period of not more than thirty (30) days; provided, however, that the Company shall not defer its obligation in this manner more than once in any 12-month period. Notwithstanding anything to the contrary contained in this Agreement, no Registration shall be effected or permitted and no Registration Statement shall become effective, with respect to any Registrable Securities held by any Holder, until after the expiration of the Founder Shares Lock-up Period or the Private Placement Lock-up Period, as the case may be.

### **ARTICLE 3 COMPANY PROCEDURES**

**3.1 General Procedures.** If at any time on or after the date the Company consummates a Business Combination the Company is required to effect the Registration of Registrable Securities, the Company shall use its best efforts to effect such Registration to permit the sale of such Registrable Securities in accordance with the intended plan of distribution thereof, and pursuant thereto the Company shall, as expeditiously as possible:

3.1.1 prepare and file with the Commission as soon as practicable a Registration Statement with respect to such Registrable Securities and use its reasonable best efforts to cause such Registration Statement to become effective and remain effective until all Registrable Securities covered by such Registration Statement have been sold;

3.1.2 prepare and file with the Commission such amendments and post-effective amendments to the Registration Statement, and such supplements to the Prospectus, as may be reasonably requested by the majority-in-interest of the Holders with Registrable Securities registered on such Registration Statement or any Underwriter of Registrable Securities or as may be required by the rules, regulations or instructions applicable to the registration form used by the Company or by the Securities Act or rules and regulations thereunder to keep the Registration Statement effective until all Registrable Securities covered by such Registration Statement are sold in accordance with the intended plan of distribution set forth in such Registration Statement or supplement to the Prospectus;

3.1.3 prior to filing a Registration Statement or Prospectus, or any amendment or supplement thereto, furnish without charge to the Underwriters, if any, and the Holders of Registrable Securities included in such Registration, and such Holders' legal counsel, copies of such Registration Statement as proposed to be filed, each amendment and supplement to such Registration Statement (in each case including all exhibits thereto and documents incorporated by reference therein), the Prospectus included in such Registration Statement (including each preliminary Prospectus), and such other documents as the Underwriters and the Holders of Registrable Securities included in such Registration or the legal counsel for any such Holders may request in order to facilitate the disposition of the Registrable Securities owned by such Holders;

3.1.4 prior to any public offering of Registrable Securities, use its best efforts to (i) register or qualify the Registrable Securities covered by the Registration Statement under such securities or “blue sky” laws of such jurisdictions in the United States as the Holders of Registrable Securities included in such Registration Statement (in light of their intended plan of distribution) may request and (ii) take such action necessary to cause such Registrable Securities covered by the Registration Statement to be registered with or approved by such other governmental authorities as may be necessary by virtue of the business and operations of the Company and do any and all other acts and things that may be necessary or advisable to enable the Holders of Registrable Securities included in such Registration Statement to consummate the disposition of such Registrable Securities in such jurisdictions; provided, however, that the Company shall not be required to qualify generally to do business in any jurisdiction where it would not otherwise be required to qualify or take any action to which it would be subject to general service of process or taxation in any such jurisdiction where it is not then otherwise so subject;

3.1.5 cause all such Registrable Securities to be listed on each securities exchange or automated quotation system on which similar securities issued by the Company are then listed;

3.1.6 provide a transfer agent, as applicable, and registrar for all such Registrable Securities no later than the effective date of such Registration Statement;

3.1.7 advise each seller of such Registrable Securities, promptly after it shall receive notice or obtain knowledge thereof, of the issuance of any stop order by the Commission suspending the effectiveness of such Registration Statement or the initiation or threatening of any proceeding for such purpose and promptly use its reasonable best efforts to prevent the issuance of any stop order or to obtain its withdrawal if such stop order should be issued;

3.1.8 at least five (5) days prior to the filing of any Registration Statement or Prospectus or any amendment or supplement to such Registration Statement or Prospectus furnish a copy thereof to each seller of such Registrable Securities or its counsel;

3.1.9 notify the Holders at any time when a Prospectus relating to such Registration Statement is required to be delivered under the Securities Act, of the happening of any event as a result of which the Prospectus included in such Registration Statement, as then in effect, includes a Misstatement, and then to correct such Misstatement as set forth in Section 3.4 hereof;

3.1.10 permit a representative of the Holders, the Underwriters, if any, and any attorney or accountant retained by such Holders or Underwriter to participate, at each such person’s own expense, in the preparation of the Registration Statement, and cause the Company’s officers, directors and employees to supply all information reasonably requested by any such representative, Underwriter, attorney or accountant in connection with the Registration; provided, however, that such representatives or Underwriters enter into a confidentiality agreement, in form and substance reasonably satisfactory to the Company, prior to the release or disclosure of any such information;

3.1.11 obtain a “cold comfort” letter from the Company’s independent registered public accountants in the event of an Underwritten Registration, in customary form and covering such matters of the type customarily covered by “cold comfort” letters as the managing Underwriter may reasonably request, and reasonably satisfactory to a majority-in-interest of the participating Holders;

3.1.12 on the date the Registrable Securities are delivered for sale pursuant to such Registration, obtain an opinion, dated such date, of counsel representing the Company for the purposes of such Registration, addressed to the Holders, the placement agent or sales agent, if any, and the Underwriters, if any, covering such legal matters with respect to the Registration in respect of which such opinion is being given as the Holders, placement agent, sales agent, or Underwriter may reasonably request and as are customarily included in such opinions and negative assurance letters, and reasonably satisfactory to a majority in interest of the participating Holders;

3.1.13 in the event of any Underwritten Offering, enter into and perform its obligations under an underwriting agreement, in usual and customary form, with the managing Underwriter of such offering;

3.1.14 make available to its security holders, as soon as reasonably practicable, an earnings statement covering the period of at least twelve (12) months beginning with the first day of the Company's first full calendar quarter after the effective date of the Registration Statement which satisfies the provisions of Section 11(a) of the Securities Act and Rule 158 thereunder (or any successor rule promulgated thereafter by the Commission); and

3.1.15 otherwise, in good faith, cooperate reasonably with, and take such customary actions as may reasonably be requested by the Holders, in connection with such Registration.

3.2 Registration Expenses. The Registration Expenses of all Registrations shall be borne by the Company. It is acknowledged by the Holders that the Holders shall bear all incremental selling expenses relating to the sale of Registrable Securities, such as Underwriters' commissions and discounts, brokerage fees, Underwriter marketing costs and, other than as set forth in the definition of "**Registration Expenses**," all reasonable fees and expenses of any legal counsel representing the Holders.

3.3 Requirements for Participation in Underwritten Offerings. No person may participate in any Underwritten Offering for equity securities of the Company pursuant to a Registration initiated by the Company hereunder unless such person (i) agrees to sell such person's securities on the basis provided in any underwriting arrangements approved by the Company and (ii) completes and executes all customary questionnaires, powers of attorney, indemnities, lock-up agreements, underwriting agreements and other customary documents as may be reasonably required under the terms of such underwriting arrangements.

3.4 Suspension of Sales; Adverse Disclosure. Upon receipt of written notice from the Company that a Registration Statement or Prospectus contains a Misstatement, each of the Holders shall forthwith discontinue disposition of Registrable Securities until he, she or it has received copies of a supplemented or amended Prospectus correcting the Misstatement (it being understood that the Company hereby covenants to prepare and file such supplement or amendment as soon as practicable after the time of such notice), or until he, she or it is advised in writing by the Company that the use of the Prospectus may be resumed. If the filing, initial effectiveness or continued use of a Registration Statement in respect of any Registration at any time would require the Company to make an Adverse Disclosure or would require the inclusion in such Registration Statement of financial statements that are unavailable to the Company for reasons beyond the Company's control, the Company may, upon giving prompt written notice of such action to the Holders, delay the filing or initial effectiveness of, or suspend use of, such Registration Statement for the shortest period of time, but in no event more than thirty (30) days, determined in good faith by the Company to be necessary for such purpose. In the event the Company exercises its rights under the preceding sentence, the Holders agree to suspend, immediately upon their receipt of the notice referred to above, their use of the Prospectus relating to any Registration in connection with any sale or offer to sell Registrable Securities. The Company shall immediately notify the Holders of the expiration of any period during which it exercised its rights under this Section 3.4.

3.5 Reporting Obligations. As long as any Holder shall own Registrable Securities, the Company, at all times while it shall be a reporting company under the Exchange Act, covenants to file timely (or obtain extensions in respect thereof and file within the applicable grace period) all reports required to be filed by the Company after the date hereof pursuant to Sections 13(a) or 15(d) of the Exchange Act and to promptly furnish the Holders with true and complete copies of all such filings. The Company further covenants that it shall take such further action as any Holder may reasonably request, all to the extent required from time to time to enable such Holder to sell Ordinary Shares held by such Holder without

registration under the Securities Act within the limitation of the exemptions provided by Rule 144 promulgated under the Securities Act (or any successor rule promulgated thereafter by the Commission), including providing any legal opinions. Upon the request of any Holder, the Company shall deliver to such Holder a written certification of a duly authorized officer as to whether it has complied with such requirements.

**3.6 Requirements for Participation in Underwritten Offerings and Limitations on Registration Rights.** No person may participate in any Underwritten Offering for equity securities of the Company pursuant to a registration initiated by the Company hereunder unless such person (i) agrees to sell such person's securities on the basis provided in any underwriting arrangements approved by the Company and (ii) completes and executes all customary questionnaires, powers of attorney, indemnities, lock-up agreements, underwriting agreements and other customary documents as may be reasonably required under the terms of such underwriting arrangements.

Notwithstanding anything herein to the contrary, (i) the Representative may not exercise its rights under Sections 2.1 and 2.2 hereunder after five (5) and seven (7) years after the effective date of the Registration Statement relating to the Company's initial public offering, respectively, and (ii) the Representative may not exercise its rights under Section 2.1 more than one time.

## **ARTICLE 4 INDEMNIFICATION AND CONTRIBUTION**

### **4.1 Indemnification.**

4.1.1 The Company agrees to indemnify, to the extent permitted by law, each Holder of Registrable Securities, its officers and directors and agents and each person who controls such Holder (within the meaning of the Securities Act) against all losses, claims, damages, liabilities and expenses (including attorneys' fees) caused by any untrue or alleged untrue statement of material fact contained in any Registration Statement, Prospectus or preliminary Prospectus or any amendment thereof or supplement thereto or any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein not misleading, except insofar as the same are caused by or contained in any information furnished in writing to the Company by such Holder expressly for use therein. The Company shall indemnify the Underwriters, their officers and directors and each person who controls such Underwriters (within the meaning of the Securities Act) to the same extent as provided in the foregoing with respect to the indemnification of the Holder.

4.1.2 In connection with any Registration Statement in which a Holder of Registrable Securities is participating, such Holder shall furnish to the Company in writing such information and affidavits as the Company reasonably requests for use in connection with any such Registration Statement or Prospectus and, to the extent permitted by law, shall indemnify the Company, its directors and officers and agents and each person who controls the Company (within the meaning of the Securities Act) against any losses, claims, damages, liabilities and expenses (including without limitation reasonable attorneys' fees) resulting from any untrue statement of material fact contained in the Registration Statement, Prospectus or preliminary Prospectus or any amendment thereof or supplement thereto or any omission of a material fact required to be stated therein or necessary to make the statements therein not misleading, but only to the extent that such untrue statement or omission is contained in any information or affidavit so furnished in writing by such Holder expressly for use therein; provided, however, that the obligation to indemnify shall be several, not joint and several, among such Holders of Registrable Securities, and the liability of each such Holder of Registrable Securities shall be in proportion to and limited to the net proceeds received by such Holder from the sale of Registrable Securities pursuant to such Registration Statement. The Holders of Registrable Securities shall indemnify the Underwriters, their officers, directors and each person who controls such Underwriters (within the meaning of the Securities Act) to the same extent as provided in the foregoing with respect to indemnification of the Company.

4.1.3 Any person entitled to indemnification herein shall (i) give prompt written notice to the indemnifying party of any claim with respect to which it seeks indemnification (provided that the failure to give prompt notice shall not impair any person's right to indemnification hereunder to the extent such failure has not materially prejudiced the indemnifying party) and (ii) unless in such indemnified party's reasonable judgment a conflict of interest between such indemnified and indemnifying parties may exist with respect to such claim, permit such indemnifying party to assume the defense of such claim with counsel reasonably satisfactory to the indemnified party. If such defense is assumed, the indemnifying party shall not be subject to any liability for any settlement made by the indemnified party without its consent (but such consent shall not be unreasonably withheld). An indemnifying party who is not entitled to, or elects not to, assume the defense of a claim shall not be obligated to pay the fees and expenses of more than one counsel for all parties indemnified by such indemnifying party with respect to such claim, unless in the reasonable judgment of any indemnified party a conflict of interest may exist between such indemnified party and any other of such indemnified parties with respect to such claim. No indemnifying party shall, without the consent of the indemnified party, consent to the entry of any judgment or enter into any settlement which cannot be settled in all respects by the payment of money (and such money is so paid by the indemnifying party pursuant to the terms of such settlement) or which settlement does not include as an unconditional term thereof the giving by the claimant or plaintiff to such indemnified party of a release from all liability in respect to such claim or litigation.

4.1.4 The indemnification provided for under this Agreement shall remain in full force and effect regardless of any investigation made by or on behalf of the indemnified party or any officer, director or controlling person of such indemnified party and shall survive the transfer of securities. The Company and each Holder of Registrable Securities participating in an offering also agrees to make such provisions as are reasonably requested by any indemnified party for contribution to such party in the event the Company's or such Holder's indemnification is unavailable for any reason.

4.1.5 If the indemnification provided under Section 4.1 hereof from the indemnifying party is unavailable or insufficient to hold harmless an indemnified party in respect of any losses, claims, damages, liabilities and expenses referred to herein, then the indemnifying party, in lieu of indemnifying the indemnified party, shall contribute to the amount paid or payable by the indemnified party as a result of such losses, claims, damages, liabilities and expenses in such proportion as is appropriate to reflect the relative fault of the indemnifying party and the indemnified party, as well as any other relevant equitable considerations. The relative fault of the indemnifying party and indemnified party shall be determined by reference to, among other things, whether any action in question, including any untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact, was made by, or relates to information supplied by, such indemnifying party or indemnified party, and the indemnifying party's and indemnified party's relative intent, knowledge, access to information and opportunity to correct or prevent such action; provided, however, that the liability of any Holder under this subsection 4.1.5 shall be limited to the amount of the net proceeds received by such Holder in such offering giving rise to such liability. The amount paid or payable by a party as a result of the losses or other liabilities referred to above shall be deemed to include, subject to the limitations set forth in subsections 4.1.1, 4.1.2 and 4.1.3 above, any legal or other fees, charges or expenses reasonably incurred by such party in connection with any investigation or proceeding. The parties hereto agree that it would not be just and equitable if contribution pursuant to this subsection 4.1.5 were determined by pro rata allocation or by any other method of allocation, which does not take account of the equitable considerations referred to in this subsection 4.1.5. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution pursuant to this subsection 4.1.5 from any person who was not guilty of such fraudulent misrepresentation.

5.2.5 No assignment by any party hereto of such party's rights, duties and obligations hereunder shall be binding upon or obligate the Company unless and until the Company shall have received (i) written notice of such assignment as provided in [Section 5.1](#) hereof and (ii) the written agreement of the assignee, in a form reasonably satisfactory to the Company, to be bound by the terms and provisions of this Agreement (which may be accomplished by an addendum or certificate of joinder to this Agreement). Any transfer or assignment made other than as provided in this [Section 5.2](#) shall be null and void.

5.3 Counterparts. This Agreement may be executed in multiple counterparts (including facsimile or PDF counterparts), each of which shall be deemed an original, and all of which together shall constitute the same instrument, but only one of which need be produced.

5.4 Governing Law; Venue. NOTWITHSTANDING THE PLACE WHERE THIS AGREEMENT MAY BE EXECUTED BY ANY OF THE PARTIES HERETO, THE PARTIES EXPRESSLY AGREE THAT (I) THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED UNDER THE LAWS OF THE STATE OF NEW YORK AS APPLIED TO AGREEMENTS AMONG NEW YORK RESIDENTS ENTERED INTO AND TO BE PERFORMED ENTIRELY WITHIN NEW YORK AND (II) THE VENUE FOR ANY ACTION TAKEN WITH RESPECT TO THE AGREEMENT SHALL BE ANY STATE OR FEDERAL COURT IN NEW YORK COUNTY IN THE STATE OF NEW YORK.

Upon the written consent of the Company and the Holders of at least a majority in interest of the Registrable Securities at the time in question, compliance with any of the provisions, covenants and conditions set forth in this Agreement may be waived, or any of such provisions, covenants or conditions may be amended or modified; provided, however, that notwithstanding the foregoing, any amendment hereto or waiver hereof that adversely affects one Holder, solely in his, her or its capacity as a holder of the shares of the Company, in a manner that is materially different from the other Holders (in such capacity) shall require the consent of the Holder so affected. No course of dealing between any Holder or the Company and any other party hereto or any failure or delay on the part of a Holder or the Company in exercising any rights or remedies under this Agreement shall operate as a waiver of any rights or remedies of any Holder or the Company. No single or partial exercise of any rights or remedies under this Agreement by a party shall operate as a waiver or preclude the exercise of any other rights or remedies hereunder or thereunder by such party.

5.6 Other Registration Rights. The Company represents and warrants that no person, other than a Holder of Registrable Securities, has any right to require the Company to register any securities of the Company for sale or to include such securities of the Company in any Registration filed by the Company for the sale of securities for its own account or for the account of any other person. THIS PRIVATE PLACEMENT WARRANTS PURCHASE AGREEMENT (as it may from time to time be amended and including all exhibits referenced herein, this “**Agreement**”), dated as of February 7, 2022, is entered into by and between Aurora Technology Acquisition Corp., a Cayman Islands exempted company (the “**Company**”), and ATAC Sponsor LLC, a Delaware limited liability company (the “**Purchaser**”).

WHEREAS, the Company intends to consummate an initial public offering of the Company’s units (the “**Public Offering**”), each unit consisting of (i) one Class A ordinary share of the Company, par value \$0.0001 per share (each, a “**Class A Ordinary Share**”), (ii) one redeemable warrant to acquire one-half (1/2) of one Class A Ordinary Share (the “**Public Warrants**”) and (iii) and one right to receive one-tenth (1/10) of a Class A Ordinary Share upon the consummation of an initial business combination, with each two Public Warrants entitling the holder to purchase one Class A Ordinary Share at an exercise price of \$11.50 per Share and each 10 rights entitling the holder thereof to receive one Class A Ordinary Share at the closing of a business combination, as set forth in the Company’s Registration Statement on Form S-1, filed with the U.S. Securities and Exchange Commission (the “**SEC**”), File Number 333-261753 (the “**Registration Statement**”), under the Securities Act of 1933, as amended (the “**Securities Act**”).

WHEREAS, the Purchaser has agreed to purchase an aggregate of 6,425,000 redeemable warrants (and up to 675,000 additional redeemable warrants if the underwriter in the Public Offering exercises its option to purchase additional units in full) (the “**Private Placement Warrants**”), each Private Placement Warrant entitling the holder to purchase one-half (1/2) of one Class A Ordinary Share at an exercise price of \$11.50 per Class A Ordinary Share, at a price of \$1.00 per warrant, subject to adjustment.

NOW THEREFORE, in consideration of the mutual promises contained in this Agreement and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties to this Agreement hereby, intending legally to be bound, agree as follows:

AGREEMENT

**Section 1. Authorization, Purchase and Sale; Terms of the Private Placement Warrants.**

A. Authorization of the Private Placement Warrants. The Company has duly authorized the issuance and sale of the Private Placement Warrants to the Purchaser.

B. Purchase and Sale of the Private Placement Warrants.

(i) On the date of the consummation of the Public Offering (the “**IPO Closing Date**”), the Company shall issue and sell to the Purchaser, and the Purchaser shall purchase from the Company, 6,425,000 Private Placement Warrants at a price of \$1.00 per warrant for an aggregate purchase price of \$6,425,000 (the “**Purchase Price**”). The Purchaser shall pay the Purchase Price by wire transfer of immediately available funds to the trust account maintained by Continental Stock Transfer & Trust Company, acting as trustee (the “**Trust Account**”), in each case in accordance with the Company’s wiring instructions, at least one (1) business day prior to the IPO Closing Date. On the IPO Closing Date, subject to the receipt of funds pursuant to the immediately prior sentence, the Company, at its option, shall deliver a certificate evidencing the Private Placement Warrants purchased on such date duly registered in the Purchaser’s name to the Purchaser or effect such delivery in book-entry form.

(ii) On the date of the closing of the option to purchase additional units, if any, in connection with the Public Offering or on such earlier time and date as may be mutually agreed by the Purchaser and the Company (the “**Option Closing Date**”, and each Option Closing Date (if any) and the IPO Closing Date, a “**Closing Date**”), the Company shall issue and sell to the Purchaser, and the Purchaser shall purchase from the Company, up to 675,000 Private Placement Warrants (or, to the extent

the option to purchase additional units is not exercised in full, a lesser number of Private Placement Warrants in proportion to portion of the option that is exercised) at a price of \$1.00 per warrant for an aggregate purchase price of up to \$675,000 (the "Option Purchase Price"). The Purchaser shall pay the Option Purchase Price in accordance with the Company's wire instruction by wire transfer of immediately available funds to the Trust Account, at least one (1) business day prior to the Option Closing Date. On the Option Closing Date, subject to the receipt of funds pursuant to the immediately prior sentence, the Company shall, at its option, deliver a certificate evidencing the Private Placement Warrants purchased on such date duly registered in the Purchaser's name to the Purchaser or effect such delivery in book-entry form.

C. Terms of the Private Placement Warrants.

(i) Each Private Placement Warrant shall have the terms set forth in a Warrant Agreement to be entered into by the Company and a warrant agent on the IPO Closing Date, in connection with the Public Offering (the "Warrant Agreement").

(ii) The Private Placement Warrants shall be identical to the Public Warrants, except that (1) the Private Placement Warrants may be exercised for cash or on a "cashless basis," (2) the Private Placement Warrants (and Class A ordinary shares issuable upon exercise of the Private Placement Warrants) may be subject to certain transfer restrictions contained in the letter agreement by and among the Company, the Purchaser and any other parties thereto, as amended from time to time, including that any permitted transferees must enter into a written agreement with the Company agreeing to be bound by the transfer restrictions contained in such letter agreement, and (3) the Private Placement Warrants shall not be redeemable by the Company.

(iii) On the IPO Closing Date, the Company and the Purchaser shall enter into a Registration Rights Agreement (the "Registration Rights Agreement") pursuant to which the Company will grant certain registration rights to the Purchaser relating to the Private Placement Warrants and the Class A Ordinary Shares underlying the Private Placement Warrants.

**Section 2. Representations and Warranties of the Company.** As a material inducement to the Purchaser to enter into this Agreement and purchase the Private Placement Warrants, the Company hereby represents and warrants to the Purchaser (which representations and warranties shall survive each Closing Date) that:

A. Incorporation and Corporate Power. The Company is an exempted company duly incorporated, validly existing and in good standing under the laws of the Cayman Islands and is qualified to do business in every jurisdiction in which the failure to so qualify would reasonably be expected to have a material adverse effect on the financial condition, operating results or assets of the Company. The Company possesses all requisite corporate power and authority necessary to carry out the transactions contemplated by this Agreement and the Warrant Agreement.

B. Authorization; No Breach.

(i) The execution, delivery and performance of this Agreement and the Private Placement Warrants have been duly authorized by the Company as of the Closing Date. This Agreement constitutes the valid and binding obligation of the Company, enforceable in accordance with its terms, subject to bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and other laws of general applicability relating to or affecting creditors' rights and to general equitable principles (whether considered in a proceeding in equity or law). Upon issuance in accordance with, and payment pursuant to, the terms of the Warrant Agreement and this Agreement, the Private Placement Warrants will constitute valid and binding obligations of the Company, enforceable in accordance with their terms as of the Closing Date.

(ii) The execution and delivery by the Company of this Agreement and the Private Placement Warrants, the issuance and sale of the Private Placement Warrants, the issuance of the Class A Ordinary Shares upon exercise of the Private Placement Warrants and the fulfillment of and compliance with the respective terms hereof and thereof by the Company, do not and will not as of the Closing Date (a) conflict with or result in a breach of the terms, conditions or provisions of, (b) constitute a default under, (c) result in the creation of any lien, security interest, charge or encumbrance upon the Company's share capital or assets under, (d) result in a violation of, or (e) require any authorization, consent, approval, exemption or other action by or notice or declaration to, or filing with, any court or administrative or governmental body or agency pursuant to the memorandum and articles of association of the Company (in effect on the date hereof or as may be amended prior to completion of the Public Offering) or any material law, statute, rule or regulation to which the Company is subject, or any agreement, order, judgment or decree to which the Company is subject, except for any filings required after the date hereof under federal or state securities laws.

C. Title to Securities. Upon issuance in accordance with, and payment pursuant to, the terms hereof and the Warrant Agreement and the amended and restated memorandum and articles of association of the Company, and upon registration in the Company's register of members, the Class A Ordinary Shares issuable upon exercise of the Private Placement Warrants will be duly and validly issued as fully paid and non-assessable. On the date of issuance of the Private Placement Warrants, the Class A Ordinary Shares issuable upon exercise of the Private Placement Warrants shall have been reserved for issuance in accordance with the terms of this Agreement. Upon issuance in accordance with, and payment pursuant to, the terms hereof and the Warrant Agreement, and upon registration in the Company's register of members, the Purchaser will have good title to the Private Placement Warrants purchased by it and the Class A Ordinary Shares issuable upon exercise of such Private Placement Warrants, free and clear of all liens, claims and encumbrances of any kind, other than (i) transfer restrictions hereunder and under the other agreements contemplated hereby, (ii) transfer restrictions under federal and state securities laws, and (iii) liens, claims or encumbrances imposed due to the actions of the Purchaser.

D. Governmental Consents. No permit, consent, approval or authorization of, or declaration to or filing with, any governmental authority is required in connection with the execution, delivery and performance by the Company of this Agreement or the consummation by the Company of any other transactions contemplated hereby.

E. Regulation D Qualification. Neither the Company nor, to its actual knowledge, any of its affiliates, members, officers, directors or beneficial shareholders of 20% or more of its outstanding securities, has experienced a disqualifying event as enumerated pursuant to Rule 506(d) of Regulation D under the Securities Act.

**Section 3. Representations and Warranties of the Purchaser.** As a material inducement to the Company to enter into this Agreement and issue and sell the Private Placement Warrants to the Purchaser, the Purchaser hereby represents and warrants to the Company (which representations and warranties shall survive each Closing Date) that:

A. Organization and Requisite Authority. The Purchaser is duly organized, validly existing and in good standing under the laws of the State of Delaware and it possesses all requisite power and authority necessary to carry out the transactions contemplated by this Agreement.

B. Authorization; No Breach.

(i) This Agreement constitutes a valid and binding obligation of the Purchaser, enforceable in accordance with its terms, subject to bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and other laws of general applicability relating to or affecting creditors' rights and to general equitable principles (whether considered in a proceeding in equity or law).

(ii) The execution and delivery by the Purchaser of this Agreement and the fulfillment of and compliance with the terms hereof by the Purchaser does not and shall not as of each Closing Date (a) conflict with or result in a breach by the Purchaser of the terms, conditions or provisions of, (b) constitute a default under, (c) result in the creation of any lien, security interest, charge or encumbrance upon the Purchaser's equity or assets under, (d) result in a violation of, or (e) require authorization, consent, approval, exemption or other action by or notice or declaration to, or filing with, any court or administrative or governmental body or agency pursuant to the Purchaser's organizational documents in effect on the date hereof or as may be amended prior to completion of the contemplated Public Offering, or any material law, statute, rule or regulation to which the Purchaser is subject, or any agreement, instrument, order, judgment or decree to which the Purchaser is subject, except for any filings required after the date hereof under federal or state securities laws.

C. Investment Representations.

(i) The Purchaser is acquiring the Private Placement Warrants and, upon exercise of the Private Placement Warrants, the Class A Ordinary Shares issuable upon such exercise (collectively, the "Securities") for its own account, for investment purposes only and not with a view towards, or for resale in connection with, any public sale or distribution thereof.

(ii) The Purchaser is an "accredited investor" as such term is defined in Rule 501(a)(3) of Regulation D, and the Purchaser has not experienced a disqualifying event as enumerated pursuant to Rule 506(d) of Regulation D under the Securities Act.

(iii) The Purchaser understands that the Securities are being offered and will be sold to it in reliance on specific exemptions from the registration requirements of the United States federal and state securities laws and that the Company is relying upon the truth and accuracy of, and the Purchaser's compliance with, the representations and warranties of the Purchaser set forth herein in order to determine the availability of such exemptions and the eligibility of the Purchaser to acquire such Securities.

(iv) The Purchaser did not decide to enter into this Agreement as a result of any general solicitation or general advertising within the meaning of Rule 502(c) under the Securities Act.

(v) The Purchaser has been furnished with all materials relating to the business, finances and operations of the Company and materials relating to the offer and sale of the Securities which have been requested by the Purchaser. The Purchaser has been afforded the opportunity to ask questions of the executive officers and directors of the Company. The Purchaser understands that its investment in the Securities involves a high degree of risk and it has sought such accounting, legal and tax advice as it has considered necessary to make an informed investment decision with respect to the acquisition of the Securities.

(vi) The Purchaser understands that no United States federal or state agency or any other government or governmental agency has passed on or made any recommendation or endorsement of the Securities or the fairness or suitability of the investment in the Securities by the Purchaser nor have such authorities passed upon or endorsed the merits of the offering of the Securities.

(vii) The Purchaser understands that: (a) the Securities have not been and are not being registered under the Securities Act or any state securities laws, and may not be offered for sale, sold, assigned or transferred unless (1) subsequently registered thereunder or (2) sold in reliance on an exemption therefrom; and (b) except as specifically set forth in the Registration Rights Agreement, neither the Company nor any other person is under any obligation to register the Securities under the Securities Act or any state securities laws or to comply with the terms and conditions of any exemption thereunder. In this regard, the Purchaser understands that the SEC has taken the position that promoters or affiliates of a blank check company and their transferees, both before and after an initial Business Combination, are deemed to be "underwriters" under the Securities Act when reselling the securities of a blank check company. Based on that position, Rule 144 adopted pursuant to the Securities Act would not be available for resale transactions of the Securities despite technical compliance with the requirements of such Rule, and the Securities can be resold only through a registered offering or in reliance upon another exemption from the registration requirements of the Securities Act.

(viii) The Purchaser has such knowledge and experience in financial and business matters, knowledge of the high degree of risk associated with investments in the securities of companies in the development stage such as the Company, is capable of evaluating the merits and risks of an investment in the Securities and is able to bear the economic risk of an investment in the Securities in the amount contemplated hereunder for an indefinite period of time. The Purchaser has adequate means of providing for its current financial needs and contingencies and will have no current or anticipated future needs for liquidity which would be jeopardized by the investment in the Securities. The Purchaser can afford a complete loss of its investments in the Securities.

(ix) The Purchaser understands that the Private Placement Warrants shall bear the legend substantially in the form set forth in the Warrant Agreement.

**Section 4. Conditions of the Purchaser's Obligations.** The obligations of the Purchaser to purchase and pay for the Private Placement Warrants are subject to the fulfillment, on or before each Closing Date, of each of the following conditions:

A. Representations and Warranties. The representations and warranties of the Company contained in Section 2 shall be true and correct at and as of the Closing Date as though then made.

B. Performance. The Company shall have performed and complied with all agreements, obligations and conditions contained in this Agreement that are required to be performed or complied with by it on or before such Closing Date.

C. No Injunction. No litigation, statute, rule, regulation, executive order, decree, ruling or injunction shall have been enacted, entered, promulgated or endorsed by or in any court or governmental authority of competent jurisdiction or any self-regulatory organization having authority over the matters contemplated hereby, which prohibits the consummation of any of the transactions contemplated by this Agreement or the Warrant Agreement.

D. Warrant Agreement and Registration Rights Agreement. The Company shall have entered into the Warrant Agreement, in the form of Exhibit A hereto, and the Registration Rights Agreement, in the form of Exhibit B hereto, in each case on terms satisfactory to the Purchaser.

**Section 5. Conditions of the Company's Obligations.** The obligations of the Company to the Purchaser under this Agreement are subject to the fulfillment, on or before each Closing Date, of each of the following conditions:

A. Representations and Warranties. The representations and warranties of the Purchaser contained in Section 3 shall be true and correct at and as of such Closing Date as though then made.

B. Performance. The Purchaser shall have performed and complied with all agreements, obligations and conditions contained in this Agreement that are required to be performed or complied with by the Purchaser on or before such Closing Date.

C. Corporate Consents. The Company shall have obtained the consent of its Board of Directors authorizing the execution, delivery and performance of this Agreement and the Warrant Agreement and the issuance and sale of the Private Placement Warrants hereunder.

D. No Injunction. No litigation, statute, rule, regulation, executive order, decree, ruling or injunction shall have been enacted, entered, promulgated or endorsed by or in any court or governmental authority of competent jurisdiction or any self-regulatory organization having authority over the matters contemplated hereby, which prohibits the consummation of any of the transactions contemplated by this Agreement or the Warrant Agreement.

E. Warrant Agreement. The Company shall have entered into the Warrant Agreement.

**Section 6. Miscellaneous.**

A. Successors and Assigns. Except as otherwise expressly provided herein, all covenants and agreements contained in this Agreement by or on behalf of any of the parties hereto shall bind and inure to the benefit of the respective successors of the parties hereto whether so expressed or not. Notwithstanding the foregoing or anything to the contrary herein, the parties may not assign this Agreement, other than assignments by the Purchaser to affiliates thereof (including, without limitation one or more of its members).

B. Severability. Whenever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement is held to be prohibited by or invalid under applicable law, such provision shall be ineffective only to the extent of such prohibition or invalidity, without invalidating the remainder of this Agreement.

C. Counterparts. This Agreement may be executed simultaneously in two or more counterparts, none of which need contain the signatures of more than one party, but all such counterparts taken together shall constitute one and the same agreement. Signatures to this Agreement transmitted via facsimile or e-mail shall be valid and effective to bind the party so signing.

D. Descriptive Headings; Interpretation. The descriptive headings of this Agreement are inserted for convenience only and do not constitute a substantive part of this Agreement. The use of the word “including” in this Agreement shall be by way of example rather than by limitation.

E. Governing Law. This Agreement shall be deemed to be a contract made under the laws of the State of New York and for all purposes shall be construed in accordance with the internal laws of the State of New York, without giving effect to conflicts of law principles that would result in the application of the laws of another jurisdiction.

F. Amendments. This Agreement may not be amended, modified or waived as to any particular provision, except by a written instrument executed by the parties hereto.

THIS INDEMNITY AGREEMENT (this "Agreement") is made as of [\_\_\_], 2021, by and between Aurora Technology Acquisition Corp., a Cayman exempted company (the "**Company**"), and ("**Indemnitee**").

**RECITALS**

**WHEREAS**, highly competent persons have become more reluctant to serve publicly-held companies as directors, officers or in other capacities unless they are provided with adequate protection through insurance or adequate indemnification against inordinate risks of claims and actions against them arising out of their service to and activities on behalf of such companies;

**WHEREAS**, the Board of Directors of the Company (the "**Board**") has determined that, in order to attract and retain qualified individuals, the Company will attempt to maintain on an ongoing basis, at its sole expense, liability insurance to protect persons serving the Company and its subsidiaries from certain liabilities. Although the furnishing of such insurance has been a customary and widespread practice among publicly traded companies and other business enterprises, the Company believes that, given current market conditions and trends, such insurance may be available to it in the future only at higher premiums and with more exclusions. At the same time, directors, officers and other persons in service to companies or business enterprises are being increasingly subjected to expensive and time-consuming litigation relating to, among other things, matters that traditionally would have been brought only against the Company or business enterprise itself. The Amended and Restated Memorandum and Articles of Association (the "**Articles**") of the Company require indemnification of the officers and directors of the Company. Indemnitee may also be entitled to indemnification pursuant to applicable Cayman Islands law. The Articles expressly provide that the indemnification provisions set forth therein are not exclusive, and thereby contemplate that contracts may be entered into between the Company and members of the Board, officers and other persons with respect to indemnification, hold harmless, exoneration, advancement and reimbursement rights;

**WHEREAS**, the uncertainties relating to such insurance and to indemnification have increased the difficulty of attracting and retaining such persons;

**WHEREAS**, the Board has determined that the increased difficulty in attracting and retaining such persons is detrimental to the best interests of the Company's shareholders and that the Company should act to assure such persons that there will be increased certainty of such protection in the future;

**WHEREAS**, it is reasonable, prudent and necessary for the Company contractually to obligate itself to indemnify, hold harmless, exonerate and to advance expenses on behalf of, such persons to the fullest extent permitted by applicable law so that they will serve or continue to serve the Company free from undue concern that they will not be so protected against liabilities;

**WHEREAS**, this Agreement is a supplement to and in furtherance of the Articles and any resolutions adopted pursuant thereto, and shall not be deemed a substitute therefor, nor to diminish or abrogate any rights of Indemnitee thereunder;

**WHEREAS**, Indemnitee may not be willing to serve as an officer or director, advisor or in another capacity without adequate protection, and the Company desires Indemnitee to serve in such capacity. Indemnitee is willing to serve, continue to serve and to take on additional service for or on behalf of the Company on the condition that Indemnitee be so indemnified; and

**NOW, THEREFORE**, in consideration of the premises and the covenants contained herein and subject to the provisions of the letter agreement dated as of [\_\_\_], 2021, the Company and Indemnitee do hereby covenant and agree as follows:

### **TERMS AND CONDITIONS**

1. **SERVICES TO THE COMPANY.** Indemnitee will serve or continue to serve as an officer, director, advisor, key employee or any other capacity of the Company, as applicable, for so long as Indemnitee is duly elected or appointed or retained or until Indemnitee tenders Indemnitee's resignation or until Indemnitee is removed. The foregoing notwithstanding, this Agreement shall continue in full force and effect after Indemnitee has ceased to serve as a director, officer, advisor, key employee or in any other capacity of the Company, as provided in Section 17. This Agreement, however, shall not impose any obligation on Indemnitee or the Company to continue Indemnitee's service to the Company beyond any period otherwise required by law or by other agreements or commitments of the parties, if any.

2. **DEFINITIONS.** As used in this Agreement:

(a) References to "**agent**" shall mean any person who is or was a director, officer or employee of the Company or a subsidiary of the Company or other person authorized by the Company to act for the Company, to include such person serving in such capacity as a director, officer, employee, fiduciary or other official of another corporation, partnership, limited liability company, joint venture, trust or other enterprise at the request of, for the convenience of, or to represent the interests of the Company or a subsidiary of the Company.

(b) The terms "**Beneficial Owner**" and "**Beneficial Ownership**" shall have the meanings set forth in Rule 13d-3 promulgated under the Exchange Act (as defined below) as in effect on the date hereof.

(d) A "**Change in Control**" shall be deemed to occur upon the earliest to occur after the date of this Agreement of any of the following events:

Other than an affiliate of Aurora Sponsor LLC (the "**Sponsor**"), any Person (as defined below) is or becomes the Beneficial Owner, directly or indirectly, of securities of the Company representing [fifteen] percent ([15]%) or more of the combined voting power of the Company's then outstanding securities entitled to vote generally in the election of directors, unless (1) the change in the relative Beneficial Ownership of the Company's securities by any Person results solely from a reduction in the aggregate number of outstanding shares of securities entitled to vote generally in the election of directors, or (2) such acquisition was approved in advance by the Continuing Directors (as defined below) and such acquisition would not constitute a Change in Control under part (iii) of this definition;

(ii) Change in Board of Directors. Individuals who, as of the date hereof, constitute the Board, and any new director whose election by the Board or nomination for election by the Company's shareholders was approved by a vote of at least two thirds of the directors then still in office who were directors on the date hereof or whose election for nomination for election was previously so approved (collectively, the "**Continuing Directors**"), cease for any reason to constitute at least a majority of the members of the Board;

(iii) Corporate Transactions. The effective date of a merger, capital share exchange, asset acquisition, share purchase, reorganization or similar business combination, involving the Company and one or more businesses (a "**Business Combination**"), in each case, unless, following such Business Combination: (1) all or substantially all of the individuals and entities who were the Beneficial Owners of securities entitled to vote generally in the election of directors immediately prior to such Business Combination beneficially own, directly or indirectly, more than 51% of the combined voting power of the then outstanding securities of the Company entitled to vote generally in the election of directors resulting from such Business Combination (including, without limitation, a corporation which as a result of such transaction owns the Company or all or substantially all of the Company's assets either directly or through one or more Subsidiaries (as defined below)) in substantially the same proportions as their ownership immediately prior to such Business Combination, of the securities entitled to vote generally in the election of directors; (2) other than an affiliate of the Sponsor, no Person (excluding any corporation resulting from such Business Combination) is the Beneficial Owner, directly or indirectly, of [15]% or more of the combined voting power of the then outstanding securities entitled to vote generally in the election of directors of the surviving corporation except to the extent that such ownership existed prior to the Business Combination; and (3) at least a majority of the Board of Directors of the corporation resulting from such Business Combination were Continuing Directors at the time of the execution of the initial agreement, or of the action of the Board of Directors, providing for such Business Combination;

(iv) **Liquidation**. The approval by the shareholders of the Company of a complete liquidation of the Company or an agreement or series of agreements for the sale or disposition by the Company of all or substantially all of the Company's assets, other than factoring the Company's current receivables or escrows due (or, if such shareholder approval is not required, the decision by the Board to proceed with such a liquidation, sale, or disposition in one transaction or a series of related transactions); or

(v) **Other Events**. There occurs any other event of a nature that would be required to be reported in response to Item 6(e) of Schedule 14A of Regulation 14A (or any successor rule) (or a response to any similar item on any similar schedule or form) promulgated under the Exchange Act (as defined below), whether or not the Company is then subject to such reporting requirement.

(e) **"Corporate Status"** describes the status of a person who is or was a director, officer, trustee, general partner, manager, managing member, fiduciary, employee or agent of the Company or of any other Enterprise (as defined below) which such person is or was serving at the request of the Company.

(f) **"Disinterested Director"** shall mean a director of the Company who is not and was not a party to the Proceeding (as defined below) in respect of which indemnification is sought by Indemnitee.

(g) **"Enterprise"** shall mean the Company and any other corporation, constituent corporation (including any constituent of a constituent) absorbed in a consolidation or merger to which the Company (or any of its wholly owned subsidiaries) is a party, limited liability company, partnership, joint venture, trust, employee benefit plan or other enterprise of which Indemnitee is or was serving at the request of the Company as a director, officer, trustee, general partner, managing member, fiduciary, employee or agent.

(h) **"Exchange Act"** shall mean the Securities Exchange Act of 1934, as amended.

(i) **"Expenses"** shall include all direct and indirect costs, fees and expenses of any type or nature whatsoever, including, without limitation, all reasonable attorneys' fees and costs, retainers, court costs, transcript costs, fees of experts, witness fees, travel expenses, fees of private investigators and professional advisors, duplicating costs, printing and binding costs, telephone charges, postage, delivery service fees, fax transmission charges, secretarial services and all other disbursements, obligations or expenses in connection with prosecuting, defending, preparing to prosecute or defend, investigating, being or preparing to be a witness in, settlement or appeal of, or otherwise participating in, a Proceeding (as defined below), including reasonable compensation for time spent by Indemnitee for which he or she is not otherwise compensated by the Company or any third party. Expenses also shall include Expenses incurred in connection with any appeal resulting from any Proceeding (as defined below), including without limitation the principal, premium, security for, and other costs relating to any cost bond, supersedeas bond, or other appeal bond or its equivalent. "Expenses," however, shall not include amounts paid in settlement by Indemnitee or the amount of judgments or fines against Indemnitee.

(j) References to **"fines"** shall include any excise tax assessed on Indemnitee with respect to any employee benefit plan; references to **"serving at the request of the Company"** shall include any service as a director, officer, employee, agent or fiduciary of the Company which imposes duties on, or involves services by, such director, officer, employee, agent or fiduciary with respect to an employee benefit plan, its participants or beneficiaries; and if Indemnitee acted in good faith and in a manner Indemnitee reasonably believed to be in the best interests of the participants and beneficiaries of an employee benefit plan, Indemnitee shall be deemed to have acted in a manner **"not opposed to the best interests of the Company"** as referred to in this Agreement.

(k) “**Independent Counsel**” shall mean a law firm or a member of a law firm with significant experience in matters of corporation law and that neither presently is, nor in the past five years has been, retained to represent: (i) the Company or Indemnitee in any matter material to either such party (other than with respect to matters concerning Indemnitee under this Agreement, or of other indemnitees under similar indemnification agreements); or (ii) any other party to the Proceeding (as defined below) giving rise to a claim for indemnification hereunder. Notwithstanding the foregoing, the term “Independent Counsel” shall not include any person who, under the applicable standards of professional conduct then prevailing, would have a conflict of interest in representing either the Company or Indemnitee in an action to determine Indemnitee’s rights under this Agreement.

(l) The term “**Person**” shall have the meaning as set forth in Sections 13(d) and 14(d) of the Exchange Act as in effect on the date hereof; provided, however, that “Person” shall exclude: (i) the Company; (ii) any Subsidiaries (as defined below) of the Company; (iii) any employment benefit plan of the Company or of a Subsidiary (as defined below) of the Company or of any corporation owned, directly or indirectly, by the shareholders of the Company in substantially the same proportions as their ownership of shares of the Company; and (iv) any trustee or other fiduciary holding securities under an employee benefit plan of the Company or of a Subsidiary (as defined below) of the Company or of a corporation owned directly or indirectly by the shareholders of the Company in substantially the same proportions as their ownership of shares of the Company.

(m) The term “**Proceeding**” shall include any threatened, pending or completed action, suit, arbitration, mediation, alternate dispute resolution mechanism, investigation, inquiry, administrative hearing or any other actual, threatened or completed proceeding, whether brought in the right of the Company or otherwise and whether of a civil (including intentional or unintentional tort claims), criminal, administrative or investigative or related nature, in which Indemnitee was, is, will or might be involved as a party or otherwise by reason of the fact that Indemnitee is or was a director or officer of the Company, by reason of any action (or failure to act) taken by Indemnitee or of any action (or failure to act) on Indemnitee’s part while acting as a director or officer of the Company, or by reason of the fact that Indemnitee is or was serving at the request of the Company as a director, officer, trustee, general partner, managing member, fiduciary, employee or agent of any other Enterprise, in each case whether or not serving in such capacity at the time any liability or expense is incurred for which indemnification, reimbursement, or advancement of expenses can be provided under this Agreement.

(n) The term “**Subsidiary**,” with respect to any Person, shall mean any corporation, limited liability company, partnership, joint venture, trust or other entity of which a majority of the voting power of the voting equity securities or equity interest is owned, directly or indirectly, by that Person.

**3. INDEMNITY IN THIRD-PARTY PROCEEDINGS.** To the fullest extent permitted by applicable law, the Company shall indemnify, hold harmless and exonerate Indemnitee in accordance with the provisions of this Section 3 if Indemnitee was, is, or is threatened to be made, a party to or a participant (as a witness, deponent or otherwise) in any Proceeding, other than a Proceeding by or in the right of the Company to procure a judgment in its favor by reason of Indemnitee’s Corporate Status. Pursuant to this Section 3, Indemnitee shall be indemnified, held harmless and exonerated against all Expenses, judgments, liabilities, fines, penalties and amounts paid in settlement (including all interest, assessments and other charges paid or payable in connection with or in respect of such Expenses, judgments, liabilities, fines, penalties and amounts paid in settlement) actually, and reasonably incurred by Indemnitee or on Indemnitee’s behalf in connection with such Proceeding or any claim, issue or matter therein, if Indemnitee acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the Company and, in the case of a criminal Proceeding, had no reasonable cause to believe that Indemnitee’s conduct was unlawful, provided, in no event shall Indemnitee be entitled to be indemnified, held harmless or advanced any amounts hereunder in respect of any Expenses, judgments, liabilities, fines, penalties and amounts paid in settlement (if any) that Indemnitee may incur by reason of his or her own actual fraud or intentional misconduct. Indemnitee shall not be found to have committed actual fraud or intentional misconduct for any purpose of this Agreement unless or until a court of competent jurisdiction shall have made a finding to that effect.

**4. INDEMNITY IN PROCEEDINGS BY OR IN THE RIGHT OF THE COMPANY.** To the fullest extent permitted by applicable law, the Company shall indemnify, hold harmless and exonerate Indemnitee in accordance with the provisions of this Section 4 if Indemnitee was, is, or is threatened to be made, a party to or a participant (as a witness, deponent or otherwise) in any Proceeding by or in the right of the Company to procure a judgment in its favor by reason of Indemnitee’s Corporate Status. Pursuant to this Section 4, Indemnitee shall be indemnified, held harmless and exonerated against all Expenses actually and reasonably incurred by Indemnitee or on Indemnitee’s behalf in connection with such Proceeding or any claim, issue or matter therein, if Indemnitee acted in good faith and in a manner Indemnitee reasonably believed to be in or not opposed to the best interests of the Company.

No indemnification, hold harmless or exoneration for Expenses shall be made under this Section 4 in respect of any claim, issue or matter as to which Indemnatee shall have been finally adjudged by a court to be liable to the Company, unless and only to the extent that any court in which the Proceeding was brought or the Cayman Court shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, Indemnatee is fairly and reasonably entitled to indemnification, to be held harmless or to exoneration.

**5. INDEMNIFICATION FOR EXPENSES OF A PARTY WHO IS WHOLLY OR PARTLY SUCCESSFUL.** Notwithstanding any other provisions of this Agreement except for Section 27, to the extent that Indemnatee was or is, by reason of Indemnatee's Corporate Status, a party to (or a participant in) and is successful, on the merits or otherwise, in any Proceeding or in defense of any claim, issue or matter therein, in whole or in part, the Company shall, to the fullest extent permitted by applicable law, indemnify, hold harmless and exonerate Indemnatee against all Expenses actually and reasonably incurred by Indemnatee in connection therewith. If Indemnatee is not wholly successful in such Proceeding but is successful, on the merits or otherwise, as to one or more but less than all claims, issues or matters in such Proceeding, the Company shall, to the fullest extent permitted by applicable law, indemnify, hold harmless and exonerate Indemnatee against all Expenses actually and reasonably incurred by Indemnatee or on Indemnatee's behalf in connection with each successfully resolved claim, issue or matter. If Indemnatee is not wholly successful in such Proceeding, the Company also shall, to the fullest extent permitted by applicable law, indemnify, hold harmless and exonerate Indemnatee against all Expenses reasonably incurred in connection with a claim, issue or matter related to any claim, issue, or matter on which Indemnatee was successful. For purposes of this Section and without limitation, the termination of any claim, issue or matter in such a Proceeding by dismissal, with or without prejudice, shall be deemed to be a successful result as to such claim, issue or matter.

**6. INDEMNIFICATION FOR EXPENSES OF A WITNESS.** Notwithstanding any other provision of this Agreement except for Section 27, to the extent that Indemnatee is, by reason of Indemnatee's Corporate Status, a witness or deponent in any Proceeding to which Indemnatee was or is not a party or threatened to be made a party, Indemnatee shall, to the fullest extent permitted by applicable law, be indemnified, held harmless and exonerated against all Expenses actually and reasonably incurred by Indemnatee or on Indemnatee's behalf in connection therewith.

**7. ADDITIONAL INDEMNIFICATION, HOLD HARMLESS AND EXONERATION RIGHTS.** Notwithstanding any limitation in Sections 3, 4, or 5 and except for Section 27, the Company shall, to the fullest extent permitted by applicable law, indemnify, hold harmless and exonerate Indemnatee if Indemnatee is a party to or threatened to be made a party to any Proceeding (including a Proceeding by or in the right of the Company to procure a judgment in its favor) against all Expenses, judgments, liabilities, fines, penalties and amounts paid in settlement (including all interest, assessments and other charges paid or payable in connection with or in respect of such Expenses, judgments, liabilities, fines, penalties and amounts paid in settlement) actually and reasonably incurred by Indemnatee in connection with the Proceeding. No indemnification, hold harmless or exoneration rights shall be available under this Section 7 on account of Indemnatee's conduct which constitutes a breach of Indemnatee's duty of loyalty to the Company or its shareholders or is an act or omission not in good faith or which involves intentional misconduct or a knowing violation of the law.

**8. CONTRIBUTION IN THE EVENT OF JOINT LIABILITY.**

(a) To the fullest extent permissible under applicable law, if the indemnification, hold harmless and/or exoneration rights provided for in this Agreement are unavailable to Indemnatee in whole or in part for any reason whatsoever, the Company, in lieu of indemnifying, holding harmless or exonerating Indemnatee, shall pay, in the first instance, the entire amount incurred by Indemnatee, whether for judgments, liabilities, fines, penalties, amounts paid or to be paid in settlement and/or for Expenses, in connection with any Proceeding without requiring Indemnatee to contribute to such payment, and the Company hereby waives and relinquishes any right of contribution it may have at any time against Indemnatee.

(b) The Company shall not enter into any settlement of any Proceeding in which the Company is jointly liable with Indemnatee (or would be if joined in such Proceeding) unless such settlement provides for a full and final release of all claims asserted against Indemnatee.

(c) The Company hereby agrees to fully indemnify, hold harmless and exonerate Indemnitee from any claims for contribution which may be brought by officers, directors or employees of the Company other than Indemnitee who may be jointly liable with Indemnitee.

9. **EXCLUSIONS.** Notwithstanding any provision in this Agreement, the Company shall not be obligated under this Agreement to make any indemnification, advance expenses, hold harmless or exoneration payment in connection with any claim made against Indemnitee:

(a) for which payment has actually been received by or on behalf of Indemnitee under any insurance policy or other indemnity or advancement provision, except with respect to any excess beyond the amount actually received under any insurance policy, contract, agreement, other indemnity or advancement provision or otherwise;

(b) for an accounting of profits made from the purchase and sale (or sale and purchase) by Indemnitee of securities of the Company within the meaning of Section 16(b) of the Exchange Act (or any successor rule) or similar provisions of state statutory law or common law; or

(c) except as otherwise provided in Sections 14(f)-(g) hereof, prior to a Change in Control, in connection with any Proceeding (or any part of any Proceeding) initiated by Indemnitee, including any Proceeding (or any part of any Proceeding) initiated by Indemnitee against the Company or its directors, officers, employees or other indemnitees, unless (i) the Board authorized the Proceeding (or any part of any Proceeding) prior to its initiation or (ii) the Company provides the indemnification, hold harmless or exoneration payment, in its sole discretion, pursuant to the powers vested in the Company under applicable law. Indemnitee shall seek payments or advances from the Company only to the extent that such payments or advances are unavailable from any insurance policy of the Company covering Indemnitee.

#### **10. ADVANCES OF EXPENSES; DEFENSE OF CLAIM.**

(a) Notwithstanding any provision of this Agreement to the contrary, except for Section 27, and to the fullest extent not prohibited by applicable law, the Company shall pay the Expenses incurred by Indemnitee (or reasonably expected by Indemnitee to be incurred by Indemnitee within three months) in connection with any Proceeding within ten (10) days after the receipt by the Company of a statement or statements requesting such advances from time to time, prior to the final disposition of any Proceeding. Advances shall, to the fullest extent permitted by law, be unsecured and interest free. Advances shall, to the fullest extent permitted by law, be made without regard to Indemnitee's ability to repay the Expenses and without regard to Indemnitee's ultimate entitlement to be indemnified, held harmless or exonerated under the other provisions of this Agreement. Advances shall include any and all reasonable Expenses incurred pursuing a Proceeding to enforce this right of advancement, including Expenses incurred preparing and forwarding statements to the Company to support the advances claimed. To the fullest extent required by applicable law, such payments of Expenses in advance of the final disposition of the Proceeding shall be made only upon the Company's receipt of an undertaking, by or on behalf of Indemnitee, to repay the advanced amounts to the extent that it is ultimately determined that Indemnitee is not entitled to be indemnified, held harmless or exonerated by the Company under the provisions of this Agreement, the Articles, applicable law or otherwise. If it shall be determined by a final judgment or other final adjudication that Indemnitee was not so entitled to indemnification, any advancement shall be returned to the Company (without interest) by the Indemnitee. This Section 10(a) shall not apply to any claim made by Indemnitee for which an indemnification, hold harmless or exoneration payment is excluded pursuant to Section 9 but shall apply to any Proceeding referenced in Section 9(b) prior to a final determination that Indemnitee is liable therefor.

(b) The Company will be entitled to participate in the Proceeding at its own expense.

(c) The Company shall not settle any action, claim or Proceeding (in whole or in part) which would impose any Expense, judgment, liability, fine, penalty or limitation on Indemnitee without Indemnitee's prior written consent.

## **11. PROCEDURE FOR NOTIFICATION AND APPLICATION FOR INDEMNIFICATION.**

(a) Indemnitee agrees to notify promptly the Company in writing upon being served with any summons, citation, subpoena, complaint, indictment, information or other document relating to any Proceeding, claim, issue or matter therein which may be subject to indemnification, hold harmless or exoneration rights, or advancement of Expenses covered hereunder. The failure of Indemnitee to so notify the Company shall not relieve the Company of any obligation which it may have to Indemnitee under this Agreement, or otherwise.

(b) Indemnitee may deliver to the Company a written application to indemnify, hold harmless or exonerate Indemnitee in accordance with this Agreement. Such application(s) may be delivered from time to time and at such time(s) as Indemnitee deems appropriate in his or her sole discretion. Following such a written application for indemnification by Indemnitee, Indemnitee's entitlement to indemnification shall be determined according to Section 12(a) of this Agreement.

## **12. PROCEDURE UPON APPLICATION FOR INDEMNIFICATION.**

(a) A determination, if required by applicable law, with respect to Indemnitee's entitlement to indemnification shall be made in the specific case by one of the following methods, which shall be at the election of Indemnitee: (i) by a majority vote of the Disinterested Directors, even though less than a quorum of the Board, (ii) by a committee of such directors designated by majority vote of such directors, (iii) if there are no Disinterested Directors or if such directors so direct, by Independent Counsel in a written opinion to the Board, a copy of which shall be delivered to Indemnitee, or (iv) by vote of the shareholders. The Company promptly will advise Indemnitee in writing with respect to any determination that Indemnitee is or is not entitled to indemnification, including a description of any reason or basis for which indemnification has been denied. If it is so determined that Indemnitee is entitled to indemnification, payment to Indemnitee shall be made within ten (10) days after such determination. Indemnitee shall reasonably cooperate with the person, persons or entity making such determination with respect to Indemnitee's entitlement to indemnification, including providing to such person, persons or entity upon reasonable advance request any documentation or information which is not privileged or otherwise protected from disclosure and which is reasonably available to Indemnitee and reasonably necessary to such determination. Any costs or Expenses incurred by Indemnitee in so cooperating with the person, persons or entity making such determination shall be borne by the Company (irrespective of the determination as to Indemnitee's entitlement to indemnification) and the Company hereby agrees to indemnify and to hold Indemnitee harmless therefrom.

(b) In the event the determination of entitlement to indemnification is to be made by Independent Counsel pursuant to Section 12(a) hereof, the Independent Counsel shall be selected as provided in this Section 12(b). The Independent Counsel shall be selected by Indemnitee (unless Indemnitee shall request that such selection be made by the Board), and Indemnitee shall give written notice to the Company advising it of the identity of the Independent Counsel so selected and certifying that the Independent Counsel so selected meets the requirements of "Independent Counsel" as defined in Section 2 of this Agreement. If the Independent Counsel is selected by the Board, the Company shall give written notice to Indemnitee advising Indemnitee of the identity of the Independent Counsel so selected and certifying that the Independent Counsel so selected meets the requirements of "Independent Counsel" as defined in Section 2 of this Agreement. In either event, Indemnitee or the Company, as the case may be, may, within ten (10) days after such written notice of selection shall have been received, deliver to the Company or to Indemnitee, as the case may be, a written objection to such selection; provided, however, that such objection may be asserted only on the ground that the Independent Counsel so selected does not meet the requirements of "Independent Counsel" as defined in Section 2 of this Agreement, and the objection shall set forth with particularity the factual basis of such assertion. Absent a proper and timely objection, the person so selected shall act as Independent Counsel. If such written objection is so made and substantiated, the Independent Counsel so selected may not serve as Independent Counsel unless and until such objection is withdrawn or a court of competent jurisdiction has determined that such objection is without merit. If, within twenty (20) days after submission by Indemnitee of a written request for indemnification pursuant to Section 11(b) hereof, no Independent Counsel shall have been selected and not objected to, either the Company or Indemnitee may petition the Cayman Court for resolution of any objection which shall have been made by the Company or Indemnitee to the other's selection of Independent Counsel and/or for the appointment as Independent Counsel of a person selected by the Cayman Court, and the person with respect to whom all objections are so resolved or the person so appointed shall act as Independent Counsel under Section 12(a) hereof. Upon the due commencement of any judicial proceeding or arbitration pursuant to Section 14(a) of this Agreement, Independent Counsel shall be discharged and relieved of any further responsibility in such capacity (subject to the applicable standards of professional conduct then prevailing).

(c) The Company agrees to pay the reasonable fees and expenses of Independent Counsel and to fully indemnify and hold harmless such Independent Counsel against any and all Expenses, claims, liabilities and damages arising out of or relating to this Agreement or its engagement pursuant hereto.

### 13. PRESUMPTIONS AND EFFECT OF CERTAIN PROCEEDINGS.

(a) In making a determination with respect to entitlement to indemnification hereunder, the person, persons or entity making such determination shall presume that Indemnitee is entitled to indemnification under this Agreement if Indemnitee has submitted a request for indemnification in accordance with Section 11(b) of this Agreement, and the Company shall have the burden of proof to overcome that presumption in connection with the making by any person, persons or entity of any determination contrary to that presumption. Neither the failure of the Company (including by the Disinterested Directors or Independent Counsel) to have made a determination prior to the commencement of any action pursuant to this Agreement that indemnification is proper in the circumstances because Indemnitee has met the applicable standard of conduct, nor an actual determination by the Company (including by the Disinterested Directors or Independent Counsel) that Indemnitee has not met such applicable standard of conduct, shall be a defense to the action or create a presumption that Indemnitee has not met the applicable standard of conduct.

(b) If the person, persons or entity empowered or selected under Section 12 of this Agreement to determine whether Indemnitee is entitled to indemnification shall not have made a determination within thirty (30) days after receipt by the Company of the request therefor, the requisite determination of entitlement to indemnification shall, to the fullest extent permitted by law, be deemed to have been made and Indemnitee shall be entitled to such indemnification, absent (i) a misstatement by Indemnitee of a material fact, or an omission of a material fact necessary to make Indemnitee's statement not materially misleading, in connection with the request for indemnification, or (ii) a final judicial determination that any or all such indemnification is expressly prohibited under applicable law; provided, however, that such 30-day period may be extended for a reasonable time, not to exceed an additional fifteen (15) days, if the person, persons or entity making the determination with respect to entitlement to indemnification in good faith requires such additional time for the obtaining or evaluating of documentation and/or information relating thereto.

(c) The termination of any Proceeding or of any claim, issue or matter therein, by judgment, order, settlement or conviction, or upon a plea of nolo contendere or its equivalent, shall not (except as otherwise expressly provided in this Agreement) of itself adversely affect the right of Indemnitee to indemnification or create a presumption that Indemnitee did not act in good faith and in a manner which Indemnitee reasonably believed to be in or not opposed to the best interests of the Company or, with respect to any criminal Proceeding, that Indemnitee had reasonable cause to believe that Indemnitee's conduct was unlawful.

(d) For purposes of any determination of good faith, Indemnitee shall be deemed to have acted in good faith if Indemnitee's action is based on the records or books of account of the Enterprise, including financial statements, or on information supplied to Indemnitee by the directors, manager, or officers of the Enterprise in the course of their duties, or on the advice of legal counsel for the Enterprise, its Board, any committee of the Board or any director, trustee, general partner, manager or managing member, or on information or records given or reports made to the Enterprise, its Board, any committee of the Board or any director, trustee, general partner, manager or managing member, by an independent certified public accountant or by an appraiser or other expert selected by the Enterprise, its Board, any committee of the Board or any director, trustee, general partner, manager or managing member. The provisions of this Section 13(d) shall not be deemed to be exclusive or to limit in any way the other circumstances in which Indemnitee may be deemed or found to have met the applicable standard of conduct set forth in this Agreement.

(e) The knowledge and/or actions, or failure to act, of any other director, officer, trustee, partner, manager, managing member, fiduciary, agent or employee of the Enterprise shall not be imputed to Indemnitee for purposes of determining the right to indemnification under this Agreement.

#### 14. REMEDIES OF INDEMNITEE.

(a) In the event that (i) a determination is made pursuant to Section 12 of this Agreement that Indemnatee is not entitled to indemnification under this Agreement, (ii) advancement of Expenses, to the fullest extent permitted by applicable law, is not timely made pursuant to Section 10 of this Agreement, (iii) no determination of entitlement to indemnification shall have been made pursuant to Section 12(a) of this Agreement within thirty (30) days after receipt by the Company of the request for indemnification, (iv) payment of indemnification is not made pursuant to Section 5, 6, 7 or the last sentence of Section 12(a) of this Agreement within ten (10) days after receipt by the Company of a written request therefor, (v) a contribution payment is not made in a timely manner pursuant to Section 8 of this Agreement, (vi) payment of indemnification pursuant to Section 3 or 4 of this Agreement is not made within ten (10) days after a determination has been made that Indemnatee is entitled to indemnification, or (vii) payment to Indemnatee pursuant to any hold harmless or exoneration rights under this Agreement or otherwise is not made in accordance with this Agreement, Indemnatee shall be entitled to an adjudication by the Cayman Court to such indemnification, hold harmless, exoneration, contribution or advancement rights. Alternatively, Indemnatee, at Indemnatee's option, may seek an award in arbitration to be conducted by a single arbitrator pursuant to the Commercial Arbitration Rules and Mediation Procedures of the American Arbitration Association. Except as set forth herein, the provisions of Cayman Island law (without regard to its conflict of laws rules) shall apply to any such arbitration. The Company shall not oppose Indemnatee's right to seek any such adjudication or award in arbitration.

(b) In the event that a determination shall have been made pursuant to Section 12(a) of this Agreement that Indemnatee is not entitled to indemnification, any judicial proceeding or arbitration commenced pursuant to this Section 14 shall be conducted in all respects as a de novo trial, or arbitration, on the merits and Indemnatee shall not be prejudiced by reason of that adverse determination.

(c) In any judicial proceeding or arbitration commenced pursuant to this Section 14, Indemnatee shall be presumed to be entitled to be indemnified, held harmless, and exonerated and to receive advancement of Expenses under this Agreement and the Company shall have the burden of proving Indemnatee is not entitled to be indemnified, held harmless, and exonerated and to receive advancement of Expenses, as the case may be, and the Company may not refer to or introduce into evidence any determination pursuant to Section 12(a) of this Agreement adverse to Indemnatee for any purpose. If Indemnatee commences a judicial proceeding or arbitration pursuant to this Section 14, Indemnatee shall not be required to reimburse the Company for any advances pursuant to Section 10 until a final determination is made with respect to Indemnatee's entitlement to indemnification (as to which all rights of appeal have been exhausted or lapsed).

(d) If a determination shall have been made pursuant to Section 12(a) of this Agreement that Indemnatee is entitled to indemnification, the Company shall be bound by such determination in any judicial proceeding or arbitration commenced pursuant to this Section 14, absent (i) a misstatement by Indemnatee of a material fact, or an omission of a material fact necessary to make Indemnatee's statement not materially misleading, in connection with the request for indemnification, or (ii) a prohibition of such indemnification under applicable law.

(e) The Company shall be precluded from asserting in any judicial proceeding or arbitration commenced pursuant to this Section 14 that the procedures and presumptions of this Agreement are not valid, binding and enforceable and shall stipulate in any such court or before any such arbitrator that the Company is bound by all the provisions of this Agreement.

(f) The Company shall indemnify and hold harmless Indemnatee to the fullest extent permitted by law against all Expenses and, if requested by Indemnatee, shall (within ten (10) days after the Company's receipt of such written request) pay to Indemnatee, to the fullest extent permitted by applicable law, such Expenses which are incurred by Indemnatee in connection with any judicial proceeding or arbitration brought by Indemnatee: (i) to enforce his or her rights under, or to recover damages for breach of, this Agreement or any other indemnification, hold harmless, exoneration, advancement or contribution agreement or provision of the Articles now or hereafter in effect; or (ii) for recovery or advances under any insurance policy maintained by any person for the benefit of Indemnatee, regardless of the outcome and whether Indemnatee ultimately is determined to be entitled to such indemnification, hold harmless or exoneration right, advancement, contribution or insurance recovery, as the case may be (unless such judicial proceeding or arbitration was not brought by Indemnatee in good faith).

(g) Interest shall be paid by the Company to Indemnitee at the legal rate under New York law for amounts which the Company indemnifies, holds harmless or exonerates, or advances, or is obliged to indemnify, hold harmless or exonerate or advance for the period commencing with the date on which Indemnitee requests indemnification, to be held harmless, exonerated, contribution, reimbursement or advancement of any Expenses and ending with the date on which such payment is made to Indemnitee by the Company.

15. **SECURITY.** Notwithstanding anything herein to the contrary, except for Section 27, to the extent requested by Indemnitee and approved by the Board, the Company may at any time and from time to time provide security to Indemnitee for the Company's obligations hereunder through an irrevocable bank line of credit, funded trust or other collateral. Any such security, once provided to Indemnitee, may not be revoked or released without the prior written consent of Indemnitee.

**16. NON-EXCLUSIVITY; SURVIVAL OF RIGHTS; INSURANCE; SUBROGATION.**

(a) The rights of Indemnitee as provided by this Agreement shall not be deemed exclusive of any other rights to which Indemnitee may at any time be entitled under applicable law, the Articles, any agreement, a vote of shareholders or a resolution of directors, or otherwise. No amendment, alteration or repeal of this Agreement or of any provision hereof shall limit or restrict any right of Indemnitee under this Agreement in respect of any Proceeding (regardless of when such Proceeding is first threatened, commenced or completed) or claim, issue or matter therein arising out of, or related to, any action taken or omitted by such Indemnitee in Indemnitee's Corporate Status prior to such amendment, alteration or repeal. To the extent that a change in applicable law, whether by statute or judicial decision, permits greater indemnification, hold harmless or exoneration rights or advancement of Expenses than would be afforded currently under the Articles or this Agreement, it is the intent of the parties hereto that Indemnitee shall enjoy by this Agreement the greater benefits so afforded by such change. No right or remedy herein conferred is intended to be exclusive of any other right or remedy, and every other right and remedy shall be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other right or remedy.

(b) The Companies Law (2020 Revision) of the Cayman Islands and the Articles permit the Company to purchase and maintain insurance or furnish similar protection or make other arrangements including, but not limited to, providing a trust fund, letter of credit, or surety bond ("**Indemnification Arrangements**") on behalf of Indemnitee against any liability asserted against Indemnitee or incurred by or on behalf of Indemnitee or in such capacity as a director, officer, employee or agent of the Company, or arising out of Indemnitee's status as such, whether or not the Company would have the power to indemnify Indemnitee against such liability under the provisions of this Agreement or under the Companies Law (2020 Revisions) of the Cayman Islands, as it may then be in effect. The purchase, establishment, and maintenance of any such Indemnification Arrangement shall not in any way limit or affect the rights and obligations of the Company or of Indemnitee under this Agreement except as expressly provided herein, and the execution and delivery of this Agreement by the Company and Indemnitee shall not in any way limit or affect the rights and obligations of the Company or the other party or parties thereto under any such Indemnification Arrangement.

(c) To the extent that the Company maintains an insurance policy or policies providing liability insurance for directors, officers, trustees, partners, managers, managing members, fiduciaries, employees, or agents of the Company or of any other Enterprise which such person serves at the request of the Company, Indemnitee shall be covered by such policy or policies in accordance with its or their terms to the maximum extent of the coverage available for any such director, officer, trustee, partner, managers, managing member, fiduciary, employee or agent under such policy or policies. If, at the time the Company receives notice from any source of a Proceeding as to which Indemnitee is a party or a participant (as a witness, deponent or otherwise), the Company has director and officer liability insurance in effect, the Company shall give prompt notice of such Proceeding to the insurers in accordance with the procedures set forth in the respective policies. The Company shall thereafter use commercially reasonable efforts to cause such insurers to pay, on behalf of Indemnitee, all amounts payable as a result of such Proceeding in accordance with the terms of such policies.

(d) In the event of any payment under this Agreement, the Company, to the fullest extent permitted by law, shall be subrogated to the extent of such payment to all of the rights of recovery of Indemnitee, who shall execute all papers required and take all action necessary to secure such rights, including execution of such documents as are necessary to enable the Company to bring suit to enforce such rights. No such payment by the Company shall be deemed to relieve any insurer of its obligations.

(e) The Company's obligation to indemnify, hold harmless, exonerate or advance Expenses hereunder to Indemnitee who is or was serving at the request of the Company as a director, officer, trustee, partner, manager, managing member, fiduciary, employee or agent of any other Enterprise shall be reduced by any amount Indemnitee has actually received as indemnification, hold harmless or exoneration payments or advancement of expenses from such Enterprise. Notwithstanding any other provision of this Agreement to the contrary except for Section 27, (i) Indemnitee shall have no obligation to reduce, offset, allocate, pursue or apportion any indemnification, hold harmless, exoneration, advancement, contribution or insurance coverage among multiple parties possessing such duties to Indemnitee prior to the Company's satisfaction and performance of all its obligations under this Agreement, and (ii) the Company shall perform fully its obligations under this Agreement without regard to whether Indemnitee holds, may pursue or has pursued any indemnification, advancement, hold harmless, exoneration, contribution or insurance coverage rights against any person or entity other than the Company.

**17. DURATION OF AGREEMENT.** All agreements and obligations of the Company contained herein shall continue during the period Indemnitee serves as a director or officer of the Company or as a director, officer, trustee, partner, manager, managing member, fiduciary, employee or agent of any other corporation, partnership, joint venture, trust, employee benefit plan or other Enterprise which Indemnitee serves at the request of the Company and shall continue thereafter so long as Indemnitee shall be subject to any possible Proceeding (including any rights of appeal thereto and any Proceeding commenced by Indemnitee pursuant to Section 14 of this Agreement) by reason of Indemnitee's Corporate Status, whether or not Indemnitee is acting in any such capacity at the time any liability or expense is incurred for which indemnification or advancement can be provided under this Agreement.

**18. SEVERABILITY.** If any provision or provisions of this Agreement shall be held to be invalid, illegal or unenforceable for any reason whatsoever: (a) the validity, legality and enforceability of the remaining provisions of this Agreement (including, without limitation, each portion of any Section, paragraph or sentence of this Agreement containing any such provision held to be invalid, illegal or unenforceable, that is not itself invalid, illegal or unenforceable) shall not in any way be affected or impaired thereby and shall remain enforceable to the fullest extent permitted by law; (b) such provision or provisions shall be deemed reformed to the extent necessary to conform to applicable law and to give the maximum effect to the intent of the parties hereto; and (c) to the fullest extent possible, the provisions of this Agreement (including, without limitation, each portion of any Section, paragraph or sentence of this Agreement containing any such provision held to be invalid, illegal or unenforceable, that is not itself invalid, illegal or unenforceable) shall be construed so as to give effect to the intent manifested thereby.

#### **19. ENFORCEMENT AND BINDING EFFECT.**

(a) The Company expressly confirms and agrees that it has entered into this Agreement and assumed the obligations imposed on it hereby in order to induce Indemnitee to serve as a director, officer or key employee of the Company, and the Company acknowledges that Indemnitee is relying upon this Agreement in serving as a director, officer or key employee of the Company.

(b) Without limiting any of the rights of Indemnitee under the Articles as they may be amended from time to time, this Agreement constitutes the entire agreement between the parties hereto with respect to the subject matter hereof and supersedes all prior agreements and understandings, oral, written and implied, between the parties hereto with respect to the subject matter hereof.

(c) The indemnification, hold harmless, exoneration and advancement of expenses rights provided by or granted pursuant to this Agreement shall be binding upon and be enforceable by the parties hereto and their respective successors and assigns (including any direct or indirect successor by purchase, merger, consolidation or otherwise to all or substantially all of the business and/or assets of the Company), shall continue as to an Indemnitee who has ceased to be a director, officer, employee or agent of the Company or a director, officer, trustee, general partner, manager, managing member, fiduciary, employee or agent of any other Enterprise at the Company's request, and shall inure to the benefit of Indemnitee and Indemnitee's spouse, assigns, heirs, devisees, executors and administrators and other legal representatives.

(d) The Company shall require and cause any successor (whether direct or indirect by purchase, merger, consolidation or otherwise) to all, substantially all or a substantial part, of the business and/or assets of the Company, by written agreement in form and substance satisfactory to Indemnitee, expressly to assume and agree to perform this Agreement in the same manner and to the same extent that the Company would be required to perform if no such succession had taken place.

(e) The Company and Indemnitee agree herein that a monetary remedy for breach of this Agreement, at some later date, may be inadequate, impracticable and difficult of proof, and further agree that such breach may cause Indemnitee irreparable harm. Accordingly, the parties hereto agree that Indemnitee may, to the fullest extent permitted by law, enforce this Agreement by seeking, among other things, injunctive relief and/or specific performance hereof, without any necessity of showing actual damage or irreparable harm and that by seeking injunctive relief and/or specific performance, Indemnitee shall not be precluded from seeking or obtaining any other relief to which Indemnitee may be entitled. The Company and Indemnitee further agree that Indemnitee shall, to the fullest extent permitted by law, be entitled to such specific performance and injunctive relief, including temporary restraining orders, preliminary injunctions and permanent injunctions, without the necessity of posting bonds or other undertaking in connection therewith. The Company acknowledges that in the absence of a waiver, a bond or undertaking may be required of Indemnitee by a court of competent jurisdiction. The Company hereby waives any such requirement of such a bond or undertaking to the fullest extent permitted by law.

**20. MODIFICATION AND WAIVER.** No supplement, modification or amendment of this Agreement shall be binding unless executed in writing by the Company and Indemnitee. No waiver of any of the provisions of this Agreement shall be deemed or shall constitute a waiver of any other provisions of this Agreement nor shall any waiver constitute a continuing waiver.

**21. NOTICES.** All notices, requests, demands and other communications under this Agreement shall be in writing and shall be deemed to have been duly given (i) if delivered by hand and receipted for by the party to whom said notice or other communication shall have been directed, or (ii) mailed by certified or registered mail with postage prepaid, on the third (3rd) business day after the date on which it is so mailed:

(a) If to Indemnitee, at the address indicated on the signature page of this Agreement, or such other address as Indemnitee shall provide in writing to the Company.

(b) If to the Company, to:

Fax No.: [—]

or to any other address as may have been furnished to Indemnitee in writing by the Company.

**22. APPLICABLE LAW AND CONSENT TO JURISDICTION.** This Agreement and the legal relations among the parties shall be governed by, and construed and enforced in accordance with, the laws of the State of New York, without regard to its conflict of laws rules. Except with respect to any arbitration commenced by Indemnitee pursuant to Section 14(a) of this Agreement, to the fullest extent permitted by law, the Company and Indemnitee hereby irrevocably and unconditionally: (a) agree that any action or proceeding arising out of or in connection with this Agreement shall be brought only in the New York Court and not in any other state or federal court in the United States of America or any court in any other country; (b) consent to submit to the exclusive jurisdiction of the New York Court for purposes of any action or proceeding arising out of or in connection with this Agreement; (c) waive any objection to the laying of venue of any such action or proceeding in the New York Court; and (d) waive, and agree not to plead or to make, any claim that any such action or proceeding brought in the New York Court has been brought in an improper or inconvenient forum, or is subject (in whole or in part) to a jury trial. To the fullest extent permitted by law, the parties hereby agree that the mailing of process and other papers in connection with any such action or proceeding in the manner provided by Section 21 or in such other manner as may be permitted by law, shall be valid and sufficient service thereof.

23. **IDENTICAL COUNTERPARTS.** This Agreement may be executed in one or more counterparts, each of which shall for all purposes be deemed to be an original but all of which together shall constitute one and the same Agreement. Only one such counterpart signed by the party against whom enforceability is sought needs to be produced to evidence the existence of this Agreement.

24. **MISCELLANEOUS.** Use of the masculine pronoun shall be deemed to include usage of the feminine pronoun where appropriate. The headings of the paragraphs of this Agreement are inserted for convenience only and shall not be deemed to constitute part of this Agreement or to affect the construction thereof.

25. **PERIOD OF LIMITATIONS.** No legal action shall be brought and no cause of action shall be asserted by or in the right of the Company against Indemnitee, Indemnitee's spouse, heirs, executors or personal or legal representatives after the expiration of two years from the date of accrual of such cause of action, and any claim or cause of action of the Company shall be extinguished and deemed released unless asserted by the timely filing of a legal action within such two-year period; provided, however, that if any shorter period of limitations is otherwise applicable to any such cause of action such shorter period shall govern.

26. **ADDITIONAL ACTS.** If for the validation of any of the provisions in this Agreement any act, resolution, approval or other procedure is required to the fullest extent permitted by law, the Company undertakes to cause such act, resolution, approval or other procedure to be affected or adopted in a manner that will enable the Company to fulfill its obligations under this Agreement.

27. **WAIVER OF CLAIMS TO TRUST ACCOUNT.** Indemnitee hereby agrees that it does not have any right, title, interest or claim of any kind (each, a "**Claim**") in or to any monies in the trust account established in connection with the Company's initial public offering for the benefit of the Company and holders of shares issued in such offering, and hereby waives any Claim it may have in the future as a result of, or arising out of, any services provided to the Company and will not seek recourse against such trust account for any reason whatsoever. Accordingly, Indemnitee acknowledges and agrees that any indemnification provided hereto will only be able to be satisfied by the Company if (i) the Company has sufficient funds outside of the Trust Account to satisfy its obligations hereunder or (ii) the Company consummates a Business Combination.

28. **MAINTENANCE OF INSURANCE.** The Company shall use commercially reasonable efforts to obtain and maintain in effect during the entire period for which the Company is obligated to indemnify the Indemnitee under this Agreement, one or more policies of insurance with reputable insurance companies to provide the officers/directors of the Company with coverage for losses from wrongful acts and omissions and to ensure the Company's performance of its indemnification obligations under this Agreement. The Indemnitee shall be covered by such policy or policies in accordance with its or their terms to the maximum extent of the coverage available for any such director or officer under such policy or policies. In all such insurance policies, the Indemnitee shall be named as an insured in such a manner as to provide the Indemnitee with the same rights and benefits as are accorded to the most favorably insured of the Company's directors and officers.
